The City Council of the City of Bellaire, Texas, met in Regular Session on Monday, April 4, 2011, in the Council Chamber, First Floor of City Hall, 7008 South Rice Avenue, Bellaire, Texas 77401, for the following purpose(s):

A. CALL TO ORDER AND ANNOUNCEMENT OF A QUORUM – Mayor Cindy Siegel.

Mayor Siegel called the City Council of the City of Bellaire, Texas, to order at 7:03 p.m. on Monday, April 4, 2011.

Also present were Mayor Pro Tem Phil Nauert, Councilmen James P. Avioli, Sr., and Andrew Friedberg, Councilwoman Mandy Nathan, City Manager Bernard M. Satterwhite, Jr., City Attorney Alan P. Petrov, and City Clerk Tracy L. Dutton. Councilmen Will Hickman and Corbett Daniel Parker were absent.

B. INSPIRATIONAL READING AND/OR INVOCATION – Councilman Andrew Friedberg.

Councilman Friedberg provided the inspirational reading for the evening.

C. PLEDGES TO THE FLAGS – Councilman Andrew Friedberg.

1. U.S. PLEDGE OF ALLEGIANCE.

2. PLEDGE TO THE TEXAS FLAG.

Councilman Friedberg led the audience and City Council in the U.S. Pledge of Allegiance and the Pledge to the Texas Flag.

D. PERSONAL/AUDIENCE COMMENTS.

Lynn McBee, 5314 Evergreen Street Bellaire, Texas, addressed City Council regarding the City’s upcoming Special Election. She noted that there were five candidates, and indicated that she was pleased that there would be a great deal of coverage for this special election. For example, the newspapers were interviewing candidates, the Bellaire Democrats were holding their own meeting at Hickory Pit Bar-B-Q with all five candidates, and on April 13, 2011, Lynn McBee and Pat Durio, in cooperation with City Manager Satterwhite and CTS Director Larry Parks, were sponsoring the first electronic forum in Bellaire. The moderator, Craig Howard, would pose...
questions of the candidates. The electronic forum (Candidate E-Forum) would be rebroadcast on the City’s cable channel all month prior to the election, as well as on the City’s website as a webcast 24 hours a day, seven days per week, until the election. The forum was being done as a public service, and Ms. McBee hoped that it would be helpful to the residents of Bellaire. She thanked the City for providing the camera, cable channel, and website. Ms. McBee advised that questions from the public of candidates could be emailed to her (lynnmb@hal-pc.org).

Richard E. Franke, 1104 Howard Lane, Bellaire, Texas, addressed City Council and advised that he wished to clarify something that he had not handled well at the Infrastructure Workshop Session on March 28, 2011. During that workshop, he had used the term “aesthetics,” the use of which meant that Bellaire’s streets were not reconstructed to be competitive with the City’s neighbors to the east (City of West University Place and Braeswood Place). He understood that such an undertaking would be very costly.

Mr. Franke indicated that he was concerned because at the end of 2011, Bellaire would only have reconstructed 20% of its residential streets (27%, if including the major thoroughfares). In looking at the remainder of the projects to be undertaken and given the City’s current pace, it would take 35 years to complete the reconstruction of all residential streets.

He encouraged the City to come up with a plan and a commitment to finish the job. He knew that it would be terribly expensive and would increase taxes. He did not mind telling City Council that he favored increased taxes for the simple reason that the current tax rate was too low to sustain the City for its essential services, as well as infrastructure. Even if the tax base leveled off or dipped occasionally, normal inflation would increase operating costs.

Mr. Franke closed by encouraging everyone in the audience and watching at home to support the Rebuild Baldwin Avenue Project as those residents had waited a long time to have their street reconstructed.

E. REPORTS:

CITY MANAGER’S REPORT regarding residential safety (Public Safety Day – May 21 from 10:00 a.m. until 2:00 p.m.), public infrastructure/utilities (Rebuild Bellaire Program update and Projects update), cultural and recreational (Library book sale results, recreation memberships on sale, Bellaire Town Square opening, Therapy Pool closure for replastering, Bellaire Trolley Run on April 9 to benefit the Patrons for Bellaire Parks, and Library closure on April 8 and 9 due to construction), internal operations/productivity (University of Houston MBA project to develop a long term, interactive cash flow model for Bellaire), current issues/information (Bellaire residents hosting of an electronic candidate forum on April 13 at 2:30 p.m. Forum to be carried live on Comcast cable public access,
and streamed live on the Internet. Replay will be per a schedule on Comcast and available continuously on the web. No live audience, Citywide Garage Sale on April 30 – no permits or registration required), and upcoming City Council meetings/events – Presented by City Manager Bernard M. Satterwhite, Jr.

City Manager Satterwhite presented the City Manager’s Report to City Council dated April 4, 2011.

Residential Safety

It was noted that the City would hold its first ever “Public Safety Day” (formerly called EMS Day), the scope of which would be broadened to include fire, EMS, police, emergency management, library, and aquatics. Life Flight would still participate. The date for Public Safety Day was set for Saturday, May 21, 2011, from 10:00 a.m. until 2:00 p.m.

Public Infrastructure/Utilities

The Rebuild Bellaire Program, Phase Three Project, which included the 4500 block of Oleander Street and the 4700-5000 blocks of Holt Street, was noted to be progressing nicely. The sidewalk and driveways were completed in the 4500 block of Oleander Street. With respect to the 4700-5000 blocks of Holt Street, the concrete pavement was expected to be completed by the end of the current week. Reconstruction of the 7900 and 8200 blocks of Englewood Street, also a part of the Rebuild Bellaire Program, Phase Three Project, was recently started and approximately 20% of storm sewer had been installed.

The Feld Park Water Plant Rehabilitation Project, consisting of extensive electrical upgrades, was progressing well. Currently, a 16” transmission line was being installed from the pump station to the elevated storage tank.

The design for the crosswalk on South Rice Avenue was completed. Advertising for bids would occur during the week of April 12, 2011, and the bid opening should occur on April 27, 2011. It was hoped that a bid award could be brought forward to City Council on May 16, 2011.

The Bellaire Millennium Renewal Follow-Up Program was 90% completed with respect to engineering design work. It was anticipated that bids would be sought mid-summer for the program.

City Manager Satterwhite noted that the Bellaire Public Works Department had been working on a recycling program for City facilities. Bins were ordered for City offices and facilities and would be distributed this week (desk-side bins). Each building would have larger bins in public and internal spaces for everyone’s use. Outdoor recycling bins for parks, pools, and the Little League Field were expected to arrive during the third week of April.
It was further noted that the City had applied for a Coca-Cola Keep America Beautiful grant on March 16, 2011, that, if awarded, would provide the City with additional outdoor recycling bins.

**Cultural and Recreational**

The Library Book Sale, which was held a few weeks ago, went very well and was a successful event thanks to the City’s host, the Friends of the Bellaire Library.

On Friday, recreation memberships went on sale. It was also noted that the Bellaire Aquatics Facility was open and operating. The Therapy Pool was closed for repairs (replastering) and was expected to reopen in approximately one month.

On Saturday, April 9, 2011, the City would hold its annual Trolley Run. The event would benefit the Patrons for Bellaire Parks and the Bellaire High School Track Team. Everyone was encouraged to participate in that event.

The Bellaire City Library was scheduled to close on April 8 and 9, 2011, due to renovations (i.e., all electricity would be off on those days).

**Internal Operations/Productivity**

City Manager Satterwhite referred to a graduate program at the University of Houston (MBA Program) that, as a class project, offered to develop a long term interactive cash flow model for budgeting for Bellaire. The City cooperated with Dr. Kumar (a Bellaire resident) on the project. City Manager Satterwhite and Chief Financial Officer Symank visited the class during the previous week for a presentation by the class and to provide input. The model was very impressive and would allow for complex scenarios to be built out to 2035.

Mention of the Candidate E-Forum had been made earlier by Resident Lynn McBee. The Candidate E-Forum was scheduled on April 13, 2011, at 2:30 p.m. There would be no live audience; however, it would be broadcast live on the City’s cable channel (Comcast) and streaming video. It would be replayed on Comcast and on the City’s website from that point until Election Day. Residents should have ample time to see and hear from the candidates. He advised that he had inadvertently indicated that the Bellaire Democrats were hosting the event. The host was not the Bellaire Democrats, but rather Residents Lynn McBee and Pat Durio.

On April 30, the City would hold a Citywide Garage Sale. A permit or registration to hold a garage sale would not be needed by residents on that date. Residents were responsible for their own advertising.

OPPOSED: None

ABSENT: Councilmen Hickman and Parker

{Ordinances related to changes in meeting dates were subsequently numbered: 11-027 and 11-028, respectively}

Separate Consideration of Consent Agenda Item F. 1. a.: CONSIDERATION of and possible action on the adoption of the minutes of the Regular Session of the City Council of the City of Bellaire, Texas, held on Monday, February 21, 2011.

Mayor Pro Tem Nauert moved to adopt the minutes of the Regular Session of the City Council of the City of Bellaire, Texas, held on Monday, February 21, 2011. Councilwoman Nathan seconded the motion.

Councilwoman Nathan moved to amend the text of the two motions made by Councilman Hickman in the minutes of the Regular Session of the City Council held on Monday, February 21, 2011, as follows:

Councilman Hickman moved to direct City Staff to move the public works pipe yard, which is located on a portion of the former Recycling Center property, and to abandon the west half of the 4400 block of Edith Street.
Following discussion by members of City Council as to possible uses for the Recycling Center property, Councilman Hickman moved to postpone action to direct City Staff to move the public works pipe yard until a decision is made by Council as to possible uses of the Recycling Center property and to direct City Staff to look at options for the Recycling Center property, including through seeking the input of the Parks & Recreation Advisory Board and the evaluation of residential use and development options.

Councilman Nauert seconded the amendment. The amendment to the motion carried unanimously on a 5-0 vote as follows:

FOR: Mayor Siegel, Mayor Pro Tem Nauert, Councilmen Avioli and Friedberg and Councilwoman Nathan

OPPOSED: None

ABSENT: Councilmen Hickman and Parker

Councilman Friedberg moved to amend page 19 of the minutes of the Regular Session of the City Council held on Monday, February 21, 2011, to change the “second to a friendly amendment” to indicate that those who made the original amendment (Friedberg and Hickman) accepted the friendly amendment by Avioli. Additional language should also be included on page 20 before the statement that Mayor Siegel called the question to indicate that “Following further discussion, Mayor Siegel moved to call the question . . . .” Mayor Pro Tem Nauert seconded the amendment. The amendment to the motion carried unanimously on a 5-0 vote as follows:

FOR: Mayor Siegel, Mayor Pro Tem Nauert, Councilmen Avioli and Friedberg and Councilwoman Nathan

OPPOSED: None

ABSENT: Councilmen Hickman and Parker

The vote on the original motion, as amended, carried unanimously on a 5-0 vote as follows:

Engineering Services Contract and Agreement

2. CONSIDERATION of and possible action on a recommendation from the Bellaire Public Works Department to award engineering services to HDR Engineering, Inc., for the FY2011 Sidewalk Repair/Maintenance Project in the amount of $64,140.00 and on the adoption of an ordinance of the City Council of the City of Bellaire, Texas, authorizing the Mayor and the City Clerk of the City of Bellaire, Texas, to execute and attest, respectively, for and on behalf of the City of Bellaire, Texas, a Contract and Agreement for Engineering Services with HDR Engineering, Inc., for said engineering services in an amount not to exceed $64,140.00 – Item submitted by Director of Public Works Joe Keene.

SUMMARY:

Terry Maher, 4529 Holly Street, Bellaire, Texas, Representative for HDR Engineering, Inc., presented an overview of the engineering services to be provided by HDR Engineering, Inc., for the City of Bellaire’s FY2011 Sidewalk Repair/Maintenance Project. It was noted that this particular project represented the fourth phase of the Sidewalk/Repair Maintenance Projects undertaken by the City. The Sidewalk/Repair Maintenance Projects addressed sidewalks that were safety hazards due to broken and cracked sidewalks and offset joints and cross slopes that were severely out of compliance with accessibility standards.

The streets included in the base bid for this project were cited as follows: 5100-5300 Huisache, 4300 Compton, 4300 Lamont, 4300 Lampton, 500 Cascade, 4400 Ione, 4400 Betty, 4700 Cedar,
4500 Mayfair, 5100 Patrick Henry, 5600 Whitehaven, 700 and 800 Atwell, 800 Carol, 800 Woodstock, and 5500-5700 Newcastle. The add alternate streets included the 4500 and 4600 blocks of Oakdale and Pin Oak and 4500 Mimosa. The add alternate streets would be included if the City received very good prices in the bids and did not use much of the supplemental items included in the bid.

Approximately 5.1 miles of sidewalks were addressed in the first three phases of the City’s Sidewalk Repair/Maintenance Projects at a cost of approximately $1 million. It was anticipated that 1.7 miles of sidewalks would be addressed with this fourth phase.

Sidewalks reconstructed with streets under the Bellaire Millennium Renewal Program and the Rebuild Bellaire Program added another 12.06 miles at a cost of $2.2 million.

Under this project, plans and specifications would be prepared by HDR Engineering, Inc., showing the areas of sidewalks to be addressed. Tree protection and preservation measures would be included in the contract, as well as supplemental items (i.e., adjusting manholes, water meters, constructing yard drains, retaining walls, and curbs). The plans would be submitted to the Texas Department of Licensing and Registration (TDLR) for review and approval. Site representation and field engineering services would be provided during the project. The services of an urban forester and a TDLR Technician would be available, as needed, to address concerns regarding trees and accessibility.

Before the project could be closed, the project would be inspected by the TDLR and any nonconforming issues would be corrected by the contractor.

Mayor Pro Tem Nauert moved to accept a recommendation from the Bellaire Public Works Department to award engineering services to HDR Engineering, Inc., for the FY2011 Sidewalk Repair/Maintenance Project in the amount of $64,140.00 and to adopt an ordinance of the City Council of the City of Bellaire, Texas, authorizing the Mayor and the City Clerk of the City of Bellaire, Texas, to execute and attest, respectively, for and on behalf of the City of Bellaire, Texas, a Contract and Agreement for Engineering Services with HDR Engineering, Inc., for said engineering services in an amount not to exceed $64,140.00.

Following questions of Mr. Maher regarding the project, a vote was taken on the motion, which carried unanimously on a 5-0 vote as follows:
FOR: Mayor Siegel, Mayor Pro Tem Nauert, Councilmen Avioli and Friedberg and Councilwoman Nathan

OPPOSED: None

ABSENT: Councilmen Hickman and Parker

{Ordinance was subsequently numbered: 11-031}

H. ITEM FOR INDIVIDUAL CONSIDERATION:

CONSIDERATION of and possible action on a request from the Bellaire Parks & Recreation Department to purchase sports netting to be placed between Jessamine Field and Bellaire Zindler Park in the City of Bellaire, Texas, using funds from the City of Bellaire donations reserve account in the amount of $3,900, in addition to donations already approved for such use – Item submitted by Director of Parks & Recreation Jane L. Dembski.

Councilwoman Nathan moved to approve a request from the Bellaire Parks & Recreation Department to purchase sports netting to be placed between Jessamine Field and Bellaire Zindler Park in the City of Bellaire, Texas, using funds from the City of Bellaire donations reserve account in the amount of $3,900, in addition to donations already approved for such use. Councilman Avioli seconded the motion. The motion carried unanimously on a 5-0 vote as follows:

FOR: Mayor Siegel, Mayor Pro Tem Nauert, Councilmen Avioli and Friedberg and Councilwoman Nathan

OPPOSED: None

ABSENT: Councilmen Hickman and Parker

I. COMMUNITY INTEREST ITEMS FROM THE MAYOR AND CITY COUNCIL.

A reminder was given regarding the City’s Trolley Run event to begin at 7:30 a.m. on Saturday, April 9, 2011. Those interested could sign up for the event at the Recreation Center.

A reminder was also given regarding the City’s next City Council Meeting to be held on Tuesday, April 19, 2011, and for the Candidate E-Forum, which could be viewed on the cable channel and on the City’s website on April 13, 2011, at 2:30 p.m.
The Patrons for Bellaire Parks, Parks & Recreation Department, and sponsors were commended and thanked for holding the most successful Tents in Town (third one held) the previous weekend.

Thanks were given to City Council, City Staff, and HDR|Claunch & Miller for a very productive Infrastructure Workshop Session held the previous week. Thanks were also given to The Nature Discovery Center for holding their Home Tour this weekend to raise money for the City parks.

J. ADJOURNMENT.

Councilman Friedberg moved to adjourn the Regular Session of the City Council of the City of Bellaire, Texas, at 8:22 p.m. on Monday, April 4, 2011. Councilman Avioli seconded the motion. The motion carried unanimously on a 5-0 vote as follows:

FOR: Mayor Siegel, Mayor Pro Tem Nauert, Councilmen Avioli and Friedberg and Councilwoman Nathan

OPPOSED: None

ABSENT: Councilmen Hickman and Parker
