**The League:** All age divisions are co-ed and will play an in-house league schedule against other City of Bellaire teams. There will be no official scoring kept, no wins or loses kept and no tournament to decide champions. This league is geared for fun so please keep that in perspective when choosing to participate in this league.

**Team Assignments:** Parent volunteer coaches will be able to select players to their team and/or the league will randomly assign players to teams. If you do not hear from a coach by **March 15** please contact Derick Bugg at [dbugg@bellairetx.gov](mailto:dbugg@bellairetx.gov). You will receive communication from your coach who will give you the details about practices and other information.

**Coaches:** Our teams are run by our participants' parents who are our volunteer coaches. Please let us know if you are interested in coaching. You need little to no experience needed to volunteer. We need parents to coach to make this program successful. All volunteer coaches must pass the required City of Bellaire background check.

**Practices:** Practices will be held at the same time each week, one day per week for approximately 50 minutes. Practices may be held Monday - Friday, between 4:30PM-8:30PM. All practices and games will be played at the City of Bellaire Recreation Center.

**Player Play Time Rules:** All players will play in every game. In all divisions, all coaches will have players play an equal amount of time and vary the positions as needed.

**What about rescheduling games?:** We have one weekend at the end of the season as a makeup date for games that get canceled due to unforeseen circumstances. Individual games will not be rescheduled, only an entire weekend of canceled games can be rescheduled.

We look forward to working with you and your child this season. See you on the court!
