

# City of Bellaire

## PRESS RELEASE

**FOR IMMEDIATE RELEASE: 2/28/2023**

### **New Bellaire City Library Hours**

**Bellaire, Texas:** Residents using the Bellaire City Library have a few more hours each week beginning March 1 to visit for a program, pick up a hold, use a computer, or study.

The Bellaire City Library will close at 7:00 pm each day from Monday through Thursday and open at 9:00 am on Saturday. We added five additional hours to the weekly schedule to help meet residents' need for library services. Friday hours have not been changed.

Library hours beginning March 1:

Monday-Thursday     10:00 am – 7:00 pm

Friday                     1:00 – 5:00 pm

Saturday                 9:00 am – 5:00 pm

“There is no budgetary impact with this decision, only more opportunities for programs and library service,” said Library Director Mary Cohrs.

In addition to expanded hours, the meeting area and conference room are now available to be reserved by the public. No fees are charged, but the use of the meeting areas is restricted to open library hours.

Please call Bellaire City Library @ 713-662-8160 for additional information.
