## PRESS RELEASE

**FOR IMMEDIATE RELEASE:** 5/5/2023

**ESB Learning Academy**

**Backyard Composting**

**May 16, 2023**

**Bellaire, Texas:** Join the Environmental Sustainability Board in person to learn about backyard composting. This session on backyard composting is great for gardeners and zero-waste aficionados. This class is also good for folks who are a bit nervous to try it or tried it and had a bad experience. Steve Stelzer, Program Director for the City of Houston's Green Building Resource Center, will present and answer questions, and ESB Member Arlene Dooley will host the seminar. The seminar is free. Registration is encouraged but not required.
