### **Forum for Bellaire's Future: An Open House to Discuss the Comprehensive Plan Update**

We invite all residents and business owners to attend an open house on Tuesday, June 13, at 5:30 pm at the Bellaire City Hall. The meeting will provide an opportunity for the public to voice their opinions and ask questions about various topics about the comprehensive plan update that will affect the future of Bellaire, such as the zoning for the commercial and downtown areas and quality of life amenities.

The open house will be presented by representatives from Kendig Keast Collaborative, who will also give a presentation at 6:00 pm on the comprehensive plan update process. The meeting will be followed by a Q&A session, where residents can interact and engage with the consultants and the staff.

The open house is free and open to everyone. For more information, please visit [www.bellairetx.gov](http://www.bellairetx.gov) or call (713) 662-8222.
