SUBCHAPTER C. PETITION

Sec. 141.061. APPLICABILITY OF SUBCHAPTER. This subchapter applies to each petition filed in connection with a candidate's application for a place on the ballot.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1987, 70th Leg., ch. 493, Sec. 1, eff. Sept. 1, 1987.

Sec. 141.062. VALIDITY OF PETITION. (a) To be valid, a petition must:

- (1) be timely filed with the appropriate authority;
- (2) contain valid signatures in the number required by this code; and
- (3) comply with any other applicable requirements for validity prescribed by this code.

(b) A petition may consist of multiple parts.

(c) After the filing deadline:

- (1) a candidate may not amend a petition in lieu of a filing fee submitted with the candidate's application; and
- (2) the authority with whom the application is filed may not accept an amendment to a petition in lieu of a filing fee submitted with the candidate's application.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 254 (H.B. 1135), Sec. 2, eff. September 1, 2011.

Sec. 141.063. VALIDITY OF SIGNATURE. (a) A signature on a petition is valid if:

(1) except as otherwise provided by this code, the signer, at the time of signing, is a registered voter of the territory from which the office sought is elected or has been issued a registration certificate for a registration that will become effective in that territory on or before the date of the applicable election;

(2) the petition includes the following information with respect to each signer:

(A) the signer's residence address;

(B) the signer's date of birth or the signer's voter registration number and, if the territory from which signatures must be obtained is situated in more than one county, the county of registration;

(C) the date of signing; and

(D) the signer's printed name;

(3) the part of the petition in which the signature appears contains the affidavit required by Section 141.065;

(4) each statement that is required by this code to appear on each page of the petition appears, at the time of signing, on the page on which the signature is entered; and

(5) any other applicable requirements prescribed by this code for a signature's validity are complied with.

(b) The signature is the only information that is required to appear on the petition in the signer's own handwriting.

(c) The use of ditto marks or abbreviations does not invalidate a signature if the required information is reasonably ascertainable.

(d) The omission of the state from the signer's residence address does not invalidate a signature unless the political subdivision from which the signature is obtained is situated in

more than one state. The omission of the zip code from the address does not invalidate a signature.

(e) The signer's residence address and registration address are not required to be the same if the signer would otherwise be able to vote for that office under Section 11.004 or 112.002.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1997, 75th Leg., ch. 1349, Sec. 52, eff. Sept. 1, 1997.

Amended by:

Acts 2005, 79th Leg., Ch. 726 (H.B. 1509), Sec. 1, eff. September 1, 2005.

Acts 2021, 87th Leg., R.S., Ch. 711 (H.B. 3107), Sec. 80, eff. September 1, 2021.

Sec. 141.064. METHOD OF ACQUIRING SIGNATURE. A person circulating a petition must:

(1) before permitting a person to sign, point out and read to the person each statement pertaining to the signer that appears on the petition;

(2) witness each signature;

(3) ascertain that each date of signing is correct;

and

(4) before the petition is filed, verify each signer's registration status and ascertain that each registration number entered on the petition is correct.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 141.065. AFFIDAVIT OF CIRCULATOR. (a) Each part of a petition must include an affidavit of the person who circulated it, executed before a person authorized to administer oaths in this state, stating that the person:

(1) pointed out and read to each signer, before the petition was signed, each statement pertaining to the signer that appears on the petition;

(2) witnessed each signature;

(3) verified each signer's registration status; and

(4) believes each signature to be genuine and the corresponding information to be correct.

(b) If a petition contains an affidavit that complies with Subsection (a), for the purpose of determining whether the petition contains a sufficient number of valid signatures, the authority with whom the candidate's application is filed may treat as valid each signature to which the affidavit applies, without further verification, unless proven otherwise.

(c) A single notarized affidavit by any person who obtained signatures is valid for all signatures gathered by the person if the date of notarization is on or after the date of the last signature obtained by the person.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Amended by:

Acts 2017, 85th Leg., R.S., Ch. 469 (H.B. 2157), Sec. 2, eff. September 1, 2017.

Sec. 141.066. SIGNING MORE THAN ONE PETITION PROHIBITED.

(a) A person may not sign the petition of more than one candidate for the same office in the same election.

(b) The following statement must appear at the top of each page of a petition: "Signing the petition of more than one candidate for the same office in the same election is prohibited."

(c) A signature on a candidate's petition is invalid if the signer signed the petition subsequent to signing a petition of another candidate for the same office in the same election.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1997, 75th Leg., ch. 864, Sec. 94, eff. Sept. 1, 1997.

Sec. 141.067. WITHDRAWAL OF SIGNATURE. (a) A signature may be withdrawn from a petition as provided by this section.

(b) To withdraw a signature, the signer must request that the signer's signature be withdrawn.

(c) To be effective, a withdrawal request must:

(1) be in writing and be signed and acknowledged by the signer of the petition; and

(2) be filed with the authority with whom the petition is required to be filed not later than the date the petition is received by the authority or the seventh day before the petition

filing deadline, whichever is earlier.

(d) A withdrawal request filed by mail is considered to be filed at the time of its receipt by the appropriate authority.

(e) The signer must deliver a copy of the withdrawal request to the candidate when the request is filed.

(f) The filing of an effective withdrawal request nullifies the signature on the petition and places the signer in the same position as if the signer had not signed the petition.

(g) If the withdrawal of a signature reduces the number of signatures on the petition below the prescribed minimum for the petition to be valid, the authority with whom the request is filed shall notify the candidate immediately by telephone, telegram, or an equally or more expeditious method of the number of withdrawn signatures. Before the third day after the date the candidate receives the notice, the candidate's petition may be supplemented with signatures equal in number to the number of signatures withdrawn.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1997, 75th Leg., ch. 864, Sec. 95, eff. Sept. 1, 1997.

Sec. 141.068. DUTY OF LOCAL AUTHORITY TO VERIFY SIGNATURES.

(a) On request of the secretary of state, a voter registrar shall verify the voter registration status of a signer of a petition filed with the secretary who the petition indicates is registered or has been accepted for registration in the county served by the registrar.

(b) On request of the secretary of state, a county clerk shall ascertain from the records in the clerk's custody whether a signer of a petition filed with the secretary is shown to have voted in a particular election.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 141.069. VERIFYING SIGNATURES BY STATISTICAL SAMPLE.

If signatures on a petition that is required to contain more than 1,000 signatures are to be verified by the authority with whom the candidate's application is required to be filed, the authority may use as the basis for the verification any reasonable statistical

sampling method that ensures an accuracy rate of at least 95 percent.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1987, 70th Leg., ch. 54, Sec. 16(b), eff. Sept. 1, 1987; Acts 1997, 75th Leg., ch. 1349, Sec. 53, eff. Sept. 1, 1997.

Sec. 141.070. ESTIMATING GUBERNATORIAL VOTE FOR TERRITORY WITH CHANGED BOUNDARY. (a) If, since the most recent gubernatorial general election, a district or precinct from which an officer of the federal, state, or county government is elected is created or has had its boundary changed, the number of votes received in the district or precinct by a political party's gubernatorial candidate or by all the gubernatorial candidates shall be estimated, as provided by this section, for the purpose of computing the number of signatures required on a candidate's petition.

(b) The secretary of state, for a district, or the county clerk of the county in which the precinct is situated, for a precinct, shall estimate the applicable vote total on the request of:

- (1) a candidate affected by the creation or change; or
- (2) an authority with whom an affected candidate's application for a place on the ballot is required to be filed.

(c) Not later than the 30th day after the date the secretary of state or county clerk receives an estimate request, the secretary or clerk shall certify the secretary's or clerk's estimate in writing and deliver a copy of the certification to the candidate and to the authority with whom the candidate's application for a place on the ballot is required to be filed.

(d) If an estimate is not requested under Subsection (b), the authority with whom an affected candidate's application for a place on the ballot is required to be filed shall make the estimate before acting on a petition.

(e) If, before completing an estimate, the estimating authority determines that the total estimated vote will be large enough to make a computation of the number of signatures required to appear on the petition unnecessary, the authority may certify that fact in writing instead of completing the estimate.

(f) A candidate for an office that is affected by an estimate or by a determination made under Subsection (e) may challenge the accuracy of the estimate or determination by filing a petition, stating the ground of the challenge, in a district court having general jurisdiction in the territory involved. Review in the district court is by trial de novo, and the court's decision is not appealable.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1997, 75th Leg., ch. 864, Sec. 96, eff. Sept. 1, 1997.

SUBCHAPTER D. COERCION OF CANDIDACY

Sec. 141.101. COERCION AGAINST CANDIDACY PROHIBITED.

(a) A person commits an offense if by intimidation or by means of coercion the person influences or attempts to influence a person to:

(1) not file an application for a place on the ballot or a declaration of write-in candidacy; or

(2) withdraw as a candidate.

(b) In this section, "coercion" has the meaning assigned by Section 1.07, Penal Code.

(c) An offense under this section is a Class A misdemeanor unless the intimidation or coercion is a threat to commit a felony, in which event it is a felony of the third degree.

Added by Acts 1995, 74th Leg., ch. 667, Sec. 1, eff. Sept. 1, 1995.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 1235 (S.B. 1970), Sec. 3, eff. September 1, 2009.

Transferred, redesignated and amended from Election Code, Section 2.054 by Acts 2021, 87th Leg., R.S., Ch. 711 (H.B. 3107), Sec. 82, eff. September 1, 2021.

FIRST STEPS FOR A CANDIDATE RUNNING
FOR A CITY OFFICE
(TEXAS ETHICS COMMISSION)

First Steps for Candidates Running for a City Office

This quick-start guide for candidates seeking a city office is not intended to provide comprehensive information. For more details, including information on political advertising requirements, fundraising rules, and filing schedules, see the Texas Ethics Commission's (TEC) website at www.ethics.state.tx.us.

1. All candidates must file a Campaign Treasurer Appointment ([Form CTA](#)).

All candidates must file [Form CTA](#) even if you do not intend to raise or spend any money. [Form CTA](#) is required to be filed before you file an application for a place on the ballot, raise or spend any money for your campaign, or announce your candidacy. File [Form CTA](#) with the city clerk or city secretary, as applicable.

2. Opposed Candidates: Will you accept or spend more than **\$1,010*** for the election?

• YES:

- You do not qualify to file on the modified reporting schedule.
- You are **required** to file pre-election campaign finance reports using [Form C/OH](#) if you have an opponent on the ballot. Find [Form C/OH](#) and its instructions on our "[Local Filers Non-Judicial Candidate/Officeholder](#)" webpage.
- Pre-election reports are due 30 days and 8 days prior to each election. To be timely filed, pre-election reports must be received by the city clerk or city secretary no later than the due date.

• NO:

- You can elect to file on the modified reporting schedule by completing the *Modified Reporting Declaration* on page two of [Form CTA](#). File [Form CTA](#) with the city clerk or city secretary.
- If you elect to file on the modified reporting schedule, you do not have to file pre-election campaign finance reports due 30 days and 8 days prior to the election.
- Exceed \$1,010*: If you elect to file on the modified reporting schedule but later exceed \$1,010 in either contributions or expenditures, what reports you will be required to file depends upon when you exceed \$1,010*.
 - If you exceed \$1,010* on or before the 30th day before the election, you are **required** to file pre-election campaign finance reports due 30 days and 8 days prior to an election using [Form C/OH](#). To be timely filed, pre-election reports must be received by the city clerk or city secretary no later than the due date. Find [Form C/OH](#) and its instructions on our "[Local Filers Non-Judicial Candidate/Officeholder](#)" webpage.
 - If you exceed \$1,010* after the 30th day before the election, you are **required** to file an Exceeded Modified Reporting Limit report using [Form C/OH](#). To be timely filed, this report must be filed with the city clerk or city secretary within 48 hours of exceeding \$1,010.* You must also file the pre-election report due 8 days prior to an election. Find [Form C/OH](#) and its instructions on our "[Local Filers Non-Judicial Candidate/Officeholder](#)" webpage. If you exceed \$1,010* on or before the 8th day before the election, you are **required** to file a pre-election campaign finance report due 8 days prior to an election using [Form C/OH](#). To be timely filed, the pre-election

report must be received by the city clerk or city secretary no later than the due date. Find [Form C/OH](#) and its instructions on our "[Local Filers Non-Judicial Candidate/Officeholder](#)" webpage.

3. Unopposed Candidates.

If you do not have an opponent whose name will appear on the ballot in the election, you are an unopposed candidate and are not required to file pre-election campaign finance reports prior to that election.

4. All candidates must file semiannual campaign finance reports ([Form C/OH](#)).

All candidates are **required** to file semiannual reports using [Form C/OH](#) even if you have no campaign activity or were unsuccessful in the election. Semiannual reports are due on January 15th and July 15th and must be filed with the city clerk or city secretary. To end your filing obligations, you must cease campaign activity and file a Final report using [Form C/OH](#) and attaching Form C/OH-FR (Designation of Final Report). Form C/OH-FR is found on the last page of [Form C/OH](#). Find [Form C/OH](#) and its instructions on our "[Local Filers Non-Judicial Candidate/Officeholder](#)" webpage. For more information, see "[Ending Your Campaign](#)" for local filers.

5. All candidates can use the TEC's Filing Application to prepare campaign finance reports ([Form C/OH](#)).

You can use the TEC's [Filing Application](#) to prepare a PDF version of your campaign finance report ([Form C/OH](#)). Select "Local Authority" and follow the steps to set up an account and login to the application. Once you have completed your report, print out a copy, add your treasurer information, get it notarized, and file it with the city clerk or city secretary by the appropriate deadline.

6. Need More Information?

An application for a place on the general election for a city, school district or other political subdivision, may not be filed earlier than 30 days before the deadline prescribed by this code for filing the application. An application filed before that day is void. All fields of the application **must** be completed unless specifically marked optional.

For an election to be held on a uniform election date, the day of the filing deadline is the 78th day before Election Day.

If you have questions about the application, please contact the Secretary of State's Elections Division at 800-252-8683.

NEPOTISM LAW

The candidate must sign this statement indicating his awareness of the nepotism law. When a candidate signs the application, it is an acknowledgment that the candidate is aware of the nepotism law. The nepotism prohibitions of chapter 573, Government Code, are summarized below:

No officer may appoint, or vote for or confirm the appointment or employment of any person related within the second degree by affinity (marriage) or the third degree by consanguinity (blood) to the officer, or to any other member of the governing body or court on which the officer serves when the compensation of that person is to be paid out of public funds or fees of office. However, nothing in the law prevents the appointment, voting for, or confirmation of anyone who has been continuously employed in the office or employment for the following period prior to the election or appointment of the officer or member related to the employee in the prohibited degree: six months, if the officer or member is elected at an election other than the general election for state and county officers.

No candidate may take action to influence an employee of the office to which the candidate is seeking election or an employee or officer of the governmental body to which the candidate is seeking election regarding the appointment or employment of a person related to the candidate in a prohibited degree as noted above. This prohibition does not apply to a candidate's actions with respect to a bona fide class or category of employees or prospective employees.

- (3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.
- (4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE

GENERAL INSTRUCTIONS

These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.

DUTIES OF A CANDIDATE OR OFFICEHOLDER

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

QUALIFICATIONS OF CAMPAIGN TREASURER

A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

DUTIES OF A CAMPAIGN TREASURER

State law does not impose any obligations on a candidate's campaign treasurer.

REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN

If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;

- (C) the filing of an application for nomination by convention;
- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept *campaign* contributions or make *campaign* expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT

The appropriate filing authority depends on the office sought or held.

a. Texas Ethics Commission. The Texas Ethics Commission (Commission) is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:

- Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.
- State Senator or State Representative.
- Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.*
- State Board of Education.

- A multi-county district judge* or multi-county district attorney.
- A single-county district judge.*
- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.
- A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.
- A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.

* Judicial candidates use FORM JCTA to appoint a campaign treasurer.

b. County Clerk. The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:

- A county office.
- A precinct office.
- A district office (except for multi-county district offices).
- An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

c. Local Filing Authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

FILING WITH A DIFFERENT AUTHORITY

If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment and a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also provide written notice to the original filing authority that your future reports will be filed with another authority; use Form CTA-T for this purpose.

FORMING A POLITICAL COMMITTEE

As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

NOTE: *See the Campaign Finance Guide for Political Committees for further information about specific-purpose committees.*

CHANGING A CAMPAIGN TREASURER

If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

AMENDING A CAMPAIGN TREASURER APPOINTMENT

If *any* of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS

If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT

You may terminate your campaign treasurer appointment at any time by:

- 1) filing a campaign treasurer appointment for a successor campaign treasurer, or
- 2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make

any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for FORM C/OH - UC.*) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

ELECTRONIC FILING

All persons filing campaign finance reports with the Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Commission’s website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirements.

GUIDES

All candidates should review the applicable Commission’s campaign finance guide. Guides are available on the Commission’s website at <http://www.ethics.state.tx.us>.

Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.
 - The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
 - A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
 - A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
 - Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

PAGE 2

11. CANDIDATE NAME: Enter your name as you did on Page 1.

12. MODIFIED REPORTING DECLARATION: Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party and candidates for county chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$1,010 in political contributions or make more than \$1,010 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$1,010 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports, or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$1,010 maximums apply to each election within the cycle. In other words, you are limited to \$1,010 in contributions and expenditures in connection with the primary, an additional \$1,010 in contributions and expenditures in connection with the general election, and an additional \$1,010 in contributions and expenditures in connection with a runoff.

EXCEEDING \$1,010 IN CONTRIBUTIONS OR EXPENDITURES. If you exceed \$1,010 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$1,010 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the AMENDMENT (FORM ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

For more information, see the Commission's campaign finance guide that applies to you.

INTRODUCTION

This guide is a summary of reporting requirements and other regulations set out in Title 15 of the Texas Election Code (Chs. 251-259) and in the rules adopted by the Texas Ethics Commission. This guide applies to candidates for and officeholders in most local offices in Texas.

This guide does not apply to candidates for or officeholders of statewide elective offices, the State Legislature, seats on the State Board of Education, or multi-county district offices. Nor does it apply to candidates for or judges of statutory county courts, statutory probate courts, or district courts.

IMPORTANT UPDATES

As directed by section 571.064 of the Texas Government Code, the Commission is required to annually adjust certain reporting thresholds upward to the nearest multiple of \$10 in accordance with the percentage increase for the previous year in the Consumer Price Index for Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor.

These changes will be made effective January 1st of each calendar year; the affected numbers and corresponding new thresholds are located in 1 T.A.C. §18.31, which can be found here: <https://www.ethics.state.tx.us/rules/>. The higher itemization thresholds will be reflected on the paper forms and in these instructions, as applicable.

Verify that you are using the correct thresholds and forms that apply to your filing. For example, if you are filing a campaign finance report or lobby activities report that is due in January of 2021, you must use the forms and instructions that are applicable to the period ending December 31, 2020.

OFFICEHOLDERS

Officeholders as well as candidates are subject to regulation under Title 15. An officeholder who has a campaign treasurer appointment on file with a filing authority is a “candidate” for purposes of Title 15 and is subject to all the regulations applicable to candidates. An officeholder who does not have a campaign treasurer appointment on file is subject only to the regulations applicable to officeholders.

Most of the requirements discussed in this guide apply to both candidates (individuals who have a campaign treasurer appointment on file) and to officeholders who do not have a campaign treasurer appointment on file. The guide will indicate whether a particular requirement applies to individuals who have campaign treasurer appointments on file, to officeholders who do not have campaign treasurer appointments on file, or to both.

JUDICIAL CANDIDATES AND OFFICEHOLDERS

Candidates for and officeholders in most judicial offices are subject to various restrictions that do not apply to other candidates and officeholders. Those candidates and officeholders should review the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS and the POLITICAL ADVERTISING GUIDE which are available on the commission’s website.

Nonjudicial Officeholder Seeking Judicial Office. Pursuant to Op. Tex. Ethics Comm'n No. 465 (2005), a nonjudicial officeholder who becomes a judicial candidate is required to file two campaign finance reports, one reporting nonjudicial activity and the other reporting judicial activity. Alternatively, a nonjudicial officeholder who becomes a judicial candidate may select to file a single report that includes both candidate and officeholder activity if the activity is clearly and properly reported. *See* the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS for more information.

FEDERAL OFFICES

This guide does not apply to candidates for federal offices. Candidates for federal offices should contact the Federal Election Commission. The FEC's toll-free number is (800) 424-9530.

FILING AUTHORITIES

Title 15 requires candidates and officeholders to file various documents and reports with the appropriate filing authority.

The filing authority for a local candidate or officeholder depends on the nature of the office sought or held.

County Clerk. The county clerk (or the county elections administrator if the county has an elections administrator, or tax assessor-collector if the county's commissioners court has transferred the filing authority function to the tax assessor-collector and the county clerk and tax assessor-collector have agreed to the transfer) is the appropriate filing authority for a candidate for:

- a county office;
- a precinct office;
- a district office (except for multi-county district offices); and
- an office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

Other local filing authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer.

Texas Ethics Commission. The Texas Ethics Commission is the appropriate filing authority for candidates for:

- Multi-county district offices. (Reminder: This guide does not apply to multi-county district offices.)

- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.

POLITICAL COMMITTEES (PACS)

Often a candidate or officeholder chooses to establish a specific-purpose political committee. A political committee is subject to *separate* filing requirements. Establishing a specific-purpose political committee does not relieve a candidate or officeholder of the obligation to file as an individual. For more information about political committees, see the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES.

FINANCIAL DISCLOSURE STATEMENTS

Some local candidates and officeholders are required to file an annual personal financial statement in accordance with Government Code Chapter 572 or Local Government Code Chapter 159. This statement is not a campaign finance document, and is not addressed in this guide.

FEDERAL INCOME TAX

This pamphlet does not address the federal tax implications of campaign finance. Questions regarding federal tax law should be directed to the Internal Revenue Service.

TEXAS ETHICS COMMISSION

If you have a question about how Title 15 applies to you, you may call the Ethics Commission for assistance or you may request a written advisory opinion.

The Ethics Commission has authority to impose fines for violations of Title 15. If you have evidence that a person has violated Title 15, you may file a sworn complaint with the Ethics Commission.

The Ethics Commission's mailing address is P.O. Box 12070, Austin, Texas 78711. The phone number is (512) 463-5800. The Ethics Commission maintains a website at www.ethics.state.tx.us.

APPOINTING A CAMPAIGN TREASURER

If you plan to run for a public office in Texas (except for a federal office), you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA) with the proper filing authority before you become a candidate, even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the

automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;

- (B) the filing of an application for a place on the ballot;
- (C) the filing of an application for nomination by convention;
- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

NO CAMPAIGN CONTRIBUTIONS OR EXPENDITURES WITHOUT TREASURER APPOINTMENT ON FILE

Additionally, the law provides that you must file a campaign treasurer appointment form with the proper filing authority before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

APPOINTING TREASURER TRIGGERS REPORTING DUTIES

After a candidate has filed a form appointing a campaign treasurer, the candidate is responsible for filing periodic reports of contributions and expenditures. Filing reports is the responsibility of the candidate, not the campaign treasurer. Even if a candidate loses an election, he or she must continue filing reports until he or she files a final report. *See* “Ending Filing Obligations” in this guide. (An officeholder who files a final report, and thereby terminates his or her campaign treasurer appointment, may still be required to file semiannual reports of contributions and expenditures as an officeholder.)

QUALIFICATIONS OF CAMPAIGN TREASURER

A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates

this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision.

DUTIES OF CAMPAIGN TREASURER

A candidate's campaign treasurer has no legal duties. (**Note:** The campaign treasurer of a *political committee* is legally responsible for filing reports.)

EFFECTIVE DATE OF APPOINTMENT

A campaign treasurer appointment is effective when filed. A hand-delivered appointment takes effect on the date of delivery. A mailed appointment takes effect on the date of the postmark.

CODE OF FAIR CAMPAIGN PRACTICES

A filing authority should provide to each individual who files a campaign treasurer appointment a form containing a Code of Fair Campaign Practices. A candidate may pledge to conduct his or her campaign in accordance with the principles and practices set out in the Code by signing the form and filing it with the appropriate filing authority.

APPOINTMENT BY OFFICEHOLDER

If an officeholder files an appointment of campaign treasurer after a period in which he or she did not have a campaign treasurer appointment on file, the officeholder may have to file a report of contributions and expenditures no later than 15 days after filing the appointment of campaign treasurer. See "15th Day After Appointment of Campaign Treasurer by Officeholder" in this guide. An officeholder who *changes* a campaign treasurer is not required to file this report.

Note: An officeholder who has a campaign treasurer appointment on file is a candidate for purposes of Title 15.

FILING FOR A PLACE ON THE BALLOT

Filing a campaign treasurer appointment and filing for a place on the ballot are two completely separate actions. The Secretary of State can provide information about filing for a place on the ballot. Call the Secretary of State at (512) 463-5650 or toll-free at (800) 252-8683.

CHANGING TREASURERS

A candidate may change campaign treasurers at any time by filing an amended appointment of campaign treasurer (FORM ACTA). Filing an appointment of a new treasurer automatically terminates the appointment of the old treasurer.

TRANSFERRING TO A DIFFERENT FILING AUTHORITY

If a candidate has a campaign treasurer appointment on file with one filing authority and wishes to accept campaign contributions or make campaign expenditures in connection with a candidacy for an office that would require reporting to a different filing authority, the candidate must file a new campaign treasurer appointment and a copy of the old campaign treasurer appointment (certified by original authority) with the second filing authority. The candidate should also

provide written notice to the original filing authority that future reports will be filed with another authority. In general, funds accepted in connection with one office may be used in connection with a campaign for a different office, as long as neither of the offices is a judicial office.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT

A candidate may terminate a campaign treasurer appointment by filing an amended appointment of campaign treasurer or by filing a final report.

A campaign treasurer may terminate his or her own appointment by notifying both the candidate and the filing authority in writing. The termination is effective on the date the candidate receives the notice or on the date the filing authority receives the notice, whichever is later.

DECIDING NOT TO RUN

A campaign treasurer appointment does not simply expire. An individual who has a campaign treasurer appointment on file must file reports of contributions and expenditures until he or she files a final report with the filing authority. *See* “Ending Filing Obligations” in this guide.

THINGS TO REMEMBER

- If you plan to run for a public office in Texas (except for a federal office), you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA) with the proper filing authority before you become a candidate, even if you do not intend to accept campaign contributions or make campaign expenditures.
- A person may not accept a campaign contribution or make a campaign expenditure unless the person has a campaign treasurer appointment on file with the proper filing authority.
- Once a person files a form appointing a campaign treasurer, the person is a candidate for disclosure filing purposes and is responsible for filing periodic reports of contributions and expenditures with the proper filing authority until the person files a “final report.”
- The candidate, not the campaign treasurer, is responsible for filing periodic reports of contributions and expenditures.
- Filing a campaign treasurer appointment does not automatically “sign you up” for a place on the ballot. The Secretary of State can provide information about getting on the ballot. Call (512) 463-5650 or (800) 252-8683.

POLITICAL CONTRIBUTIONS AND EXPENDITURES

Title 15 regulates political contributions and political expenditures. There are two types of political contributions: campaign contributions and officeholder contributions. Similarly, there are two kinds of political expenditures: campaign expenditures and officeholder expenditures.

CAMPAIGN CONTRIBUTIONS

A person makes a campaign contribution to a candidate if the person provides or promises something of value with the intent that it be used in connection with a campaign. A contribution of goods or services is an “in-kind” campaign contribution. A loan is considered to be a contribution unless it is from an incorporated financial institution that has been in business for more than a year. Candidates must report all loans made for campaign purposes, including loans that are not “contributions.”

- Donations to a candidate at a fund-raiser are campaign contributions.
- The provision of office space to a candidate is an “in-kind” campaign contribution.
- A promise to give a candidate money is a campaign contribution.
- An item donated to be auctioned at a fund-raiser is an “in-kind” campaign contribution. The purchase of the item at the auction is also a contribution.
- A campaign volunteer is making a contribution in the form of personal services. (Contributions of personal services are sometimes not required to be reported. See “Contributions of Personal Services” in this guide.)

Note: An individual may not accept a campaign contribution without an appointment of campaign treasurer on file with the proper filing authority.

CAMPAIGN EXPENDITURES

A campaign expenditure is a payment or an agreement to make a payment in connection with a campaign for an elective office.

- Paying a filing fee in connection with an application for a place on a ballot is a campaign expenditure.
- Purchasing stationery for fund-raising letters is a campaign expenditure.
- Renting a field to hold a campaign rally is a campaign expenditure.
- Paying people to put up yard signs in connection with an election is a campaign expenditure.

Note: An individual may not make a campaign expenditure unless he or she has a campaign treasurer appointment on file with the proper filing authority.

OFFICEHOLDER CONTRIBUTIONS

The provision of or a promise to provide goods or services to an officeholder that is intended to defray expenses in connection with an officeholder's duties or activities is an officeholder contribution if the expenses are not reimbursable with public money. A contribution of goods or services is an "in-kind" officeholder contribution.

A loan from an incorporated financial institution that has been in business for more than a year is not considered a contribution, but an officeholder must report any such loans made for officeholder purposes.

An officeholder is not required to have a campaign treasurer appointment on file to accept officeholder contributions. An officeholder who does not have a campaign treasurer on file may not accept *campaign* contributions.

OFFICEHOLDER EXPENDITURES

A payment or agreement to pay certain expenses in connection with an officeholder's duties or activities is an officeholder expenditure if the expenses are not reimbursable with public money.

An officeholder is not required to have a campaign treasurer appointment on file to make officeholder expenditures. An officeholder who does not have a campaign treasurer on file may not make *campaign* expenditures.

CAMPAIGN EXPENDITURES BY OFFICEHOLDER

An officeholder who has a campaign treasurer appointment on file may accept both campaign contributions and officeholder contributions and make both campaign expenditures and officeholder expenditures. On a report, there is no need for an officeholder who is a candidate to distinguish between campaign contributions and officeholder contributions or between campaign expenditures and officeholder expenditures. Both campaign contributions and officeholder contributions are reported as "political contributions" and both campaign expenditures and officeholder expenditures are reported as "political expenditures."

An officeholder who does not have a campaign treasurer on file may accept officeholder contributions and make officeholder expenditures but may not accept campaign contributions or make campaign expenditures.

PERMISSIBLE USE OF POLITICAL CONTRIBUTIONS

An officeholder may use officeholder contributions for campaign purposes if the officeholder has an appointment of campaign treasurer on file. Candidates and officeholders may not convert political contributions to personal use. See "Campaign Finance Restrictions" in this guide.

USE OF POLITICAL FUNDS TO RENT OR PURCHASE REAL PROPERTY

A candidate or officeholder is prohibited from using political funds to purchase real property or

to pay the interest on or principal of a note for the purchase of real property.

A candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Tex. Elec. Code § 253.038 (a-1). This restriction applies to a payment made from political funds on or after September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

ACCEPTING CONTRIBUTIONS

A candidate or officeholder must report contributions that he or she has *accepted*. Receipt is different from acceptance. A decision to *accept* a contribution must be made by the end of the reporting period during which the contribution is received.

Failure to make a determination about acceptance or refusal. If a candidate or officeholder fails to make a timely determination to accept or refuse a contribution by the deadline, the contribution is considered to have been accepted.

Returning refused contributions. If a candidate or officeholder receives a political contribution but does not accept it, he or she must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. Otherwise, the contribution is considered to have been accepted.

REIMBURSEMENT FOR POLITICAL EXPENDITURES FROM PERSONAL FUNDS

If a candidate or officeholder makes political expenditures from personal funds, he or she may use political contributions to reimburse himself or herself if the expenditures are properly reported either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. In order for a candidate or officeholder to use political contributions to reimburse his or her personal funds, the political expenditure from personal funds must be properly reported on the report covering the period in which the expenditures are made. *A filed report may not be later corrected to indicate an intention to reimburse personal funds from political contributions.*

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan and reimbursements to the candidate or officeholder may not exceed the amount reported as a loan. See “Campaign Expenditures from Personal Funds” in this guide for additional information.

SEPARATE ACCOUNT REQUIRED

A candidate or officeholder must keep political contributions in one or more accounts that are separate from any other account maintained by the candidate or officeholder. (There is no

requirement to keep campaign contributions in a separate account from officeholder contributions.)

RESTRICTIONS INVOLVING LOBBYING

The 2019 legislature passed House Bill 2677 to amend Chapter 305 of the Government Code and Chapter 253 of the Election Code to enact the following restrictions. Each prohibition begins on September 27, 2019. For the language of the bill, go to <https://capitol.texas.gov/tlodocs/86R/billtext/html/HB02677F.htm>.

Making Political Contributions and Direct Campaign Expenditures. Unless expressly prohibited, a lobbyist may make political contributions and direct campaign expenditures. The campaign finance law, however, generally prohibits corporations and labor organizations from making political contributions. Tex. Elec. Code § 253.094.

Section 253.006 of the Election Code prohibits a person required to register as a lobbyist under Chapter 305 of the Government Code from making political contributions or direct campaign expenditures from certain sources of funds. A person required to register as a lobbyist is prohibited from making or authorizing a political contribution to another candidate, officeholder, or political committee, or making or authorizing a direct campaign expenditure, from political contributions accepted by:

- (1) the lobbyist as a candidate or officeholder;
- (2) a specific-purpose committee that supports the lobbyist as a candidate or assists the lobbyist as an officeholder; or
- (3) a political committee that accepted a political contribution from (1) or (2), described above, during the two years immediately before the contribution or expenditure was made.

Two-Year Lobbying Prohibition After Making a Political Contribution or Direct Campaign Expenditure. Section 253.007 of the Election Code prohibits lobbying by persons who make political contributions or direct campaign expenditures from certain sources of funds. A person who makes a political contribution to another candidate, officeholder, or political committee, or makes a direct campaign expenditure, from political contributions accepted by the person as a candidate or officeholder is prohibited from engaging in activities that require registration as a lobbyist under Chapter 305 of the Government Code for two years thereafter.

However, an exception to this prohibition allows a person who does not receive compensation other than reimbursement for actual expenses to lobby on behalf of a nonprofit organization, a group of low-income individuals, or a group of individuals with disabilities.

Lobby Expenditures from Political Contributions. Section 305.029 of the Government Code prohibits certain lobby expenditures made from political contributions. A lobbyist registered under Chapter 305 of the Government Code, or a person on behalf of the lobbyist and with the lobbyist's consent or ratification, is prohibited from making a reportable lobby expenditure from a political contribution accepted by:

- (1) the lobbyist as a candidate or officeholder;

- (2) a specific-purpose committee that supports the lobbyist as a candidate or assists the lobbyist as an officeholder; or
- (3) a political committee that accepted a political contribution from (1) or (2), described above, during the two years immediately before the lobbyist made or authorized the expenditure.

INFORMATION REQUIRED ON REPORTS

CONTRIBUTIONS

A report must disclose the amount of each contribution or the value and nature of any in-kind contribution, as well as the name and address of the individual or political committee making the contribution, and the date of the contribution. (Detailed information about a contributor is not required to be reported if the contributor contributed \$100 or less during the reporting period. However, all contributions made electronically must be itemized with this information.)

PLEDGES

Promises to transfer money, goods, services, or other things of value are contributions. If a filer accepts such a promise, he or she must report it (along with the information required for other contributions) on the reporting schedule for “pledges.” Once a pledge has been received, it is reported on the appropriate receipts schedule for the reporting period in which the pledge is received. A pledge that is actually received in the same reporting period in which the pledge was accepted shall be reported only on the appropriate receipts schedule.

Note: A pledge is not a contribution unless it has been accepted.

Example 1: In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must report the pledge on his July 15 report. Juan must also report a political contribution when the pledge is actually received. (**Note:** If Juan receives the pledge during the July semiannual reporting period then he does not report the pledge and only reports a political contribution. Also, if he never receives the \$1,000, he does not amend his report to delete the entry for the pledge.)

Example 2: At a party, an acquaintance says to Juan, “I’d like to give you some money; call me at my office.” Juan agrees to call. At this point, Juan has accepted nothing and has nothing to report. Juan has not agreed to accept money; he has merely agreed to call.

LOANS

Loans made for campaign or officeholder purposes are reportable. A filer must report the amount of a loan, the date the loan is made, the interest rate, the maturity date, the type of collateral, and the name and address of the lender. The filer must also report the name, address, principal occupation, and employer of any guarantor and the amount guaranteed by the guarantor. (Detailed information is not required if a particular lender lent \$100 or less during a reporting period.) If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan. See “Campaign Expenditures from Personal

Funds” in this guide for additional information.

Note: A loan from an incorporated financial institution that has been in business for more than one year is not a contribution. Other loans are considered to be contributions. This distinction is important because of the prohibition on contributions from banks and certain other financial institutions. See “Campaign Finance Restrictions” in this guide. All loans are reported on the same schedule, regardless of whether they are contributions. Additionally, the forgiveness of a loan is a reportable in-kind contribution. See 1 Tex. Admin. Code § 20.64.

CONTRIBUTIONS OF PERSONAL SERVICES

A political contribution consisting of an individual's personal services is not required to be reported if the individual receives no compensation *from any source* for the services.

CONTRIBUTIONS OF PERSONAL TRAVEL

A political contribution consisting of personal travel expense incurred by an individual is not required to be reported if the individual receives no reimbursement for the expense.

CONTRIBUTIONS FROM OUT-OF-STATE POLITICAL COMMITTEES

There are restrictions on contributions from out-of-state political committees. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state political committee for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state political committee for purposes of these restrictions.

Contributions over \$1,010 in a reporting period. Before *accepting* more than \$1,010 in a reporting period from an out-of-state committee, a candidate or officeholder must obtain either (1) a written statement, certified by an officer of the out-of-state political committee, listing the full name and address of each person who contributed more than \$200 to the out-of-state political committee during the 12 months immediately preceding the contribution, *or* (2) a copy of the out-of-state political committee's statement of organization filed as required by law with the Federal Election Commission and certified by an officer of the out-of-state committee.

This documentation must be included with the report of contributions and expenditures for the period in which the contribution was received.

Contributions of \$1,010 or less in a reporting period. For a contribution of \$1,010 or less from an out-of-state committee in a reporting period, there is no requirement to obtain documentation *before accepting* the contribution. But there is a requirement to include certain documentation with the report of the contribution. The report must include *either* (1) a copy of the out-of-state political committee's statement of organization filed as required by law with the Federal Election Commission and certified by an officer of the out-of-state committee, *or* (2) the committee's name, address, and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address, and phone number of the committee's campaign treasurer.

EXPENDITURES

A filer must report any campaign expenditure (regardless of whether it is made from political contributions or from personal funds) and any political expenditure (campaign or officeholder) from political contributions (regardless of whether the expenditure is a political expenditure). A filer must also report unpaid incurred obligations. See “Unpaid Incurred Obligations” in this guide. If the total expenditures to a particular payee do not exceed \$200 during the reporting period, a filer may report those expenditures as part of a lump sum. Otherwise, a filer must report the date of an expenditure, the name and address of the person to whom the expenditure is made, and the purpose of the expenditure.

UNPAID INCURRED OBLIGATIONS

An expenditure that is not paid during the reporting period in which the obligation to pay the expenditure is incurred shall be reported on the Unpaid Incurred Obligations Schedule for the reporting period in which the obligation to pay is incurred.

The use of political contributions to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the appropriate disbursements schedule for the reporting period in which the payment is made.

The use of personal funds to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made.

EXPENDITURES MADE BY CREDIT CARD

An expenditure made by a credit card must be reported on the Expenditures Made to Credit Card Schedule for the reporting period in which the expenditure is made. The report must identify the vendor who receives the payment from the credit card company.

The use of political contributions to make a payment to a credit card company must be reported on the appropriate disbursements schedule for the reporting period in which the payment is made and identify the credit card company receiving the payment.

The use of personal funds to make a payment to a credit card company must be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made and identify the credit card company receiving the payment.

CAMPAIGN EXPENDITURES FROM PERSONAL FUNDS

A candidate must report all campaign expenditures, whether made from political contributions or from personal funds. In order to use political contributions to reimburse himself or herself for campaign expenditures from personal funds, the candidate must properly report the expenditures either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. If the candidate does not indicate the intention to seek reimbursement on that report, he or she may not later correct the report to permit reimbursement.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited

amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F1. The reimbursement may not exceed the amount reported as a loan. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

OFFICEHOLDER EXPENDITURES FROM PERSONAL FUNDS

An officeholder is not required to report *officeholder expenditures* made from personal funds unless he or she intends to be reimbursed from political contributions. This rule applies regardless of whether an officeholder has an appointment of campaign treasurer on file.

In order for an officeholder to use political contributions to reimburse an officeholder expenditure from personal funds, the officeholder must properly report the expenditures either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. If the officeholder does not indicate the intention to seek reimbursement, he or she may not later correct the report to permit reimbursement.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F1. The reimbursement may not exceed the amount reported as a loan. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

DIRECT EXPENDITURES

A direct campaign expenditure is “a campaign expenditure that does not constitute a campaign contribution by the person making the expenditure.” As a practical matter, a direct campaign expenditure is an expenditure to support a candidate incurred without the candidate’s prior consent or approval.

If a candidate or officeholder makes a direct campaign expenditure to support *another* candidate or officeholder, the expenditure must be included on the reporting schedule for political expenditures, and the report must indicate that the expenditure was a direct campaign expenditure.

SUPPORTING POLITICAL COMMITTEES

A political committee that accepts political contributions or makes political contributions on behalf of a candidate or officeholder is required to give the candidate or officeholder notice of that fact. The candidate or officeholder must report the receipt of such a notice on the report covering the period in which he or she receives the notice.

PAYMENTS TO A BUSINESS OF THE CANDIDATE OR OFFICEHOLDER

A candidate or officeholder is required to report payments from political funds to a business in which the candidate or officeholder has a participating interest of more than 10 percent; a position on the governing body of the business; *or* a position as an officer of a business.

A candidate or officeholder may not make a payment to such a business if the payment is for personal services rendered by the candidate or officeholder or by the spouse or dependent child of the candidate or officeholder. (Nor may a candidate or officeholder use political contributions to pay directly for such personal services.) Other payments to such a business are permissible only if the payment does not exceed the amount necessary to reimburse the business for actual expenditures made by the business. *See generally* Op. Tex. Ethics Comm'n No. 35 (1992).

A candidate or officeholder may not make or authorize a payment from political funds for the rental or purchase of real property from such a business. *See* "Use of Political Funds to Rent or Purchase Real Property" in this guide.

INTEREST EARNED AND OTHER CREDITS/GAINS/REFUNDS

A candidate or officeholder is required to disclose information regarding the following types of activity from political contributions:

- any credit, interest, rebate, refund, reimbursement, or return of a deposit fee resulting from the use of a political contribution or an asset purchased with a political contribution, the amount of which exceeds \$130;
- any proceeds of the sale of an asset purchased with a political contribution, the amount of which exceeds \$130; and
- any other gain from a political contribution, the amount of which exceeds \$130.

A candidate or officeholder must use Schedule K to report such information. Although you are not required to do so, you may also report any credit/gain/refund or interest that does not exceed \$130 in the period on this schedule. (Previously, this was an optional schedule because a candidate or officeholder was not required to report this information.) A candidate or officeholder may not use interest and other income from political contributions for personal purposes. Political expenditures made from such income must be reported on the expenditures schedule.

PURCHASE OF INVESTMENTS

A candidate or officeholder must report any investment purchased with a political contribution, the amount of which exceeds \$130. This information must be disclosed on Schedule F3 of the campaign finance report.

TOTAL POLITICAL CONTRIBUTIONS MAINTAINED

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which

political contributions are deposited as of the last day of the reporting period. The “total amount of political contributions maintained” includes: the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions; the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and the balance of political contributions accepted and held in any online fundraising account over which the filer can exercise control by making a withdrawal, expenditure, or transfer. 1 Tex. Admin. Code § 20.50.

The total amount of political contributions maintained does NOT include personal funds that the filer intends to use for political expenditures, *unless* the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

TIME OF ACCEPTING CONTRIBUTION

A filer must report the date he or she *accepts* a political contribution. The date of receipt may be different from the date of acceptance. See “Accepting Contributions” in this guide.

TIME OF MAKING EXPENDITURE

For reporting purposes, an expenditure is made when the amount of the expenditure is readily determinable. An expenditure that is not paid during the reporting period in which the obligation to pay is incurred must be reported on the reporting schedule for “Unpaid Incurred Obligations,” and then reported again on the appropriate expenditure schedule when payment is actually made. If a filer cannot determine the amount of an expenditure until a periodic bill, the date of the expenditure is the date the bill is received.

Credit Card Expenditures. For purposes of 30 day and 8 day pre-election reports, the date of an expenditure made by a credit card is the date of the purchase, not the date of the credit card bill. For purposes of other reports, the date of an expenditure made by a credit card is the date of receipt of the credit card statement that includes the expenditure. For additional information regarding how to report expenditures made by credit card, see “Expenditures Made by Credit Card” in this guide.

PREPARING REPORTS

FORMS

Reporting forms are available at <http://www.ethics.state.tx.us>. An individual who is both a candidate and an officeholder files one report for each reporting period and is not required to distinguish between campaign activity and officeholder activity.

SIGNATURE REQUIRED

The candidate or officeholder, not the campaign treasurer, must sign reports.

FILING DEADLINES

The next section of this guide explains the types of reports candidates and officeholders are required to file. Annual filing schedules are available at <http://www.ethics.state.tx.us>.

Note: Deadlines for filing reports for special elections or runoff elections will not be listed on the filing schedule. Call the Ethics Commission for specific information in these cases.

PERIODS COVERED BY REPORTS

Each report covers activity during a specific time period. Generally, a report begins where the last report ended. For a candidate's first report, the beginning date will be the date the campaign treasurer appointment was filed. For an officeholder who is appointed to an elective office and who did not have a campaign treasurer appointment on file at the time of the appointment, the beginning date for the first report will be the date the officeholder took office. Generally, there should not be gaps between the periods covered or overlapping time periods. See "Reports" below for information about filing deadlines and periods covered by reports.

DEADLINE ON WEEKEND OR HOLIDAY

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

5 P.M. DEADLINE

The deadline for filing a report is 5 p.m. on the due date.

DELIVERY BY MAIL OR OTHER CARRIER

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports. A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered filed on time.

RETENTION OF RECORDS USED FOR REPORTS

A filer must keep records of all information used to prepare a report of contributions and expenditures, including, for example, receipts or ledgers of contributions and expenditures. A filer must maintain the records for two years after the deadline for the report.

REPORTS

SEMIANNUAL REPORTS

Generally, candidates and officeholders are required to file reports of contributions and expenditures by January 15 and July 15 of each year. The reports filed on these dates are known as semiannual reports. These reports must be filed even if there is no activity to report for the period covered.

However, there is an exception to this requirement for officeholders who file with a local filing authority, do not have a campaign treasurer appointment on file, and do not accept more than \$1,010 in officeholder contributions or make more than \$1,010 in officeholder expenditures during the period covered by the report.

REPORTS DUE 30 DAYS AND 8 DAYS BEFORE AN ELECTION

An *opposed* candidate in an upcoming election must file reports of contributions and expenditures 30 days and 8 days before the election. Each of these pre-election reports must be *received* by the appropriate filing authority no later than the report due date. (A person who has elected modified reporting and who remains eligible for modified reporting is not required to file these reports. See “Modified Reporting” in this guide.)

An opposed candidate is a candidate who has an opponent whose name is printed on the ballot. If a candidate’s only opposition is a write-in candidate, that candidate is considered unopposed for filing purposes. (**Note:** A write-in candidate who accepts political contributions or makes political expenditures is subject to the reporting requirements discussed in this guide.)

The report that is due 30 days before the election covers the period that begins on the first day after the period covered by the last required report and ends the 40th day before the election. If this is a filer’s first required report, the period covered by the report begins on the day the filer filed a campaign treasurer appointment.

The report that is due 8 days before the election covers the period that begins on the first day after the period covered by the last required report and ends on the 10th day before the election.

REPORT DUE 8 DAYS BEFORE A RUNOFF ELECTION

A candidate in a runoff must file a report 8 days before the runoff election. A runoff report must be *received* by the appropriate filing authority no later than the report due date. (A candidate who has elected modified reporting and who remains eligible for modified reporting is not required to file this report. See “Modified Reporting” below.)

This report covers a period that begins either the first day after the period covered by the last required report or the day the filer filed a campaign treasurer appointment (if this is the filer’s first report of contributions and expenditures). The period covered by the runoff report ends the 10th day before the runoff election.

MODIFIED REPORTING

On the campaign treasurer appointment form, there is an option to choose modified reporting for the next election cycle. Modified reporting excuses an opposed candidate from filing reports 30 days and 8 days before an election and 8 days before a runoff. An opposed candidate is eligible for modified reporting only if the candidate does not intend to exceed either \$1,010 in contributions or \$1,010 in expenditures (excluding filing fees) in connection with an election.

If an opposed candidate selects modified reporting but exceeds a threshold before the 30th day before the election, the candidate must file reports 30 days and 8 days before the election.

If an opposed candidate selects modified reporting but exceeds the \$1,010 threshold for contributions or expenditures after the 30th day before the election, the filer must file a report within 48 hours of exceeding the threshold. (The filer must meet this deadline even if it falls on a weekend or a holiday.) At that point, the filer is no longer eligible for modified reporting and must file according to the regular filing schedule.

A selection to file on the modified reporting schedule lasts for an entire election cycle. In other words, the selection is valid for a primary, a primary runoff, and a general election (as long as the candidate does not exceed one of the \$1,010 thresholds). A candidate must submit an amended campaign treasurer appointment (FORM ACTA) to select modified reporting for a different election cycle.

“15TH DAY AFTER APPOINTMENT OF CAMPAIGN TREASURER BY AN OFFICEHOLDER” REPORT

An officeholder must file a report after filing a campaign treasurer appointment. (A report is not required after a *change* in campaign treasurers.) This report of contributions and expenditures is due no later than 15 days after the campaign treasurer appointment was filed. The report must cover the period that begins the day after the period covered by the last required report. The period ends on the day before the campaign treasurer appointment was filed. (**Note:** A person who is *appointed* to elective office may not have filed any previous reports. In that case, the beginning date for the report due 15 days after the campaign treasurer appointment is the date the officeholder took office.) The report is not required if the officeholder did not accept more than \$1,010 in contributions or make more than \$1,010 in expenditures by the end of the reporting period.

FINAL REPORT

See “Ending Filing Obligations” below.

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS

See “Ending Filing Obligations” below.

FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS REPORT

See “Ending Filing Obligations” below.

THINGS TO REMEMBER

- An officeholder must file semiannual reports for any period during which he or she is an officeholder. (There is an exception to this rule for officeholders who do not have a campaign treasurer appointment on file and who do not accept more than \$1,010 in political contributions or make more than \$1,010 in political expenditures during the period covered by the report.)
- An opposed candidate in an election must file reports of contributions and expenditures 30 days and 8 days before the election, unless the candidate has selected (and remains eligible for) modified reporting. An opposed candidate who has not selected modified reporting must also file a report 8 days before a runoff election. A report due 30 days before an election and a report due 8 days before an election must be received by the appropriate filing authority no later than the report due date.
- An unopposed candidate is not required to file reports 30 days before an election or 8 days before an election but is required to file semiannual reports.
- A candidate who selects modified reporting must file semiannual reports.

A filer who selects modified reporting for one election cycle will be required to file on the regular reporting schedule for the next election cycle unless the filer submits an amended campaign treasurer appointment selecting modified reporting for the next election cycle.

ENDING FILING OBLIGATIONS

FINAL REPORT

If a filer expects to accept no further political contributions and to make no further political expenditures and if the filer expects to take no further action to get elected to a public office, the filer may file a final report. Filing a final report terminates a filer's campaign treasurer appointment and relieves the filer from any additional filing obligations *as a candidate*. (Note: A candidate who does not have a campaign treasurer appointment on file may still be required to file a personal financial statement in accordance with Chapter 572 of the Government Code or Chapter 159 of the Local Government Code.) If the filer is an officeholder, the filer will still be subject to the filing requirements applicable to officeholders. A filer who is not an officeholder at the time of filing a final report *and* who has surplus political funds or assets will be required to file annual reports of unexpended contributions and a report of final disposition of unexpended contributions. See "Annual Report of Unexpended Contributions" and "Report of Final Disposition of Unexpended Contributions" below.

A filer who intends to continue accepting contributions to pay campaign debts should *not* terminate his or her campaign treasurer appointment. An individual must have a campaign treasurer appointment on file to accept contributions to offset campaign debts or to pay campaign debts.

Terminating a campaign treasurer appointment does not relieve a filer of responsibility for any delinquent reports or outstanding civil penalties.

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS

The following individuals must file annual reports of unexpended contributions:

- a former officeholder who did not have a campaign treasurer appointment on file at the time of leaving office and who retained any of the following after filing his or her last report: political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions.
- a former candidate (a person who previously had a campaign treasurer appointment on file) who was not an officeholder at the time of filing a final report and who retained any of the following at the time of filing a final report: political contributions, interest or other income from political contributions, or assets purchased with political contributions.

Annual reports are due not earlier than January 1 and not later than January 15 of each year. An annual report (FORM C/OH-UC) must contain the following information: (1) information about expenditures from or disposition of surplus funds or assets; (2) the amount of interest or other income earned on surplus funds during the previous year; and (3) the total amount of surplus funds and assets at the end of the previous year.

The obligation to file annual reports ends when the former candidate or officeholder files a report of final disposition of unexpended contributions.

REPORT OF FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS

A former candidate or former officeholder who has disposed of all surplus funds and assets must file a report of final disposition of unexpended contributions. This report may be filed as soon as all funds have been disposed of.

A former candidate or former officeholder has six years from the date of filing a final report or leaving office (whichever is later) to dispose of surplus funds and assets. The latest possible date for filing a report of unexpended contributions is 30 days after the end of that six-year period.

At the end of the six-year period, a former candidate or officeholder *must* dispose of surplus assets or funds in one of the following ways:

- The former candidate or officeholder may give them to the political party with which he or she was affiliated when last on the ballot;
- The former candidate or officeholder may contribute them to a candidate or a political committee. (This triggers a requirement to file a report of the contribution.);
- The former candidate or officeholder may give them to the comptroller for deposit in the state treasury to be used to finance primary elections;

- The former candidate or officeholder may give them to one or more contributors, but the total returned to any person may not exceed the aggregate amount accepted from that person during the last two years during which the former candidate or officeholder accepted political contributions;
 - The former candidate or officeholder may give them to certain charitable organizations; or
 - The former candidate or officeholder may give them to a public or private post-secondary educational institution or an institution of higher education as defined by section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.
-

THINGS TO REMEMBER

- Anyone who has an appointment of campaign treasurer on file must file periodic reports of campaign contributions and expenditures.
 - An individual who expects no further reportable activity in connection with his or her candidacy, files a final report and thereby terminates his or her campaign treasurer appointment. (Note: A candidate who does not have a campaign treasurer appointment on file may still be required to file a personal financial statement in accordance with Chapter 572 of the Government Code or Chapter 159 of the Local Government Code.)
 - An officeholder may be required to file semiannual reports even if he or she does not have a campaign treasurer appointment on file. A local officeholder who has not accepted more than \$1,010 in contributions or made more than \$1,010 in expenditures in a semiannual period since terminating his or her campaign treasurer appointment is not required to file a semiannual report for that period.
-

PENALTIES FOR REPORTING VIOLATIONS

Any citizen may file a criminal complaint with the district attorney, a civil complaint with the Ethics Commission, or a civil action against a candidate or officeholder for violations of Title 15. Any penalty stemming from such complaints would be assessed against *the candidate or officeholder*, not the campaign treasurer.

CAMPAIGN FINANCE RESTRICTIONS

Chapter 253 of the Election Code contains a number of restrictions regarding the acceptance and use of political contributions, including the following:

1. An individual may not accept a campaign contribution or make a campaign expenditure (including a campaign expenditure from personal funds) without a campaign treasurer appointment on file. Tex. Elec. Code § 253.031. An officeholder may accept officeholder contributions and make officeholder

- expenditures regardless of whether he or she has a campaign treasurer appointment on file.
2. Political contributions from labor organizations and from most corporations are prohibited. Tex. Elec. Code § 253.091, *et seq.* Partnerships that include one or more corporate partners are subject to the prohibition.
 3. Certain documentation must be obtained in order to accept contributions from an out-of-state political committee. Tex. Elec. Code § 253.032. See “Contributions from Out-of-State Political Committees” in this guide.
 4. Cash contributions of more than \$100 in the aggregate from one contributor in a reporting period are prohibited. (Here “cash” means coins and currency, not checks.) Tex. Elec. Code § 253.033.
 5. The use of political contributions to purchase real property is prohibited. There is also a restriction on the use of political funds to rent or purchase real property from a person related to the candidate or officeholder within the second degree of consanguinity or affinity or from a business in which the candidate or officeholder or such a relative has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Tex. Elec. Code § 253.038.
 6. Texas law does not allow anonymous contributions. Also, reports must disclose the actual source of a contribution, not an intermediary. Tex. Elec. Code § 253.001.
 7. Personal use of political contributions is prohibited. Tex. Elec. Code § 253.035.
 8. A candidate or officeholder may not use political contributions to pay for personal services rendered by the candidate or officeholder or by the spouse, or dependent children of the candidate or officeholder. There are also restrictions of a candidate’s or officeholder’s use of political contributions to make payments to a business in which the candidate or officeholder holds a participating interest of more than 10 percent, a position on the governing body of the business, or a position as an officer of the business. See to Op. Tex. Ethics Comm’n No. 35 (1992) (regarding the combined effect of this prohibition and the prohibition on corporate contributions). Tex. Elec. Code § 253.041.

There are restrictions on the use of political contributions to reimburse political expenditures from personal funds. See “Reimbursement for Political Expenditures from Personal Funds,” in this guide.

9. A candidate, officeholder, or political committee may not accept political contributions in the Capitol, the Capitol Extension, or a courthouse. “Courthouse” means any building owned by the state, a county, or a municipality, or an office or part of a building leased to the state, a county, or a municipality, in which a justice or judge sits to conduct court proceedings. Tex. Elec. Code § 253.039.
10. A person required to register as a lobbyist is prohibited from making or authorizing a political contribution to another candidate, officeholder, or political committee, or

- making or authorizing a direct campaign expenditure, from political contributions accepted by: (1) the lobbyist as a candidate or officeholder; (2) a specific-purpose committee that supports or assists the lobbyist as a candidate or officeholder; or (3) a political committee that accepted a political contribution from (1) or (2), described above, during the two years immediately before the contribution or expenditure was made. Tex. Elec. Code § 253.006.
11. A person who makes a political contribution to another candidate, officeholder, or political committee, or makes a direct campaign expenditure, from political contributions accepted by the person as a candidate or officeholder is prohibited from engaging in activities that require registration as a lobbyist for two years thereafter. This does not apply to a person who does not receive compensation other than reimbursement for actual expenses to lobby on behalf of a nonprofit organization, a group of low-income individuals, or a group of individuals with disabilities. Tex. Elec. Code § 253.007.
 12. A registered lobbyist, or a person on behalf of the lobbyist and with the lobbyist's consent or ratification, is prohibited from making a reportable lobby expenditure from a political contribution accepted by: (1) the lobbyist as a candidate or officeholder; (2) a specific-purpose committee that supports or assists the lobbyist as a candidate or officeholder; or (3) a political committee that accepted a political contribution from (1) or (2), described above, during the two years immediately before the lobbyist made or authorized the expenditure. Tex. Gov't Code § 305.029.
 13. Federal law generally prohibits the acceptance of contributions from foreign sources. Contact the Federal Election Commission for more detailed information.

TEXAS ETHICS COMMISSION
2023 FILING SCHEDULE FOR REPORTS DUE IN CONNECTION WITH
ELECTIONS HELD ON UNIFORM ELECTION DATES

This is a filing schedule for reports to be filed in connection with elections held on uniform election dates in May and November. Examples of elections held on uniform election dates are elections for school board positions and city offices. The uniform election dates in 2023 are May 6 and November 7.

Candidates and officeholders must file semiannual reports (due on January 17, 2023, and July 17, 2023). In addition, a candidate who has an opponent on the ballot in an election held on a uniform election date must file two pre-election reports (unless the candidate has elected modified reporting).

The campaign treasurer of a political committee that is involved in an election held on a uniform election date must also file pre-election reports (unless the committee is a general-purpose political committee that files monthly or a specific-purpose political committee that files on the modified reporting schedule). This schedule sets out the due dates for pre-election reports in connection with elections on uniform election dates. Please consult the 2023 REGULAR FILING SCHEDULE FOR GENERAL-PURPOSE POLITICAL COMMITTEES (GPAC), COUNTY EXECUTIVE COMMITTEES (CEC), AND SPECIFIC-PURPOSE POLITICAL COMMITTEES (SPAC) for a complete listing of political committee deadlines.

Candidates for and officeholders in local offices regularly filled at the general election for state and county officers (the November election in even-numbered years) should use the 2023 FILING SCHEDULE FOR CANDIDATES AND OFFICEHOLDERS FILING WITH THE COUNTY CLERK OR ELECTIONS ADMINISTRATOR.

EXPLANATION OF THE FILING SCHEDULE CHART

COLUMN I: REPORT DUE DATE - This is the date by which the report must be filed. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day. This schedule shows the extended deadline where applicable. A report transmitted to the Texas Ethics Commission over the Internet is considered timely filed if it is transmitted *by midnight, Central Time Zone, on the night of the filing deadline*. For most filing deadlines, a report filed on paper is considered timely filed if it is deposited with the U.S. Post Office or a common or contract carrier properly addressed with postage and handling charges prepaid, or hand-delivered to the filing authority by the filing deadline. **Pre-Election Reports:** A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered timely filed.

COLUMN II: TYPE OF REPORT (WHO FILES) - This column gives the report type and explains which reporting form to use and which filers are required to file the report.

COLUMN III: BEGINNING DATE OF PERIOD COVERED - This column sets out the beginning date of the time period covered by the report. Use the latest one of the applicable dates. The "date of campaign treasurer appointment" is the beginning date only for the *first* report filed after filing a campaign treasurer appointment. For officeholders recently appointed to an elective office, the beginning date for the first report will be the date the officeholder took office, provided that he or she was not already filing as an officeholder or candidate at the time of the appointment. (*NOTE: If you are ever confused about the beginning date for a required report, remember this rule: **There should never be gaps between reporting periods and, generally, there should not be overlaps.***)

COLUMN IV: ENDING DATE OF PERIOD COVERED - This column sets out the ending date of the time period covered by the report. The report must include reportable activity occurring on the ending date.

Please consult the CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES or the CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES for further information.

For a report that includes activity occurring before January 1, 2022, you must use the instructions applicable before calendar year 2022, which are available on the Texas Ethics Commission's website at <https://www.ethics.state.tx.us/forms/coh/cohfrm.php>.

IMPORTANT UPDATES

Increased Disclosure Thresholds

On January 1, 2020, the Texas Ethics Commission began adjusting certain reporting thresholds to account for inflation. As directed by section 571.064 of the Texas Election Code, the Commission is required to annually adjust these thresholds upward to the nearest multiple of \$10 in accordance with the percentage increase for the previous year in the Consumer Price Index for Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor. Accordingly, one or more thresholds will generally be adjusted each year, depending upon the figures in the index.

These changes will be made effective January 1st of each calendar year; the affected numbers and corresponding new thresholds are located in 1 T.A.C. §18.31, which can be found here: <https://www.ethics.state.tx.us/rules/>. The higher itemization thresholds will be reflected on the paper forms and in these instructions, as applicable.

Please verify that you are using the correct thresholds and forms that apply to your filing. For example, if you are filing a campaign finance report or lobby activities report that is due in January of 2021, you must use the forms and instructions that are applicable to the period ending December 31, 2020.

Contributions Made Electronically Must Be Itemized

Beginning on September 1, 2019, all political contributions that are made electronically and accepted by a filer during the reporting period must be itemized in the filer's campaign finance report. This change is made by House Bill 2586, adopted by the 86th Texas Legislature.

ELECTRONIC FILING

All persons filing campaign finance reports with the Texas Ethics Commission (Commission) are required to file those reports electronically unless the person is eligible to claim an exemption. Please check the Commission's website at <https://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirement.

FILLING OUT THE FORMS

All reports filed on paper must be either handwritten in ink or typewritten. If you complete the report by hand, please print everything other than your signature.

If you are filing with the Commission, and you are eligible to claim an exemption to electronic filing, *you may use your own computer-generated form* if it provides for disclosure of all the information required on the Commission's form and it is *substantially identical* in paper size, color, layout, and format. A substitute form that is substantially identical to the Commission's prescribed form must be submitted for pre-approval by the Commission's executive director.

Always file the cover sheet of the campaign finance report form. You need to file only those schedules on which you have information to report.

You must keep an exact copy of each report filed and all records necessary to complete the report for at least two (2) years after the deadline for filing the report.

If you have questions, please call our office at (512) 463-5800.

TEXAS ETHICS COMMISSION GUIDES

The Commission publishes a Campaign Finance Guide for each type of filer. These guides are designed to explain your responsibilities as a filer. The Commission encourages you to read the appropriate guide before you begin accepting political contributions or making or authorizing political expenditures.

PHOTOCOPIES OF FORMS

You may use photocopies of Commission forms. For example, if the space provided on Schedule A1 is insufficient, you may make copies of a blank Schedule A1 form and attach more pages as needed.

FILING DATE

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports: A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date.

If you are filing with the Commission, please address your reports and correspondence to the Texas Ethics Commission, P.O. Box 12070, Austin, Texas 78711-2070. For hand-deliveries, the Commission's street address is 201 East 14th Street, Sam Houston Building, 10th Floor, Austin, Texas 78701.

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

FORM C/OH: CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT

These instructions are for the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (Form C/OH). A complete report includes the Form C/OH cover sheet, and any of the following schedules on which there is information to report: A1, A2, B, E, F1, F2, F3, F4, G, H, I, K, and T. A complete Final Report must also include Form C/OH-FR.

Note: Judicial candidates and officeholders must use a different form, Form JC/OH.

GENERAL INFORMATION

Use Form C/OH for filing the following reports:

- Semiannual reports (January 15 and July 15)
- Pre-election reports (30th day before election, 8th day before election)
- Runoff report (8th day before runoff election)
- Exceeded Modified Reporting Limit report
- 15th day after officeholder campaign treasurer appointment
- Final Report

See the instructions for sections 9 and 10 of the Cover Sheet for help in deciding which reports you are required to file.

OFFICEHOLDER ACTIVITY

An officeholder may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. However, an officeholder must have a campaign treasurer appointment on file before the officeholder may make campaign expenditures or accept campaign contributions.

DUTIES OF CANDIDATE OR OFFICEHOLDER

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

DUTIES OF CAMPAIGN TREASURER

State law does not impose any reporting or record-keeping obligations on a candidate's campaign treasurer.

WHERE TO FILE

This form is filed with the same filing authority with which you were required to file your Campaign Treasurer Appointment (Form CTA). If you are an officeholder who does not have a campaign treasurer appointment on file, file your reports with the same authority with which a candidate for your office must file the campaign treasurer appointment.

FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a Final Report of contributions and expenditures. A Final Report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports *as a candidate*. If you are an officeholder at the time of filing a Final Report, you may be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$940 in contributions or expenditures during the reporting period.

If you are not an officeholder at the time of filing a Final Report *and* if you have surplus funds or retain assets purchased with political funds, you will be required to file annual reports of Unexpended Contributions. (*See instructions for Form C/OH-UC.*)

To file a Final Report, you must complete the “C/OH CAMPAIGN FINANCE REPORT” (Form C/OH), check the “final” box in section 9 on the Cover Sheet, and complete and attach the “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH- FR).

COMPLETING THE COVER SHEET

Each numbered item in these instructions corresponds to the same numbered item on the form.

January 15 Report: All candidates and most officeholders must file a semiannual report by January 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, **and** who do not exceed \$940 in contributions or expenditures during the reporting period.

All candidates and officeholders who file with the Commission must file this report by midnight Central Time on the January 15 report due date. All candidates and officeholders who file locally must file this report by 5 p.m. on the January 15 report due date.

Note: Anyone who has a campaign treasurer appointment (Form CTA) on file must file semiannual reports, even after an election has ended and even if the filer lost the election. To end this semiannual filing requirement, the filer must cease campaign activity and file a Final Report. (See “Final Report” below for more information.)

July 15 Report: All candidates and most officeholders must file a semiannual report by July 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$940 in contributions or expenditures during the reporting period.

See “January 15 Report” above for more information on filing requirements and deadlines for semiannual reports.

30th Day Before Election Report: Opposed candidates in an election who did not choose the modified reporting schedule must file this pre-election report. If an opposed candidate chose modified reporting, but then exceeded a threshold before the 30th day before the election, the candidate must file this report.

The report is due no later than 30 days before the election. For all candidates and officeholders who file with the Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

You are an “opposed” candidate if you have an opponent, including a minor party candidate, whose name is printed on the ballot. If your only opposition is a write-in candidate, you are not considered opposed for filing purposes. If you are a write-in candidate, you are an “opposed” candidate subject to the reporting requirements if you accept political contributions or make political expenditures. Candidates who are unopposed in an election are not required to file pre-election reports for that election.

8th Day Before Election Report: Opposed candidates in an election who did not choose the modified reporting schedule must file this pre-election report. If an opposed candidate chose modified reporting but then exceeded a threshold before the 8th day before the election, the candidate must file this report.

The report is due no later than 8 days before the election. For all candidates and officeholders who file with the Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

See “30th Day Before Election Report” above for the definition of an opposed candidate.

Runoff Report: Opposed candidates who are participating in a runoff election and who did not choose the modified reporting schedule must file this runoff report. The report is due no later than 8 days before the runoff election. For all candidates and officeholders who file with Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file

locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

See “30th Day Before Election Report” above for the definition of an opposed candidate.

Exceeded Modified Reporting Limit Report: Candidates who chose to file under the modified reporting schedule but then, after the 30th day before the election, exceeded \$940 in contributions or \$940 in expenditures in connection with the election must file this Exceeded Modified Reporting Limit report within 48 hours after exceeding the \$940 limit. The candidate must meet this deadline even if it falls on a weekend or a holiday.

15th Day After Campaign Treasurer Appointment Report (Officeholders Only): An officeholder must file this report if he or she appoints a campaign treasurer after a period of not having a campaign treasurer appointment (Form CTA) on file. For all officeholders who file with Commission, this report is due no later than midnight Central Time on the 15th day after an officeholder files Form CTA with the Commission. For all officeholders who file locally, this report is due no later than 5 p.m. on the 15th day after an officeholder files Form CTA with the filing authority. It is not required of officeholders who are merely changing their campaign treasurer. It is not required of an officeholder who files locally if the officeholder did not exceed \$940 in either contributions or expenditures during the period covered by the report. Candidates who are not officeholders do not file this report.

Final Report: A person who has a campaign treasurer appointment on file may file this report when he or she does not expect to accept any further campaign contributions or make or authorize any further campaign expenditures. There is not a fixed deadline for this report. This report must have a completed “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH-FR) attached.

A candidate must have a CTA on file to accept campaign contributions or make campaign expenditures, including contributions intended to offset campaign debts or expenditures made to pay campaign debts. A candidate who intends to continue campaign activity should not file a Final Report.

A Final Report terminates a candidate’s CTA and relieves the candidate from any additional filing obligations as a candidate. Officeholders who file a Final Report will still be subject to the filing requirements applicable to officeholders. A person who is not an officeholder but who has surplus political funds or assets after filing a Final Report will be required to file annual Unexpended Contribution reports. (See “Form C/OH-FR: Designation of Final Report” for more information.) A candidate or officeholder who does not have a CTA on file may still be required to file a personal financial statement (PFS).

Filing a Final Report does not relieve a candidate of responsibility for any delinquent reports or outstanding civil penalties.

Daily Pre-Election Report of Contributions: A candidate or officeholder who files with the Commission may be required to file daily pre-election reports disclosing contributions during the period beginning the 9th day before an election and ending at 12 noon on the day before the election. This information can be disclosed on Form C/OH-T. For more information, please see the instructions for Form C/OH-T.

Legislative Special Session Report: A candidate or officeholder who files with the Commission and who accepts a political contribution during the period beginning on the date the governor signs the proclamation calling a special legislative session and continuing through the date of final adjournment is required to file a report after a special session of the legislature. This information can be disclosed on Form C/OH-SS. For more information, please see the instructions for Form C/OH-SS.

- 10. PERIOD COVERED:** A reporting period includes the start date and the end date. The *due date* for filing will generally be *after* the end of the period. Generally, a report picks up where the last report left off, and there should be no gaps or overlapping periods. The exceptions are Daily Pre-election reports, which do create overlaps because you are required to report the activity twice.

First Reports: If this is the first report of contributions and expenditures that you have filed, the beginning date will depend on the date your campaign treasurer appointment (Form CTA) was filed or the date you took office.

- If you are a candidate (a person who has filed a Form CTA) and you are filing your first report, the start date will be the date your Form CTA was filed.
- If you are an officeholder who was appointed to an elective office and who did not have a Form CTA on file at the time of the appointment, the start date for your first report will be the date you took office.

January 15th Semiannual Report: The start date is July 1 of the previous year or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the “First Reports” section above. The end date is December 31 of the previous year.

30th Day Before Election Report: The start date is the day after the last day covered by your last required report. If this is the first report you have filed, please see the “First Reports” section above. The end date is the 40th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

8th Day Before Election Report: The start date is the 39th day before the election if you filed a 30th Day Before Election Report. If you did not file the 30th Day Before Election Report, the day after the last day covered by your last required report is the start date. If this is the first report you have filed, please see the “First Reports” section above. The end date is the 10th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

Runoff Report: The start date is the 9th day before the main election if you filed an 8th Day Before Election Report. Otherwise, the start date is the day after the last day covered by your last required report or the day you appointed a campaign treasurer,

whichever is later. The end date is the 10th day before the runoff election. This report is not required for candidates who are filing under the modified reporting schedule.

Exceeded Modified Reporting Limit Report: The start date for the report is either the day you appointed your campaign treasurer or the day after the last day covered by your last required report, whichever is later. The end date is the day you exceeded the \$940 limit for contributions or expenditures.

15th Day After Campaign Treasurer Appointment Report (Officeholders Only): The start date is either the day after the last day covered by your last required report or the day you began serving an appointment to elective office. The end date is the day before the campaign treasurer appointment was filed. This report is due no later than 15 days after the campaign treasurer appointment was filed.

Final Report: The start date is the day after the last day covered by your last required report. The end date is the day the final report is filed.

If you are an officeholder without a campaign treasurer appointment on file, or if you have a campaign treasurer appointment on file but you are not a candidate in an upcoming election and were not a candidate in a recent election, you may skip Section 11.

1. **TOTAL PAGES SCHEDULE A1:** After you have completed Schedule A1, count the total number of pages. Each side of a two-sided form counts as one page.
2. **FILER NAME:** Enter your full name.
3. **FILER ID:** See instructions for Cover Sheet, page 1, section 1.
4. **DATE:** Enter the date you *accepted* the contribution. Accepting a contribution is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution.
5. **FULL NAME OF CONTRIBUTOR:** Enter the full name of the contributor. If the contributor is an individual, enter the full first and last name, and suffix (Jr., III, etc.) if applicable. If the contributor is an entity, enter the full name of the entity.

“Out-of-State PAC” box: If the contributor is an out-of-state political committee, check the box. Certain restrictions apply to contributions from out-of-state PACS. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

If the contributor is an out-of-state political committee from which you accepted more than \$940 in the reporting period (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a written statement, certified by an officer of the out-of-state political committee, listing the full name and address of each person who contributed more than \$190 to the out-of-state political committee during the 12 months immediately preceding the contribution; *or*
- a copy of the out-of-state political committee's statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee.

If the contributor is an out-of-state political committee from which you accepted \$940 or less (including pledges) during the reporting period, you must include one of the following with your report:

- a copy of the out-of-state political committee's statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee; *or*
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

"ID #" Line (Electronic Filing Only): If you are filing your report electronically, you may enter in this field the out-of-state committee's Federal Election Commission (FEC) identification number. If you do not have an FEC # for the out-of-state PAC or are not filing electronically with the Commission, you must provide other documentation as explained above.

- 6. CONTRIBUTOR ADDRESS:** Enter the complete address of the contributor.
- 7. AMOUNT OF CONTRIBUTION:** Enter the amount of the contribution.
- 8. PRINCIPAL OCCUPATION OR JOB TITLE:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$940 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.
- 9. EMPLOYER:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the employer of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$940 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

SCHEDULE A2: NON-MONETARY (IN-KIND) POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE A2: NON-MONETARY (IN-KIND) POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about non-monetary, in-kind campaign and officeholder contributions received during the reporting period. An in-kind contribution is a contribution of goods, services, or any other thing of value ***other than money*** that is given to your campaign. You are not required to include contributions of an individual's personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on monetary political contributions, pledges, loans, or guarantees of loans. Once you actually receive a pledged in-kind contribution, it must be reported on Schedule A2. (Report monetary contributions on Schedule A1; report pledges on Schedule B; report loans and guarantees of loans on Schedule E.)

Itemization: You must enter non-monetary (in-kind) contributions of goods, services, or other things of value that exceed \$90 from one person, and any non-monetary contribution made electronically, during a reporting period on this schedule. If you accepted two or more non-monetary contributions from the same person, the total of which exceeds \$90, enter each contribution separately. Although you are not required to do so, you may also report contributions from one person that do not exceed \$90 in the period on this schedule. If you do not itemize contributions of \$90 and less on this schedule, you must total all such contributions and report them on the Cover Sheet, page 2, section 17, line 1.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. **TOTAL PAGES SCHEDULE A2:** After you have completed Schedule A2, count the total number of pages. Each side of a two-sided form counts as one page.
2. **FILER NAME:** Enter your full name.
3. **FILER ID:** See instructions for Cover Sheet, page 1, section 1.
4. **TOTAL OF UNITEMIZED IN-KIND POLITICAL CONTRIBUTIONS:** Enter the total amount of in-kind political contributions of \$90 or less that you accepted during the period covered that are not itemized on this schedule. If you choose to itemize an in-kind contribution of \$90 or less on this schedule, do not include it in this total. All contributions made electronically must be itemized.
5. **DATE:** See instructions for Schedule A1, section 4.

 "Out-of-State PAC" box: See instructions for Schedule A1, section 5.
7. **CONTRIBUTOR ADDRESS:** Enter the complete address of the contributor.

- 9. IN-KIND CONTRIBUTION DESCRIPTION:** Enter a description of the contribution. The description should be sufficiently detailed to allow a person reviewing your report to understand what was contributed.

“Travel Outside of Texas” box: If the contribution was for travel outside of Texas, please check the box and *report this information on Schedule T.*

- 10. PRINCIPAL OCCUPATION OR JOB TITLE:** See instructions for Schedule A1, section 8.

- 11. EMPLOYER:** See instructions for Schedule A1, section 9.

Sections 12-16 pertain to judicial candidates and officeholders only. Do not complete these sections. If you are a judicial candidate or officeholder, please use form JC/OH and the corresponding instructions.

SCHEDULE B: PLEDGED CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE B: PLEDGED CONTRIBUTIONS.

Use this schedule to disclose information about pledges accepted during the reporting period for campaign or officeholder purposes. You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on contributions actually received, loans, or guarantees of loans. (Report contributions actually received on Schedule A1 or Schedule A2, as applicable; report loans and guarantees of loans on Schedule E.)

If you accept a pledge from a person to give you money, goods, services, or anything of value, that pledge is a reportable contribution and you must include the pledge on this schedule for the report covering the period in which you accept the pledge.

Itemization: You must itemize pledges that exceed \$90 in the aggregate from one person during the reporting period. If you received pledges totaling more than \$90 from one person during the reporting period, you must itemize all of those pledges, even if individual pledges were for \$90 or less. Although you are not required to do so, you may also itemize pledges for \$90 or less from one person. You must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary contributions), as applicable, in the reporting period in which you actually receive the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is not required to be reported on Schedule B.

Note: See the Campaign Finance Guide for more information on pledges.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. **TOTAL PAGES SCHEDULE B:** After you have completed Schedule B, count the total number of pages. Each side of a two-sided form counts as one page.
2. **FILER NAME:** Enter your full name.
3. **FILER ID:** See instructions for Cover Sheet, page 1, section 1.
4. **TOTAL OF UNITEMIZED PLEDGES:** Enter the total amount of pledges that you accepted during the period that did not exceed \$90 in the aggregate per person. Although you are not required to do so, you may also itemize pledges of \$90 or less on this schedule. If you itemize some pledges of \$90 or less, do not include those pledges in the total entered here. If you choose to itemize all pledges of \$90 or less, do not enter a total amount here.
5. **DATE:** Enter the date you *accepted* the pledge. Accepting a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it.

Pledge accepted and received in different reporting periods: If you accept a pledge in one reporting period and then receive the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in

the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (report monetary contributions on Schedule A1; report in-kind contributions on Schedule A2; report loans on Schedule E) in the reporting period in which you received the pledge.

Pledge received in same reporting period as accepted: If you receive a pledge in the same reporting period in which it was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (report monetary contributions on Schedule A1; report in-kind contributions on Schedule A2; report loans on Schedule E). The date of the contribution will be the date you accepted the pledged contribution, regardless of when the pledged contribution was actually received.

Pledge accepted but never received: You will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. If you never actually receive the pledge, it is not necessary to correct your report to delete the pledge.

Example: In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

6. **FULL NAME OF PLEDGOR:** Enter the full name of the person who made the pledge.

“Out-of-State PAC” box: See instructions for Schedule A1, section 5.

7. **PLEDGOR ADDRESS:** Enter the complete address of the person who made the pledge.

8. **AMOUNT OF PLEDGE:** Enter the amount of the pledge or the fair market value of any pledged goods or services or other thing of value, as applicable.

9. **IN-KIND DESCRIPTION:** If the pledge was for goods or services or any other thing of value, enter a description of the pledged goods or services or other thing of value. The description should be sufficiently detailed to allow a person reviewing your report to understand what was pledged.

“Travel Outside of Texas” box: If the pledged contribution was an in-kind contribution for travel outside of Texas, please check the box and *report this information on Schedule T*.

10. **PRINCIPAL OCCUPATION OR JOB TITLE:** See instructions for Schedule A1, section 8.

11. **EMPLOYER:** See instructions for Schedule A1, section 9.

You do not need Schedules C1-4 and D. These schedules are for political committees to report contributions from corporations and labor organizations. Candidates and officeholders are generally prohibited from accepting such contributions.

SCHEDULE E: LOANS

These instructions are for candidates and officeholders using SCHEDULE E: LOANS.

Use this schedule to disclose information about loans and guarantees of loans accepted during the reporting period for campaign or officeholder purposes. This schedule must also be used to disclose deposits of personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. This schedule may also be used to disclose political expenditures from personal funds.

Loans to Your Campaign from Your Personal Funds: You may disclose political expenditures from personal funds as a loan to your campaign on Schedule E. Outgoing political expenditures made from that loan must then be disclosed as if they were made from political contributions. The amount you disclose as a loan from yourself in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from your personal funds in the reporting period was \$5,000. When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1. The reimbursement may not exceed the amount disclosed as a loan. (You may also disclose political expenditures from personal funds on Schedule G. See the Schedule G instructions below for more information.)

Personal Funds Deposited into a Political Account: If you deposit personal funds in an account in which political contributions are held, you must disclose the deposited amount as a loan on Schedule E and check the box indicating "Personal Funds Deposited into Political Account." Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction. Disclose the outgoing political expenditures made from that loan as if they were made from political contributions. When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1. The reimbursement may not exceed the amount disclosed as a loan.

Itemization: You must itemize loans (including loans from personal funds) that exceed \$90 that you accepted during the period from one person. If you accepted two or more loans from the same person, the total of which exceeds \$90, itemize each loan separately. You must also itemize loans that are made electronically by a person other than a financial institution. Although you are not required to do so, you may also itemize any other loans that do not exceed \$90.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. **TOTAL PAGES SCHEDULE E:** After you have completed Schedule E, count the total number of pages. Each side of a two-sided form counts as one page.
2. **FILER NAME:** Enter your full name.
3. **FILER ID:** See instructions for Cover Sheet, page 1, section 1.

4. **TOTAL OF UNITEMIZED LOANS:** Enter the total amount of loans accepted during the reporting period that did not exceed \$90 in the aggregate per person and were not from financial institutions, unless the loans were made electronically.

Although you are not required to do so, you may itemize loans of \$90 or less from persons other than financial institutions on this schedule. If you itemize some loans of \$90 or less, do not include those loans in the total you enter here. If you choose to itemize all loans of \$90 or less, enter a "0" here.

5. **DATE OF LOAN:** Enter the date you *accepted* the loan.
6. **IS LENDER A FINANCIAL INSTITUTION?:** If you accepted the loan from a corporation that has been legally engaged in the business of making loans for more than one year, circle "Y" for yes. If you accepted the loan from any other source, circle "N" for no. A loan from a corporation that has not been legally engaged in the business of making loans for more than one year is a corporate contribution. Candidates and officeholders may not accept corporate contributions.
7. **NAME OF LENDER:** Enter the full name of the person or financial institution that made the loan. If the lender is an individual, enter the full first and last name and suffix (Jr., III, etc.) if applicable. If the lender is an entity, enter the full name of the entity.

"Out-of-State PAC" box: See instructions for Schedule A1, section 5.

Note: See the Campaign Finance Guide for detailed information on accepting and reporting contributions from out-of-state political committees.

8. **LENDER ADDRESS:** Enter the complete address of the person or financial institution that made the loan.

10. **INTEREST RATE:** Enter the interest rate.
11. **MATURITY DATE:** Enter the maturity date.
12. **PRINCIPAL OCCUPATION OR JOB TITLE:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of each individual from whom the candidate or officeholder has accepted a loan (including a pledge of a loan) of \$940 or more during the reporting period. Other types of filers are not required to report this information but may do so.
13. **EMPLOYER:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the full name of the employer of an individual from whom the candidate or officeholder has accepted a loan (including a pledge of a loan) of \$940 or more during the reporting period. Other types of filers are not required to report this information but may do so.

- 14. DESCRIPTION OF COLLATERAL:** If there is no collateral for the loan, check the “none” box and go to section 15. If there is collateral for the loan, enter a description of the collateral for the loan.
- 15. “Check if personal funds were deposited into political account” box:** Check this box *only if* the loan is a deposit of your personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported as if they were made from political contributions. The reimbursement may not exceed the amount reported as a loan. Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.
- 16. GUARANTOR INFORMATION:** If there are no guarantors for the loan, check the “Not Applicable” box and go to the next loan. If you have no further loans to report, go to the next applicable schedule.
- A person who guarantees all or part of a loan makes a reportable contribution in the amount of the guarantee. You must report such a contribution on this schedule, and not on the contributions schedule.
- 17. NAME OF GUARANTOR:** Enter the full name of the person guaranteeing the loan. If the guarantor is an individual, enter the full first and last name and suffix (Jr., III, etc.) if applicable. If the guarantor is an entity, enter the full name of the entity.

SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about political expenditures from political contributions that were made during the reporting period. Do not enter on this schedule unpaid incurred obligations, political expenditures made from personal funds, the purchase of investments from political contributions, expenditures made by credit card, or payments from political contributions made to a business that you own or control. (Report unpaid incurred obligations on Schedule F2; report expenditures from personal funds on Schedule G; report the purchase of investments from political contributions on Schedule F3; report expenditures made by credit card on Schedule F4; and report payments from political contributions made to a business that you own or control on Schedule H.)

Expenditures Made by Credit Card: You must disclose expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When you pay the credit card bill, you must disclose the payment to the credit card company on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for nonpolitical payments from political contributions), as applicable. See instructions for Schedule F4: [Expenditures Made by Credit Card](#) for more information.

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: You must enter expenditures paid to one individual or entity during a reporting period that in the aggregate exceed \$190 on this schedule. If you made more than one expenditure to the same payee, the total of which exceeded \$190, enter each expenditure separately. Although you are not required to do so, you may also report expenditures to one person that do not exceed \$190 in the period on this schedule. If you choose not to itemize expenditures of \$190 and less on this schedule, you must total all unitemized expenditures and report them on the Cover Sheet, page 2, section 17, line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F1:** After you have completed Schedule F1, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date the expenditure payment was made. Remember: Expenditure obligations you incurred in this reporting period *but have not yet paid* are entered on Schedule F2. Expenditures made by credit card are entered on Schedule F4.
- 5. PAYEE NAME:** Enter the full name of the person to whom the expenditure was made.

Note: If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor who sold you the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 8, "Purpose of Expenditure."

6. **AMOUNT:** Enter the exact amount of the expenditure.
7. **PAYEE ADDRESS:** Enter the complete address of the person to whom the expenditure was made.
8. **PURPOSE OF EXPENDITURE:** You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

(a) **Category:** Select a category of goods, services, or other thing of value for which an expenditure is made. If none of the listed categories apply, select "Other" and enter your own category. Examples of acceptable categories include:

Advertising Expense

Accounting/Banking

Consulting Expense

Contributions/Donations Made By Candidate/Officeholder/Political Committee

Credit Card Payment

Event Expense

Fees

Food/Beverage Expense

Gifts/Awards/Memorials Expense

Legal Services

Loan Repayment/Reimbursement

Office Overhead/Rental Expense

Polling Expense

Printing Expense

Salaries/Wages/Contract Labor

Solicitation/Fundraising Expense

Transportation Equipment and Related Expense

Travel In District

Travel Out Of District

Other

- (b) **Description:** Enter a brief statement or description of the candidate or officeholder activity that is conducted by making the expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

For examples of acceptable ways to disclose the purpose of an expenditure, please see the "Examples: Purpose of Expenditures" on page 46.

“Check if travel outside of Texas” box: Check this box if the expenditure is for travel outside of Texas. The description of a political expenditure for travel outside of the state of Texas must include detailed information. Please report this information on Schedule T.

“Check if Austin, TX, officeholder living expense” box: Check this box if the expenditure is an officeholder expense for living in Austin, Texas.

9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:

If you made a direct campaign expenditure to benefit another candidate or officeholder, enter the full name of the candidate or officeholder and the name of the office sought or held, including the district, precinct, or other designation of the office, as applicable. (Attach additional sheets to list multiple candidates.) Do not complete this section if the expenditure was not a direct campaign expenditure.

A “direct campaign expenditure” to benefit another candidate is not a “political contribution” to that other candidate. A direct campaign expenditure is a campaign expenditure that you make on someone else’s behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

Example: If you made expenditures to prepare and distribute an endorsement letter in support of a candidate after first asking for and getting the candidate’s approval, you made an *in-kind contribution*. However, if you did not get the candidate’s approval *before* you made the expenditure, you made a *direct campaign expenditure*.

SCHEDULE F2: UNPAID INCURRED OBLIGATIONS

These instructions are for candidates and officeholders using SCHEDULE F2: UNPAID INCURRED OBLIGATIONS.

Use this schedule to disclose information about obligations to make an expenditure that you incurred during the reporting period but have not yet paid. Do not enter on this schedule obligations that were incurred and paid during the reporting period, or other outgoing funds. (Report obligations incurred and paid during the reporting period on Schedule F1, F3, G, H, or I as appropriate, and report expenditures made by credit card on Schedule F4.)

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: Itemization requirements differ depending on whether the unpaid incurred obligation is for a political or non-political expenditure.

Unpaid Incurred Political Obligations: You must enter political obligations incurred but not yet paid to one individual or entity during a reporting period that in the aggregate exceed \$190 on this schedule. If you incurred more than one obligation to the same payee, the total of which exceeded \$190, enter each expenditure separately. Although you are not required to do so, you may also report political obligations incurred to one person that do not exceed \$190 in the period on this schedule. If you choose not to itemize incurred political obligations of \$190 and less on this schedule, you must total all unitemized obligations and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of \$190 or less on C/OH Cover Sheet, page 2, section 17, line 3.

Unpaid Incurred Non-Political Obligations: You must enter non-political obligations incurred but not yet paid to one individual or entity during a reporting period on this schedule, regardless of the amount.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. **TOTAL PAGES SCHEDULE F2:** After you have completed Schedule F2, count the total number of pages. Each side of a two-sided form counts as one page.
2. **FILER NAME:** Enter your full name.
3. **FILER ID:** See instructions for Cover Sheet, page 1, section 1.
4. **TOTAL OF UNITEMIZED UNPAID INCURRED OBLIGATIONS:** Enter the total amount of political obligations incurred during the reporting period that do not exceed \$190 in the aggregate per person, unless itemized on this schedule. You are not required to itemize unpaid incurred political obligations of \$190 or less, but if you choose to do so, do not include those unpaid incurred obligations in the total you enter here.
5. **DATE:** Enter the date the obligation was incurred. Obligations you incurred *and* paid during the reporting period are not entered on this schedule.

6. PAYEE NAME: See instructions for Schedule F1, section 5.

Note: If you incurred an obligation for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you incurred the obligation. Include that information under section 10, “Purpose of Expenditure.”

7. AMOUNT: Enter the exact amount of the incurred obligation.

8. PAYEE ADDRESS: Enter the complete address of the person to whom the obligation is owed.

9. TYPE OF EXPENDITURE: Check only one box to indicate whether the incurred obligation was political or non-political.

A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

10. PURPOSE OF EXPENDITURE: See instructions for Schedule F1, section 8.

11. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:
See instructions for Schedule F1, section 9.

SCHEDULE F3: PURCHASE OF INVESTMENTS FROM POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE F3: PURCHASE OF INVESTMENTS FROM POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about investments purchased from political contributions during the reporting period. Do not enter on this schedule political expenditures from political contributions, unpaid incurred obligations, expenditures made by credit card, political expenditures made from personal funds, or payments from political contributions made to a business that you own or control. (Report political expenditures from political contributions on Schedule F1; report unpaid incurred obligations on Schedule F2; report expenditures made by credit card on Schedule F4; report expenditures from personal funds on Schedule G; and report payments from political contributions made to a business that you own or control on Schedule H.)

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: You must enter investments purchased with political contributions during a reporting period that in the aggregate exceed \$120 on this schedule. Although you are not required to do so, you may also report investments purchased with political contributions that do not exceed \$120 in the period on this schedule.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. **TOTAL PAGES SCHEDULE F3:** After you have completed Schedule F3, count the total number of pages. Each side of a two-sided form counts as one page.
2. **FILER NAME:** Enter your full name.
3. **FILER ID:** See instructions for Cover Sheet, page 1, section 1.
4. **DATE:** Enter the date you purchased the investment.
5. **NAME OF PERSON FROM WHOM INVESTMENT IS PURCHASED:** Enter the full name of the person or entity from whom you purchased the investment. If you purchased the investment from an individual, enter the full first and last name, and suffix (Jr., III, etc.) if applicable (title is optional). If you purchased the investment from an entity, enter the full name of the entity.
6. **ADDRESS OF PERSON FROM WHOM INVESTMENT IS PURCHASED:** Enter the complete address of the person or entity from whom you purchased the investment.
7. **DESCRIPTION OF INVESTMENT:** Enter a brief statement or description of the investment. For example, "Ten shares of stock in ABC company."
8. **AMOUNT OF INVESTMENT:** Enter the amount of the investment purchased.

SCHEDULE F4: EXPENDITURES MADE BY CREDIT CARD

These instructions are for candidates and officeholders using SCHEDULE F4: EXPENDITURES MADE BY CREDIT CARD.

Use this schedule to disclose information about expenditures made by a credit card. You must disclose expenditures charged to a credit card on this schedule and identify the individual, entity, or vendor who receives payment from the credit card company. When you pay the credit card bill, you must disclose the payment to the credit card company on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for nonpolitical payments from political contributions), as applicable.

Do not enter on this schedule political expenditures from political contributions, unpaid incurred obligations, political expenditures made from personal funds, or payments from political contributions made to a business that you own or control. (Report political expenditures from political contributions on Schedule F1; report unpaid incurred obligations on Schedule F2; report the purchase of investments from political contributions on Schedule F3; report expenditures from personal funds on Schedule G; and report payments from political contributions made to a business that you own or control on Schedule H.)

For examples regarding the disclosure of expenditures made by credit card, please see “Examples: Reporting Expenditures Made by Credit Card” on page 43.

Itemization: Itemization requirements differ depending on whether the expenditure made by a credit card is for a political or non-political expenditure.

Political Expenditures Made by Credit Card: You must itemize political expenditures made by credit card that exceed \$190 (in the aggregate) to a single payee. If you made two or more expenditures to the same payee, the total of which exceeded \$190, enter each expenditure made by credit card separately. Although you are not required to do so, you may also report political expenditures made by credit card that do not exceed \$190 in the reporting period on this schedule. If you choose not to itemize political expenditures made by credit card of \$190 and less on this schedule, you must total all unitemized political expenditures and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of \$190 or less on C/OH Cover Sheet, page 2, section 17, line 3.

Non-Political Expenditures Made by Credit Card: You must itemize any non-political expenditure made by credit card, regardless of the amount.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F4:** After you have completed Schedule F4, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.

3. FILER ID: See instructions for Cover Sheet, page 1, section 1.

4. TOTAL OF UNITEMIZED EXPENDITURES CHARGED TO A CREDIT CARD:

Enter the total amount of political expenditures charged to a credit card during the reporting period that do not exceed \$190 in the aggregate per person, unless itemized on this schedule. You are not required to itemize political expenditures made by credit card of \$190 or less, but if you choose to do so, do not include those political expenditures made by credit card in the total you enter here.

5. DATE: Enter the date you made the expenditure by credit card.

Note: There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.*

6. PAYEE NAME: See instructions for Schedule F1, section 5. Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card company. You do not report the name of the credit card company on this schedule.

Note: If you made an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 10, "Purpose of Expenditure."

7. AMOUNT: Enter the amount of the credit card expenditure.

8. PAYEE ADDRESS: Enter the complete address of the payee of the credit card expenditure.

9. TYPE OF EXPENDITURE: Check only one box to indicate whether the credit card expenditure was political or non-political.

A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

10. PURPOSE OF EXPENDITURE: See instructions for Schedule F1, section 8.

Note: Do not choose "Credit Card Payment" as the category for an expenditure made by credit card when an individual, entity, or vendor receives payment from the credit card company. Instead, choose the category that corresponds to the goods, services, or other thing of value purchased from the individual, entity, or vendor.

11. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:

See instructions for Schedule F1, section 9.

SCHEDULE G: POLITICAL EXPENDITURES MADE FROM PERSONAL FUNDS

See the Campaign Finance Guide for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: If you choose to report political expenditures from personal funds on this schedule, you must itemize political expenditures paid to one individual or entity during a reporting period that in the aggregate exceed \$190 on this schedule. If you made more than one expenditure to the same payee, the total of which exceeded \$190, enter each expenditure separately. Although you are not required to do so, you may also report expenditures to one person that do not exceed \$190 in the period on this schedule. You must total all political expenditures from personal funds that you do not itemize on this schedule and include them in the total of unitemized political expenditures on the C/OH Cover Sheet, page 2, section 17, line 3.

Officeholder expenditures from personal funds for which you do not intend to seek reimbursement are not required to be reported on this schedule or included in the total of unitemized political expenditures.

FORM C/OH-FR: DESIGNATION OF FINAL REPORT

These instructions are for candidates and officeholders using Form C/OH-FR: C/OH REPORT: DESIGNATION OF FINAL REPORT. A final report must include this form (Form C/OH-FR) and the CAMPAIGN FINANCE REPORT (Form C/OH) with the “Final Report” box checked on page 1, section 9. It must also include Schedules A1, A2, B, E, F1, F2, F3, F4, G, H, I, K, and T, as applicable.

GENERAL INFORMATION

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate.

If you do not have an appointment of campaign treasurer on file, you may not accept **campaign** contributions or make **campaign** expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept **officeholder** contributions and make **officeholder** expenditures.

The effect of filing a final report differs depending on whether you are an officeholder at the time you file a final report.

Officeholders Filing a Final Report: You will not have to worry about surplus political funds and assets until you cease to be an officeholder. You may still be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are local officeholders who do not exceed \$940 in contributions or \$940 in expenditures during the reporting period.

If you cease to be an officeholder at a time when you do not have a campaign treasurer appointment on file, and you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions after filing the last required report as an officeholder, you **must** file an annual report of unexpended contributions not earlier than January 1 and not later than January 15 of each year following the year in which you filed the last required report as an officeholder. You may not retain these unexpended funds longer than six years after the date you ceased to be an officeholder. For information about important restrictions regarding the use and reporting of unexpended contributions, see the Campaign Finance Guide.

Non-Officeholders Filing a Final Report: You will no longer be required to file reports **unless** you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions. If you retain any of those items, you must file an annual report of unexpended contributions not earlier than January 1 and not later than January 15 of each year after the year in which you filed your final report. You may not retain these unexpended funds longer than six years after the date of filing a final report. For information about important restrictions regarding the use and reporting of unexpended contributions, see the Campaign Finance Guide.

ADDITIONAL INFORMATION REGARDING EXPENDITURES

EXAMPLES: REPORTING EXPENDITURES MADE BY CREDIT CARD

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures made by credit card and payments made to credit card companies.

Example #1: Candidate Using Credit Card to Make Political Expenditures and Using Political Contributions to Pay the Credit Card Bill in the Same Reporting Period

A candidate for office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate uses her credit card to buy \$500 in political advertising signs from a sign company. During the same reporting period, the candidate makes a single payment from her political contributions account to pay the \$1,500 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charges and sent the payment to the credit card company:

1. For the credit card charges: a \$1,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the office store as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Office Overhead/Rental Expense,” and a description as “Campaign Office Supplies.” In Section 9 of the schedule, the box for “Political” is also checked. The candidate also reports the \$500 expenditure on the “Expenditures Made by Credit Card” Schedule and identifies the sign company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Signs.” In Section 9 of the schedule, the box for “Political” is also checked.
2. For the payment to the credit card company: a \$1,500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for credit card expenditures.”
3. Both \$1,500 amounts reported on each schedule will also be included in the appropriate totals sections of Cover Sheet Pages 2 and 3.

Example #2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Credit Card Bill in the Same Reporting Period

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes a payment from his personal funds account to pay the \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card company:

1. For the credit card charge: a \$3,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the print shop as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Materials.” In Section 9 of the schedule, the box for “Political” is also checked.
2. For the payment to the credit card company: a \$3,000 expenditure on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
3. Both \$3,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A general-purpose committee uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card company, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
2. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card company:

1. A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as

“Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

2. The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card company, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

1. A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
2. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card company was made:

1. A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

EXAMPLES: REPORTING EXPENDITURES FROM PERSONAL FUNDS

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures from personal funds.

If you intend to seek reimbursement of any amount from political contributions for a political expenditure made from your personal funds, you must report the expenditure in one of three ways. Keep in mind that this reporting system is not an accounting system and duplication of expenditures is not uncommon when reporting transactions related to expenditures made from personal funds.

Method #1: Itemize the expenditure on the “Political Expenditures Made from Personal Funds” schedule (Schedule G) and check the box to indicate that you intend to seek reimbursement from political contributions. You may not correct a report to allow reimbursement without subjecting yourself to a possible penalty. When you reimburse yourself, which could be months or years later, report the reimbursement on the “Political Expenditures” schedule (Schedule F1).

Example: On December 1, 2007, Candidate A spends \$500 of her own personal funds to purchase political advertising signs. She reports the expenditure to the vendor on Schedule G and checks the box to indicate that reimbursement is intended. One year later, Candidate A reimburses herself from political contributions. She reports the reimbursement on Schedule F1. Candidate A is the payee and the purpose of the expenditure is to reimburse herself for a political expenditure made from personal funds on December 1, 2007.

If you intend to seek reimbursement from political contributions for a political expenditure of any amount made from personal funds, you must itemize the expenditure on Schedule G.

Method #2: Report the political expenditures made from your personal funds as a loan to your campaign on the “Loans” schedule (Schedule E). Next, report the political expenditures made from that loan as if they were made from political funds (report on Schedules F1, F2, F3, F4, or H as appropriate). Do NOT report political expenditures made from the loan on Schedule G.

The amount you report as a loan in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from personal funds in the reporting period was \$5,000. When you reimburse yourself, which could be months or years later, report the reimbursement on the Schedule F1.

Example: In one reporting period, Candidate B spends \$5,000 of his own personal funds to purchase political advertising materials. He spends \$3,000 at Business One and \$2,000 at Business Two. He reports the expenditures as a \$5,000 loan on Schedule E and then itemizes each of the two expenditures as a political expenditure on Schedule F1. A year later, Candidate B reimburses himself from political contributions by disclosing the reimbursement on Schedule F1. He reports the reimbursement on Schedule F1. The payee in this instance is Candidate B, the category of the expenditure is “Loan Repayment/Reimbursement,” and “political expenditure made from personal funds reported as a loan” is an acceptable brief description.

Method #3: Deposit personal funds in an account in which your political contributions are maintained and report that amount as a loan on the "Loans" schedule (Schedule E). Next, report the political expenditures made from that loan as if they were made from political funds (report on Schedules F1, F2, F3, or H as appropriate). When you reimburse yourself, which could be months or years later, report the reimbursement on the Schedule F1. The reimbursement may not exceed the amount reported as a loan. Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction.)

Example: In one reporting period, Candidate C opens a campaign bank account and deposits \$5,000 of her own personal funds into the account. She makes one \$3,000 expenditure for political advertising. Candidate C has no other activity in the reporting period. She reports the \$5,000 as a loan on Schedule E, itemizes the \$3,000 expenditure for the political advertising on Schedule F1, and includes the remaining \$2,000 on her contributions maintained at the end of the reporting period total. A year later, Candidate C reimburses herself from political contributions by disclosing the reimbursement on Schedule F1. The payee in this instance is Candidate C, the category of expenditure is "Loan Repayment/Reimbursement," and "political expenditure made from personal funds reported as a loan" is an acceptable brief description.

EXAMPLES: REPORTING STAFF REIMBURSEMENT

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting staff reimbursements.

When a staff member makes political payment(s) out of his or her personal funds, how you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

Example #1: The payment out of the staff worker's personal funds does not exceed \$5,000 in the reporting period **and** you reimburse the staff worker from political funds in the same reporting period – You will simply itemize the payment (if over the \$190 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. **Do not** disclose as the payee the name of your staff worker.

Example #2: The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period **and** you reimburse the staff worker from political funds in the same reporting period – You will use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **Do not** disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

Example #3: The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period **but** you reimburse the staff worker from political funds in a different reporting period – You will use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **Do not** disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.

FORM C/OH-UC: CANDIDATE/OFFICEHOLDER REPORT OF UNEXPENDED CONTRIBUTIONS

These instructions are for candidates and officeholders using FORM C/OH-UC: CANDIDATE / OFFICEHOLDER REPORT OF UNEXPENDED CONTRIBUTIONS. Use Form C/OH-UC for filing either an annual report of unexpended contributions or a report of the final disposition of unexpended contributions.

GENERAL INSTRUCTIONS

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS. You must file this report if one of the following descriptions applies to you:

- (1) You filed a final report as a candidate at a time when you were not an officeholder and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you filed the final report; or
- (2) You ceased to be an officeholder at a time when you did not have a campaign treasurer on file, and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you ceased to be an officeholder.

You must file an Unexpended Contributions - Annual report not earlier than January 1 and not later than January 15 of the year after each year in which you maintained unexpended contributions or assets. You must complete Form C/OH-UC and designate the report as an annual report by checking the “Annual” box.

You must continue to file Unexpended Contributions - Annual reports until you have disposed of all your unexpended contributions or assets. Once you have disposed of all your contributions or assets, you must file an Unexpended Contributions - Final report.

You may not retain unexpended contributions or assets longer than six years after the date you filed your final report or ceased being an officeholder, as applicable. If you still maintain unexpended assets at the end of the six-year period, you must dispose of the assets in one of the following ways:

- (1) You may give them to the political party with which you were affiliated when your name was last on the ballot.
- (2) You may give them to a candidate or a political committee. If you do so, however, you must file a report on Form AS IF-SPAC as described below under “Extra Reporting for a Contribution to a Candidate or Political Committee.”
- (3) You may give them to the comptroller for deposit in the state treasury to be used to finance primary elections.
- (4) You may give them to one or more persons from whom you received political contributions, but the total returned to any person may not exceed the aggregate

amount accepted from that person during the last two years during which you were accepting political contributions.

- (5) You may give them to a recognized charitable organization formed for educational, religious, or scientific purposes that is exempt from taxation under Section 501(c)(3), Internal Revenue Code of 1986, and its subsequent amendments.
- (6) You may give them to a public or private post-secondary educational institution or an institution of higher education as defined by Section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.

You may dispose of unexpended contributions or assets in this manner at any time during the six-year period.

EXTRA REPORTING FOR CONTRIBUTION TO CANDIDATE OR POLITICAL COMMITTEE. If you contribute unexpended contributions or assets to another candidate or political committee, you must report the contribution twice. You must include the contribution on your Annual Report and you must also report the contribution on a AS IF-SPECIFIC-PURPOSE COMMITTEE CAMPAIGN FINANCE REPORT (Form AS IF-SPAC). You must file the AS IF-SPAC report with the filing authority with whom the candidate or political committee files reports by the date by which the candidate or political committee receiving the contribution must report the receipt of the contribution.

NOTE: If the candidate or political committee files with the Texas Ethics Commission (Commission), you will need a separate “AS IF-SPAC” filer ID to file the AS IF-SPAC report. Please contact the Commission for help in establishing an AS IF-SPAC filer ID.

FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS REPORT. You must file a report of the final disposition of your unexpended contributions or assets. Complete Form C/OH-UC and designate the report as an “Unexpended Contributions – Final” report by checking the “Final Disposition” box. The report is due no later than the 30th day after the end of the six-year period.

TITLE 15. REGULATING POLITICAL FUNDS AND CAMPAIGNS

CHAPTER 251. GENERAL PROVISIONS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 251.001. DEFINITIONS. In this title:

(1) "Candidate" means a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

(A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;

(B) the filing of an application for a place on a ballot;

(C) the filing of an application for nomination by convention;

(D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;

(E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;

(F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;

(G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and

(H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

(2) "Contribution" means a direct or indirect transfer of money, goods, services, or any other thing of value and includes an agreement made or other obligation incurred, whether legally enforceable or not, to make a transfer. The term includes a loan or extension of credit, other than those expressly excluded by this subdivision, and a guarantee of a loan or extension of credit, including a loan described by this subdivision. The term does not include:

(A) a loan made in the due course of business by a corporation that is legally engaged in the business of lending money and that has conducted the business continuously for more than one year before the loan is made; or

(B) an expenditure required to be reported under Section 305.006(b), Government Code.

(3) "Campaign contribution" means a contribution to a candidate or political committee that is offered or given with the intent that it be used in connection with a campaign for elective office or on a measure. Whether a contribution is made before, during, or after an election does not affect its status as a campaign contribution.

(4) "Officeholder contribution" means a contribution to an officeholder or political committee that is offered or given with the intent that it be used to defray expenses that:

(A) are incurred by the officeholder in performing a duty or engaging in an activity in connection with the office; and

(B) are not reimbursable with public money.

(5) "Political contribution" means a campaign contribution or an officeholder contribution.

(6) "Expenditure" means a payment of money or any other thing of value and includes an agreement made or other obligation incurred, whether legally enforceable or not, to make a payment.

(7) "Campaign expenditure" means an expenditure made by any person in connection with a campaign for an elective office or on a measure. Whether an expenditure is made before, during, or after an election does not affect its status as a campaign expenditure.

(8) "Direct campaign expenditure" means a campaign expenditure that does not constitute a campaign contribution by the person making the expenditure. A campaign expenditure does not constitute a contribution by the person making the expenditure to a candidate or officeholder if the expenditure is made without the prior consent or approval of the candidate or officeholder on whose behalf the expenditure is made. A campaign expenditure made in connection with a measure does not constitute a contribution by the person making the expenditure if it is not made as a political contribution to a political committee supporting or opposing the measure.

(9) "Officeholder expenditure" means an expenditure made by any person to defray expenses that:

(A) are incurred by an officeholder in performing a duty or engaging in an activity in connection with the office; and

(B) are not reimbursable with public money.

(10) "Political expenditure" means a campaign expenditure or an officeholder expenditure.

(11) "Reportable activity" means a political contribution, political expenditure, or other activity required to be reported under this title.

(12) "Political committee" means two or more persons acting in concert with a principal purpose of accepting political contributions or making political expenditures. The term does not include a group composed exclusively of two or more individual filers or political committees required to file reports under this title who make reportable expenditures for a joint activity.

(13) "Specific-purpose committee" means a political committee that does not have among its principal purposes those of a general-purpose committee but does have among its principal purposes:

(A) supporting or opposing one or more:

(i) candidates, all of whom are identified and are seeking offices that are known; or

(ii) measures, all of which are identified;

(B) assisting one or more officeholders, all of whom are identified; or

(C) supporting or opposing only one candidate who is unidentified or who is seeking an office that is unknown.

(14) "General-purpose committee" means a political committee that has among its principal purposes:

(A) supporting or opposing:

(i) two or more candidates who are unidentified or are seeking offices that are unknown; or

(ii) one or more measures that are unidentified; or

(B) assisting two or more officeholders who are unidentified.

(15) "Out-of-state political committee" means a political committee that:

(A) makes political expenditures outside this state; and

(B) in the 12 months immediately preceding the making of a political expenditure by the committee inside this state (other than an expenditure made in connection with a campaign for a federal office or made for a federal officeholder), makes 80 percent or more of the committee's total political expenditures in any combination of elections outside this state and federal offices not voted on in this state.

(16) "Political advertising" means a communication supporting or opposing a candidate for nomination or election to a public office or office of a political party, a political party, a public officer, or a measure that:

(A) in return for consideration, is published in a newspaper, magazine, or other periodical or is broadcast by radio or television; or

(B) appears:

(i) in a pamphlet, circular, flier, billboard or other sign, bumper sticker, or similar form of written communication; or

(ii) on an Internet website.

(17) "Campaign communication" means a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure.

(18) "Labor organization" means an agency, committee, or any other organization in which employees participate that exists for the purpose, in whole or in part, of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work.

(19) "Measure" means a question or proposal submitted in an election for an expression of the voters' will and includes the circulation and submission of a petition to determine whether a question or proposal is required to be submitted in an election for an expression of the voters' will.

(20) "Commission" means the Texas Ethics Commission.

(21) "In-kind contribution" means a contribution of goods, services, or any other thing of value that is not money, and includes an agreement made or other obligation incurred, whether legally enforceable or not, to make the contribution. The term does not include a direct campaign expenditure.

Sec. 251.0015. COMMUNICATION WITH CANDIDATE. For purposes of Section 251.001(8), communication between a person and a candidate, officeholder, or candidate's or officeholder's agent is not evidence that the person obtained the candidate's or officeholder's consent or approval for a campaign expenditure made after the communication by the person on behalf of the candidate or officeholder unless the communication establishes that:

(1) the expenditure is incurred at the request or suggestion of the candidate, officeholder, or candidate's or officeholder's agent;

(2) the candidate, officeholder, or candidate's or officeholder's agent is materially involved in decisions regarding the creation, production, or distribution of a campaign communication related to the expenditure; or

(3) the candidate, officeholder, or candidate's or officeholder's agent shares information about the candidate's or officeholder's plans or needs that is:

- (A) material to the creation, production, or distribution of a campaign communication related to the expenditure; and
- (B) not available to the public.

Sec. 251.0016. COMMON VENDOR. A person using the same vendor as a candidate, officeholder, or political committee established or controlled by a candidate or officeholder is not acting in concert with the candidate, officeholder, or committee to make a campaign expenditure unless the person makes the expenditure using information from the vendor about the campaign plans or needs of the candidate, officeholder, or committee that is:

- (1) material to the expenditure; and
- (2) not available to the public.

Sec. 251.002. OFFICEHOLDERS COVERED. (a) The provisions of this title applicable to an officeholder apply only to a person who holds an elective public office and to the secretary of state.

(b) For purposes of this title, a state officer-elect or a member-elect of the legislature is considered an officeholder beginning on the day after the date of the general or special election at which the officer-elect or member-elect was elected. This subsection does not relieve a state officer-elect or member-elect of the legislature of any reporting requirements the person may have as a candidate under this title.

Sec. 251.003. PROHIBITION OF DOCUMENT FILING FEE. A charge may not be made for filing a document required to be filed under this title.

Sec. 251.004. VENUE. (a) Venue for a criminal offense prescribed by this title is in the county of residence of the defendant, unless the defendant is not a Texas resident, in which case venue is in Travis County.

(b) Venue for the recovery of delinquent civil penalties imposed by the commission under this title is in Travis County.

Sec. 251.005. OUT-OF-STATE COMMITTEES EXCLUDED.

(a) An out-of-state political committee is not subject to Chapter 252 or 254, except as provided by Subsection (b), (c), or (d).

(b) If an out-of-state committee decides to file a campaign treasurer appointment under Chapter 252, at the time the appointment is filed the committee becomes subject to this title to the same extent as a political committee that is not an out-of-state committee.

(c) If an out-of-state committee performs an activity that removes the committee from out-of-state status as defined by Section 251.001(15), the committee becomes subject to this title to the same extent as a political committee that is not an out-of-state committee.

(d) An out-of-state political committee that does not file a campaign treasurer appointment shall comply with Section 254.1581.

Sec. 251.006. FEDERAL OFFICE EXCLUDED.

(a) Except as provided by Subsection (b), this title does not apply to a candidate for an office of the federal government.

(b) A candidate for an elective office of the federal government shall file with the commission a copy of each document relating to the candidacy that is required to be filed under federal law. The document shall be filed within the same period in which it is required to be filed under the federal law.

Sec. 251.007. TIMELINESS OF ACTION BY MAIL. When this title requires a notice, report, or other document or paper to be delivered, submitted, or filed within a specified period or before a specified deadline, a delivery, submission, or filing by first-class United States mail or common or contract carrier is timely, except as otherwise provided by this title, if:

- (1) it is properly addressed with postage or handling charges prepaid; and
- (2) it bears a post office cancellation mark or a receipt mark of a common or contract carrier indicating a time within the period or before the deadline, or if the person required to take the action furnishes satisfactory proof that it was deposited in the mail or with a common or contract carrier within the period or before the deadline.

Sec. 251.008. CERTAIN POLITICAL CLUB MEETINGS EXCLUDED.

(a) An expense incurred in connection with the conduct of a meeting of an organization or club affiliated with a political party at which a candidate for an office regularly filled at the general election for state and county officers, or a person holding that office, appears before the members of the organization or club is not considered to be a political contribution or political expenditure if no political contributions are made to or solicited for the candidate or officeholder at the meeting.

(b) In this section, an organization or club is affiliated with a political party if it:

- (1) supports the nominees of that political party but does not support any candidate seeking the party's nomination for an office over any other candidate seeking that nomination; and
- (2) is recognized by the political party as an auxiliary of the party.

Sec. 251.009. LEGISLATIVE CAUCUS CONTRIBUTION OR EXPENDITURE NOT CONSIDERED TO BE OFFICEHOLDER CONTRIBUTION OR EXPENDITURE. A contribution to or expenditure by a legislative caucus, as defined by Section 253.0341, is not considered to be an officeholder contribution or officeholder expenditure for purposes of this title.

SUBCHAPTER B. DUTIES OF COMMISSION

Sec. 251.032. FORMS. In addition to furnishing samples of the appropriate forms to the authorities having administrative duties under this title, the commission shall furnish the forms to each political party's state executive committee and county chair of each county executive committee.

Sec. 251.033. NOTIFICATION OF DEADLINE FOR FILING REPORTS.

(a) The commission shall notify each person responsible for filing a report with the commission under Subchapters C through F, Chapter 254, of the deadline for filing a report, except that notice of the deadline is not required for a political committee involved in an election other than a primary election or the general election for state and county officers. Notification under this subsection may be sent by electronic mail.

Title 15, Election Code

(b) If the commission is unable to notify a person of a deadline after two attempts, the commission is not required to make any further attempts to notify the person of that deadline or any future deadlines until the person has notified the commission of the person's current address or electronic mail address.

(c) Chapter 552, Government Code, does not apply to a notification under this section sent by electronic mail.

CHAPTER 252. CAMPAIGN TREASURER

Sec. 252.001. APPOINTMENT OF CAMPAIGN TREASURER REQUIRED.

Each candidate and each political committee shall appoint a campaign treasurer as provided by this chapter.

Sec. 252.0011. INELIGIBILITY FOR APPOINTMENT AS CAMPAIGN TREASURER.

(a) Except as provided by Subsection (b) or (c), a person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that does not file a report required by Chapter 254.

(b) The period for which a person is ineligible under Subsection (a) for appointment as a campaign treasurer ends on the date on which the political committee in connection with which the person's ineligibility arose has filed each report required by Chapter 254 that was not timely filed or has paid all fines and penalties in connection with the failure to file the report.

(c) Subsection (a) does not apply to a person if, in any semiannual reporting period prescribed by Chapter 254:

(1) the political committee in connection with which the person's ineligibility arose did not accept political contributions that in the aggregate exceed \$5,000 or make political expenditures that in the aggregate exceed \$5,000; and

(2) the candidate who or political committee that subsequently appoints the person does not accept political contributions that in the aggregate exceed \$5,000 or make political expenditures that in the aggregate exceed \$5,000.

(d) Subsection (c) applies to a person who is the campaign treasurer of a general-purpose committee regardless of whether the committee files monthly reports under Section 254.155. For purposes of this subsection, political contributions accepted and political expenditures made during a monthly reporting period are aggregated with political contributions accepted and political expenditures made in each other monthly reporting period that corresponds to the semiannual reporting period that contains those months.

(e) A candidate or political committee is considered to have not appointed a campaign treasurer if the candidate or committee appoints a person as campaign treasurer whose appointment is prohibited by Subsection (a).

(f) A person who violates this section is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this section.

Sec. 252.002. CONTENTS OF APPOINTMENT.

(a) A campaign treasurer appointment must be in writing and include:

- (1) the campaign treasurer's name;
- (2) the campaign treasurer's residence or business street address;
- (3) the campaign treasurer's telephone number; and
- (4) the name of the person making the appointment.

(b) A political committee that files its campaign treasurer appointment with the commission must notify the commission in writing of any change in the campaign treasurer's address not later than the 10th day after the date on which the change occurs.

Sec. 252.003. CONTENTS OF APPOINTMENT BY GENERAL-PURPOSE COMMITTEE.

(a) In addition to the information required by Section 252.002, a campaign treasurer appointment by a general-purpose committee must include:

(1) the full name, and any acronym of the name that will be used in the name of the committee as provided by Subsection (d), of each corporation, labor organization, or other association or legal entity that directly establishes, administers, or controls the committee, if applicable, or the name of each person who determines to whom the committee makes contributions or the name of each person who determines for what purposes the committee makes expenditures;

(2) the full name and address of each general-purpose committee to whom the committee intends to make political contributions;

(3) the name of the committee and, if the name is an acronym, the words the acronym represents; and

(4) before the committee may use a political contribution from a corporation or a labor organization to make a direct campaign expenditure in connection with a campaign for an elective office, an affidavit stating that:

(A) the committee is not established or controlled by a candidate or an officeholder; and

(B) the committee will not use any political contribution from a corporation or a labor organization to make a political contribution to:

(i) a candidate for elective office;

(ii) an officeholder; or

(iii) a political committee that has not filed an affidavit under this subdivision or Section 252.0031(a)(2).

(a-1) Filing an affidavit under Subsection (a)(4) does not create any additional reporting requirements under Section 254.261.

(b) If any of the information required to be included in a general-purpose committee's appointment changes, excluding changes reported under Section 252.002(b), the committee shall file an amended appointment with the commission not later than the 30th day after the date the change occurs.

(c) The name of a general-purpose committee may not be the same as or deceptively similar to the name of any other general-purpose committee whose campaign treasurer appointment is filed with the commission. The commission shall determine whether the name of a general-purpose political committee is in violation of this prohibition and shall immediately notify the campaign treasurer of the offending political committee of that determination. The campaign treasurer of the political committee must file a name change with the commission not later than the 14th day after the date of notification. A campaign treasurer who fails to file a name change as provided by this subsection or a political committee that continues to use a prohibited name after its campaign treasurer has been notified by the commission commits an offense. An offense under this subsection is a Class B misdemeanor.

(d) The name of a general-purpose committee must include the name of each corporation, labor organization, or other association or legal entity other than an individual that directly establishes, administers, or controls the committee. The name of an entity that is required to be included in the name of the committee may be a commonly recognized acronym by which the entity is known.

Sec. 252.0031. CONTENTS OF APPOINTMENT BY SPECIFIC-PURPOSE COMMITTEE.

(a) In addition to the information required by Section 252.002, a campaign treasurer appointment by a specific-purpose committee for supporting or opposing a candidate for an office specified by Section 252.005(1) must include:

(1) the name of and the office sought by the candidate; and

(2) before the committee may use a political contribution from a corporation or a labor organization to make a direct campaign expenditure in connection with a campaign for an elective office, an affidavit stating that:

(A) the committee is not established or controlled by a candidate or an officeholder; and

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.

(3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.

(4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.

(5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.

(6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.

Extensions may be granted in fourteen (14) day increments as needed.
 - b. If construction or renovation to an adjoining property or a building on the same site results in a sign that is temporary hidden or obscured from a person's field of vision then a banner may be permitted until such time that the sign is no longer obscured or for thirty (30) days, whichever is the shortest amount of time. Extensions may be granted in fourteen (14) day increments as needed.

The City of Bellaire shall have the power to issue stop orders, to require the repair or removal of certain signs and/or to revoke sign permits, as provided in this Section. In so doing, the City shall comply with all procedural requirements specified in Chapter 9 of this Code for the giving of notice, the issuance of orders, the removal of signs and storage and/or sale thereof by the City, and the conduct of hearings on permit revocations.

- (A) *Stop orders.* If the City shall determine that work on any sign is being performed in a dangerous or unsafe manner, upon written notice and issuance of a stop order by the City, such work shall be immediately stopped. Such notice shall be given to the owner of the property or to his agent, or to the person doing the work, and shall state the conditions under which work may be resumed. However, where an emergency exists, written notice shall not be required.

Following the issuance of a stop order, the City shall initiate proceedings to revoke any permit issued for the work covered by such stop order unless the cause of the stop order is resolved to the City's satisfaction.

-
- (B) *Revocation of permit.* The City shall have, and is hereby granted, the power and authority to revoke any and all licenses or permits authorized by this Code for violation of the terms and provisions of this Code, subject to the procedural requirements of Chapter 9 of this Code for notice and hearing.

1. *Damaged sign.* A damaged sign shall be repaired within ninety (90) days of receipt of notification from the City.
 2. *Sign not properly maintained.* If the City shall determine that a sign is not being maintained as required by the terms and provisions of this Code, the City shall give written notice to the owner or lessee thereof to so maintain the sign.

However, where an emergency exists, written notice shall not be required.

 4. *Abandoned or discontinued business.* On or after the first anniversary of the date the business, person or activity that a sign identifies or advertises ceases to operate on the premises on which the sign or sign structure is located, the City may require the removal of said sign and sign structure, provided, however, that if said premises is leased, the City may require removal of said sign and sign structure on or after the second anniversary of the date the most recent tenant ceases to operate on the premises.
- (E) *Removal required with compensation to owner.* In addition to the circumstances described in subsection (D) above in which the City may require removal of a sign without providing compensation to its owner, the City is authorized to require the removal of a nonconforming sign within the City if compensation is provided as follows:
1. The compensation is an amount computed by a board of sign control by determining a reasonable balance between the original cost of the sign, less depreciation, and the current replacement cost of the sign, less an adjustment for the present age and condition of the sign.
 2. Said board of sign control shall be composed of the following members, each appointed by the City Council for a period of two (2) years:

- (2) The allowance and use of electronic message display sign by an institution located within a residential zoned district. LOCAL GOVERNMENT CODE

TITLE 7. REGULATION OF LAND USE, STRUCTURES, BUSINESSES, AND RELATED
ACTIVITIES

SUBTITLE A. MUNICIPAL REGULATORY AUTHORITY

CHAPTER 216. REGULATION OF SIGNS BY MUNICIPALITIES

SUBCHAPTER A. RELOCATION, RECONSTRUCTION, OR REMOVAL OF SIGN

Sec. 216.001. LEGISLATIVE INTENT. (a) This subchapter is not intended to require a municipality to provide for the relocation, reconstruction, or removal of any sign in the municipality, nor is it intended to prohibit a municipality from requiring the relocation, reconstruction, or removal of any sign. This subchapter is intended only to authorize a municipality to take that action and to establish the procedure by which the municipality may do so.

(b) This subchapter is not intended to require a municipality to make a cash payment to compensate the owner of a sign that the municipality requires to be relocated, reconstructed, or removed. Cash payment is established as only one of several methods from which a municipality may choose in compensating the owner of a sign.

(c) This subchapter is not intended to affect any eminent domain proceeding in which the taking of a sign is only an incidental part of the exercise of the eminent domain power.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.002. DEFINITIONS. In this subchapter:

(1) "Sign" means an outdoor structure, sign, display, light device, figure, painting, drawing, message, plaque, poster, billboard, or other thing that is designed, intended, or used to advertise or inform.

(2) "On-premise sign" means a freestanding sign identifying or advertising a business, person, or activity, and installed and maintained on the same premises as the business, person, or activity.

(3) "Off-premise sign" means a sign displaying advertising copy that pertains to a business, person, organization, activity, event, place, service, or product not principally located or primarily manufactured or sold on the premises on which the sign is located.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.003. MUNICIPAL REGULATION. (a) Subject to the requirements of this subchapter, a municipality may require the relocation, reconstruction, or removal of any sign within its corporate limits or extraterritorial jurisdiction.

(b) Except as provided by Subsection (e), the owner of a sign that is required to be relocated, reconstructed, or removed is entitled to be compensated by the municipality for costs associated with the relocation, reconstruction, or removal.

(c) If application of a municipal regulation would require reconstruction of a sign in a manner that would make the sign ineffective for its intended purpose, such as by substantially impairing the sign's visibility, application of the regulation is treated as the required removal of the sign for purposes of this subchapter.

(d) In lieu of paying compensation, a municipality may exempt from required relocation, reconstruction, or removal those signs lawfully in place on the effective date of the requirement.

(e) A municipality that exercises authority under this subchapter may, without paying compensation as provided by this subchapter, require the removal of an on-premise sign or sign structure not sooner than the first anniversary of the date the business, person, or activity that the sign or sign structure identifies or advertises ceases to operate on the premises on which the sign or sign structure is located. If the premises containing the sign or sign structure is leased, a municipality may not require removal under this subsection sooner than the second anniversary after the date the most recent tenant ceases to operate on the premises. The removal of a sign or sign structure as described by this subsection does not require the appointment of a board under Section 216.004.

(f) A municipality acting under Subsection (e) may agree with the owner of the sign or sign structure to remove only a portion of the sign or sign structure.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987. Amended by Acts 1989, 71st Leg., ch. 1, Sec. 87(m), eff. Aug. 28, 1989; Acts 2003, 78th Leg., ch. 865, Sec. 1, eff. Sept. 1, 2003.

Sec. 216.0035. REGULATORY AUTHORITY NOT APPLICABLE TO ON-PREMISES SIGNS UNDER CERTAIN CIRCUMSTANCES. The authority granted to a municipality

by this subchapter to require the relocation, reconstruction, or removal of signs does not apply to:

(1) on-premises signs in the extraterritorial jurisdiction of municipalities in a county described by Section 394.063, Transportation Code, if the circumstances described by that section occur; and

(2) on-premises signs in a municipality's extraterritorial jurisdiction in a county that borders a county described by that law.

Added by Acts 1989, 71st Leg., ch. 1, Sec. 54(e), eff. Aug. 28, 1989.

Amended by Acts 1993, 73rd Leg., ch. 482, Sec. 1, eff. Aug. 30, 1993; Acts 1997, 75th Leg., ch. 165, Sec. 30.218, eff. Sept. 1, 1997.

Sec. 216.004. MUNICIPAL BOARD. (a) If a municipality requires the relocation, reconstruction, or removal of a sign within its corporate limits or extraterritorial jurisdiction, the presiding officer of the governing body of the municipality shall appoint a municipal board on sign control. The board must be composed of:

(1) two real estate appraisers, each of whom must be a member in good standing of a nationally recognized professional appraiser society or trade organization that has an established code of ethics, educational program, and professional certification program;

(2) one person engaged in the sign business in the municipality;

(3) one employee of the Texas Department of Transportation who is familiar with real estate valuations in eminent domain proceedings; and

(4) one architect or landscape architect licensed by this state.

(b) A member of the board is appointed for a term of two years.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987. Amended by Acts 1989, 71st Leg., ch. 951, Sec. 2, eff. Sept. 1, 1989; Acts 1995, 74th Leg., ch. 165, Sec. 22(47), eff. Sept. 1, 1995.

Sec. 216.005. DETERMINATION OF AMOUNT OF COMPENSATION. (a) The municipal board on sign control shall determine the amount of the compensation to which the owner of a sign that is required to be relocated, reconstructed, or removed is entitled. The determination shall be made after the owner of the sign is given the opportunity for a hearing before the board about the issues involved in the matter.

(b) In any court proceeding in which the reasonableness of compensation is at issue and the compensation is to be provided over a period longer than one year, the court shall consider whether the duration of the period is reasonable under the circumstances.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.006. COMPENSATION FOR RELOCATED SIGN. The compensable costs for a sign that is required to be relocated include the expenses of dismantling the sign, transporting it to another site, and reerecting it. The board shall determine the compensable costs according to the standards applicable in a proceeding under Chapter 21, Property Code. In addition, the municipality shall issue to the owner of the sign an appropriate permit or other authority to operate a substitute sign of the same type at an alternative site of substantially equivalent value. Whether an alternative site is of substantially equivalent value is determined by standards generally accepted in the outdoor advertising industry, including visibility, traffic count, and demographic factors. The municipality shall compensate the owner for any increased operating costs, including increased rent, at the new location. The owner is responsible for designating an alternative site where the erection of the sign would be in compliance with the sign ordinance.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.007. COMPENSATION FOR RECONSTRUCTED SIGN. The compensable costs for a sign that is required to be reconstructed include expenses of labor and materials and any loss in the value of the sign due to the reconstruction in excess of 15 percent of that value. The board shall determine the compensable costs according to standards applicable in a proceeding under Chapter 21, Property Code.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.008. COMPENSATION FOR REMOVAL OF OFF-PREMISE SIGN. (a) For an off-premise sign that is required to be removed, the compensable cost is an amount computed by determining the average annual gross revenue received by the owner from the sign during the two years preceding September 1, 1985, or the two years preceding the month in which the removal date of the sign occurs, whichever is less, and by multiplying that amount by three. If the sign has not been in existence for all of either two-year period, the average annual gross revenue for that period, for the purpose of this computation, is an amount computed by dividing 12 by the number of months that the sign has been in existence, and multiplying that result by the total amount of the gross revenue received for the period that the sign has

been in existence. However, if the sign did not generate revenue for at least one month preceding September 1, 1985, this computation of compensable costs is to be made using only the average annual gross revenue received during the two years preceding the month in which the removal date of the sign occurs, and by multiplying that amount by three. In determining the amounts under this paragraph, a sign is treated as if it were in existence for the entire month if it was in existence for more than 15 days of the month and is treated as if it were not in existence for any part of the month if it was in existence for 15 or fewer days of the month.

(b) The owner of the real property on which the sign was located is entitled to be compensated for any decrease in the value of the real property. The compensable cost is to be determined by the board according to standards applicable in a proceeding under Chapter 21, Property Code.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.009. COMPENSATION FOR REMOVAL OF ON-PREMISE SIGN. For an on-premise sign that is required to be removed, the compensable cost is an amount computed by determining a reasonable balance between the original cost of the sign, less depreciation, and the current replacement cost of the sign, less an adjustment for the present age and condition of the sign.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.010. METHOD OF COMPENSATION. (a) To pay the compensable costs required under this subchapter, the governing body of a municipality may use only a method, or a combination of the methods, prescribed by this section.

(b) If any sign is required to be relocated or reconstructed, or an on-premise sign is required to be removed, the municipality, acting pursuant to the Property Redevelopment and Tax Abatement Act (Chapter 312, Tax Code), may abate municipal property taxes that otherwise would be owed by the owner of the sign. The abated taxes may be on any real or personal property owned by the owner of the sign except residential property. The right to the abatement of taxes is assignable by the holder, and the assignee may use the right to abatement with respect to taxes on any nonresidential property in the same taxing jurisdiction. In a municipality where tax abatement is used to pay compensable costs, the costs include reasonable interest and the abatement period may not exceed five years.

(c) The municipality may allocate to a special fund in the municipal treasury, to be known as the sign abatement and community beautification

fund, all or any part of the municipal property taxes paid on signs, on the real property on which the signs are located, or on other real or personal property owned by the owner of the sign. The municipality may make payments from that fund to reimburse compensable costs to owners of signs required to be relocated, reconstructed, or removed.

(d) The municipality may provide for the issuance of sign abatement revenue bonds and use the proceeds to make payments to reimburse costs to the owners of signs within the corporate limits of such municipality that are required to be relocated, reconstructed, or removed.

(e) The municipality may pay compensable costs in cash.

(f) Except as prohibited by federal law, a municipality with a population of more than 1.9 million may pay the compensable costs to the owner of an on-premise sign by allowing the sign to remain in place for a period sufficient to recover the compensable cost of the sign as determined under Section 216.009, based on a determination by the municipal board of the average annual gross revenue as determined under Section 216.008 that would be generated by the sign in its specific location if the sign were used as an off-premise sign rather than an on-premise sign. During the period in which a sign remains in place under this subsection, the owner of the sign shall maintain the sign in compliance with all other regulations applicable to the sign, including structural regulations.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987. Amended by Acts 1989, 71st Leg., ch. 1, Sec. 51(a), eff. Aug. 28, 1989; Acts 2003, 78th Leg., ch. 865, Sec. 2, eff. Sept. 1, 2003.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 742 (H.B. 2945), Sec. 1, eff. September 1, 2007.

Sec. 216.011. TAX APPRAISAL OF PROPERTY WITH NONCONFORMING SIGN. For each nonconforming sign, the board shall file with the appropriate property tax appraisal office the board's compensable costs value appraisal of the sign. The appraisal office shall consider the board's appraisal when the office, for property tax purposes, determines the appraised value of the real property to which the sign is attached.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.012. SPECIAL PROVISIONS FOR SIGNS UNDER SIGN ORDINANCE IN EFFECT ON JUNE 1, 1985. (a) This section applies to compensation for the required relocation, reconstruction, or removal of a sign under a municipal

ordinance in effect on June 1, 1985, that provided for compensation to the sign owner under an amortization plan.

(b) For a nonconforming sign erected after September 1, 1985, or for a sign in place on that date that later is made nonconforming by an extension of or strengthening of an ordinance that was in effect on June 1, 1985, and that provided an amortization plan, the amortization period is the entire useful life of the sign. If it has not already done so, the board shall determine the entire useful life of signs by type or category, such as mono-pole signs, metal signs, and wood signs. The useful life may not be solely determined by the natural life expectancy of a sign.

(c) Compensation for the relocation, reconstruction, or removal of a sign that, on September 1, 1985, was not in compliance with the sign ordinance shall be made in accordance with the applicable procedures of Section 6, Chapter 221, Acts of the 69th Legislature, Regular Session, 1985 (Article 1015o, Vernon's Texas Civil Statutes), and that law is continued in effect for this purpose.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.013. EXCEPTIONS. (a) The requirements of this subchapter do not apply to a sign that was erected in violation of local ordinances, laws, or regulations applicable at the time of its erection.

(b) The requirements of this subchapter do not apply to a sign that, having been permitted to remain in place as a nonconforming use, is required to be removed by a municipality because the sign, or a substantial part of it, is blown down or otherwise destroyed or dismantled for any purpose other than maintenance operations or for changing the letters, symbols, or other matter on the sign.

(c) For purposes of Subsection (b), a sign or substantial part of it is considered to have been destroyed only if the cost of repairing the sign is more than 60 percent of the cost of erecting a new sign of the same type at the same location.

(d) This subchapter does not limit or restrict the compensation provisions of the highway beautification provisions contained in Chapter 391, Transportation Code.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987. Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 284(82), eff. Sept. 1, 1991; Acts 1997, 75th Leg., ch. 165, Sec. 30.219, eff. Sept. 1, 1997.

Sec. 216.014. APPEAL. (a) Any person aggrieved by a decision of the board may file in district court a verified petition setting forth that the decision is illegal, in whole or in part, and specifying the grounds of the illegality. The petition must be filed within 20 days after the date the decision is rendered by the board.

(b) On the filing of the petition, the court may issue a writ of certiorari directed to the board to review the decision of the board and shall prescribe in the writ the time within which a return must be made, which must be longer than 10 days and may be extended by the court.

(c) The board is not required to return the original papers acted on by it, but it shall be sufficient to return certified or sworn copies of the papers. The return must concisely set forth all other facts as may be pertinent and material to show the grounds of the decision appealed from and must be verified.

(d) The court may reverse or affirm, wholly or partly, or modify the decision brought up for review.

(e) Costs may not be allowed against the board unless it appears to the court that the board acted with gross negligence, in bad faith, or with malice in making the decision appealed from.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.015. EFFECT OF PARTIAL INVALIDITY. (a) The legislature declares that it would not have enacted the following without the inclusion of Section 216.010(a), to the extent that provision excludes methods of compensation not specifically authorized by that provision:

(1) this subchapter;

(2) Section 216.902;

(3) Article 2, Chapter 221, Acts of the 69th Legislature, Regular Session, 1985 (codified as Chapter 394, Transportation Code); and

(4) the amendments made to Section 3, Property Redevelopment and Tax Abatement Act (codified as Chapter 312, Tax Code) by Article 4, Chapter 221, Acts of the 69th Legislature, Regular Session, 1985.

(b) If that exclusion of alternative methods of compensation is held invalid for any reason by a final judgment of a court of competent jurisdiction, the enactments described by Subsection (a) are void.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987. Amended by Acts 1997, 75th Leg., ch. 165, Sec. 30.220, eff. Sept. 1, 1997.

Sec. 216.901. REGULATION OF SIGNS BY HOME-RULE MUNICIPALITY. (a) A home-rule municipality may license, regulate, control, or prohibit the erection of signs or billboards by charter or ordinance.

(b) Subsection (a) does not authorize a municipality to regulate the relocation, reconstruction, or removal of a sign in violation of Subchapter A.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

Sec. 216.902. REGULATION OF OUTDOOR SIGNS IN MUNICIPALITY'S EXTRATERRITORIAL JURISDICTION. (a) A municipality may extend the provisions of its outdoor sign regulatory ordinance and enforce the ordinance within its area of extraterritorial jurisdiction as defined by Chapter 42. However, any municipality, in lieu of the regulatory ordinances, may allow the Texas Transportation Commission to regulate outdoor signs in the municipality's extraterritorial jurisdiction by filing a written notice with the commission.

(b) If a municipality extends its outdoor sign ordinance within its area of extraterritorial jurisdiction, the municipal ordinance supersedes the regulations imposed by or adopted under Chapter 394, Transportation Code.

(c) The authority granted to a municipality by this section to extend its outdoor sign ordinance does not apply to:

(1) on-premises signs in the extraterritorial jurisdiction of municipalities in a county described by Section 394.063, Transportation Code, if the circumstances described by that section occur;

(2) on-premises signs in a municipality's extraterritorial jurisdiction in a county that borders a county described by that law; and

(3) on-premises signs in the extraterritorial jurisdiction of a municipality with a population of 1.5 million or more that are located in a county that is adjacent to the county in which the majority of the land of the municipality is located.

Political and Campaign Signs

Right of Way Division

Interstate and Primary Highways

During campaign season, the landscape blooms with a special kind of flower - the political sign. Unlike wildflowers which are welcome anywhere, putting campaign signs on public lands is illegal. So before you plant that sign, learn the law and keep Texas beautiful.

TxDOT only controls the location of commercial signs, and never controls the content of any signage. If you have questions about what may be on a political sign, please contact the Texas Ethics Commission at (512) 463-5800.

Frequently Asked Questions

Where can I place political signs?

You can place your signs anywhere so long as they are:

- 1) not in the highway right of way;
- 2) not in a location that poses a safety hazard (e.g. blocking sight to a driveway); and
- 3) placed with the landowner's permission.

Always make sure to check with local authorities (cities, counties, etc.) as they may have their own restrictions on sign placement.

When can I place political signs?

Cities and counties may have their own time restrictions for political signs, however TxDOT does not enforce any timing restrictions.

There is a sign on private property posing a safety hazard

If you believe a sign or signs create a safety hazard, contact local law enforcement as they can have the owner remove or relocate their sign(s).

There are signs located on the Right of Way (ROW)

Signs cannot be placed on the ROW as per Texas Transportation Code §393.002. "A sheriff, constable, or other trained volunteer authorized by the commissioners court of a county may confiscate a sign placed in violation of Section 393.002." [TEX. TRANS. CODE §393.003]. For state-maintained highways, your local TxDOT district office also has the authority to remove signs located on state owned right of way.

Where is the ROW?

If you are unsure where the ROW starts or ends, you should contact your local TxDOT district office.

POLITICAL ADVERTISING

What You Need to Know

The Texas Election Code requires certain disclosures and notices on political advertising. The law also prohibits certain types of misrepresentation in political advertising and campaign communications. This brochure explains what you need to know to insure that your political advertising and campaign communications comply with the law.

If you are not sure what the law requires, do the cautious thing. Use the political advertising disclosure statement whenever you think it might be necessary, and do not use any possibly misleading information in political advertising or a campaign communication. If you are using political advertising or campaign communications from a prior campaign, you should check to see if the law has changed since that campaign.

Candidates for federal office should check with the Federal Election Commission at (800) 424-9530 for information on federal political advertising laws.

NOTICE: This guide is intended only as a general overview of the disclosure statements that must appear on political advertising as required under [Chapter 255 of the Election Code](#), which is distinct from political reporting requirements under [Chapter 254 of the Election Code](#).

REQUIRED DISCLOSURE ON POLITICAL ADVERTISING

I. What Is Political Advertising?

The disclosure statement and notice requirements discussed in this section apply to “political advertising.” In the law, “political advertising” is a specifically defined term. Do not confuse this special term with your own common-sense understanding of advertising.

To figure out if a communication is political advertising, you must look at what it says and where it appears. If a communication fits in one of the categories listed in Part A (below) and if it fits in one of the categories listed in Part B (below), it is political advertising.

Part A. What Does It Say?

1. Political advertising includes communications supporting or opposing a candidate for nomination or election to either a public office or an office of a political party (including county and precinct chairs).
2. Political advertising includes communications supporting or opposing an officeholder, a political party, or a measure (a ballot proposition).

Part B. Where Does It Appear?

1. Political advertising includes communications that appear in pamphlets, circulars, fliers, billboards or other signs, bumper stickers, or similar forms of written communication.
2. Political advertising includes communications that are published in newspapers, magazines, or other periodicals in return for consideration.
3. Political advertising includes communications that are broadcast by radio or television in return for consideration.
4. Political advertising includes communications that appear on an Internet website.

II. When Is a Disclosure Statement Required?

The law provides that political advertising that contains express advocacy is required to include a disclosure statement. The person who causes the political advertising to be published, distributed, or broadcast is responsible for including the disclosure statement.

The law does not define the term “express advocacy.” However, the law does provide that political advertising is deemed to contain express advocacy if it is authorized by a candidate, an agent of a candidate, or a political committee filing campaign finance reports. Therefore, a disclosure statement is required any time a candidate, a candidate’s agent, or a political committee authorizes political advertising.

The precise language of political advertising authorized by someone other than a candidate, the candidate's agent, or a political committee will determine if the advertising contains express advocacy and is therefore required to include a disclosure statement. Generally, the question is whether the communication expressly advocates the election or defeat of an identified candidate, or expressly advocates the passage or defeat of a measure, such as a bond election. The inclusion of words such as "vote for," "elect," "support," "defeat," "reject," or "Smith for Senate" would clearly constitute express advocacy, but express advocacy is not limited to communications that use those words. Similar phrases, such as "Cast your ballot for X," would also constitute express advocacy. Additionally, in 2007, the United States Supreme Court held that an advertisement included express advocacy or its functional equivalent "if the ad is susceptible to no reasonable interpretation other than as an appeal to vote for or against a specific candidate." *FEC v. Wis. Right to Life, Inc.*, 551 U.S. 449 (2007). It is a question of fact whether a particular communication constitutes express advocacy. If you are not sure whether political advertising contains express advocacy, do the cautious thing and include the disclosure statement. That way, there is no need to worry about whether you have violated the law.

Remember: The concept of "express advocacy" is relevant in determining whether political advertising is required to include a disclosure statement. However, the political advertising laws governing the right-of-way notice, misrepresentation, and use of public funds by political subdivisions will apply to political advertising regardless of whether the advertising contains express advocacy.

III. What Should the Disclosure Statement Say?

A disclosure statement must include the following:

1. the words "political advertising" or a recognizable abbreviation such as "pol. adv."; and
2. the full name of one of the following: (a) the person who paid for the political advertising; (b) the political committee authorizing the political advertising; or (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

The disclosure statement must appear on the face of the political advertising or be clearly spoken if the political advertising is audio only and does not include written text.

The advertising should not be attributed to entities such as "Committee to Elect John Doe" unless a specific-purpose committee named "Committee to Elect John Doe" has filed a campaign treasurer appointment with the Ethics Commission or a local filing authority.

IV. Are There Any Exceptions to the Disclosure Statement Requirement?

The following types of political advertising do not need the disclosure statement:

1. t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, candy wrappers, and similar materials;
2. invitations or tickets to political fundraising events or to events held to establish support for a candidate or officeholder;

3. an envelope that is used to transmit political advertising, provided that the political advertising in the envelope includes the disclosure statement;
4. circulars or fliers that cost in the aggregate less than \$500 to publish and distribute;
5. political advertising printed on letterhead stationery, if the letterhead includes the name of one of the following: (a) the person who paid for the advertising, (b) the political committee authorizing the advertising, or, (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate. (Note: There is also an exception for holiday greeting cards sent by an officeholder, provided that the officeholder's name and address appear on the card or the envelope.)
6. postings or re-postings on an Internet website if the person posting or re-posting is not an officeholder, candidate, or political committee and did not make an expenditure exceeding \$100 in a reporting period for political advertising beyond the basic cost of hardware messaging software and bandwidth;
7. an Internet social media profile webpage of a candidate or officeholder, if the webpage clearly and conspicuously displays the full name of the candidate or officeholder; and
8. postings or re-postings on an Internet website if the advertising is posted with a link to a publicly viewable Internet webpage that either contains the disclosure statement or is an Internet social media profile webpage of a candidate or officeholder that clearly and conspicuously displays the candidate's or officeholder's full name.

V. What Should I Do If I Discover That My Political Advertising Does Not Contain a Disclosure Statement?

The law prohibits a person from using, causing or permitting to be used, or continuing to use political advertising containing express advocacy if the person knows it does not include the disclosure statement. A person is presumed to know that the use is prohibited if the Texas Ethics Commission notifies the person in writing that the use is prohibited. If you receive notice from the Texas Ethics Commission that your political advertising does not comply with the law, you should stop using it immediately.

If you learn that a political advertising sign designed to be seen from the road does not contain a disclosure statement or contains an inaccurate disclosure statement, you should make a good faith attempt to remove or correct those signs that have been distributed. You are not required to attempt to recover other types of political advertising that have been distributed with a missing or inaccurate disclosure statement.

VI. The Fair Campaign Practices Act.

The [Fair Campaign Practices Act](#) sets out basic rules of decency, honesty, and fair play to be followed by candidates and political committees during a campaign. A candidate or political committee may choose to subscribe to the voluntary code by signing a copy of the code and filing it with the authority with whom the candidate or committee is required to file its campaign

treasurer appointment. A person subscribing to the code may indicate that fact on political advertising by including the following or a substantially similar statement:

(Name of the candidate or political committee, as appropriate) subscribes to the Code of Fair Campaign Practices.

VII. Special Notice to Political Subdivisions and School Districts.

You may not use public funds or resources for political advertising. Please see our “Publications and Guides” section of our website for more information.

ROAD SIGNS

I. When Is the “Right-Of-Way” Notice Required?

All written political advertising that is meant to be seen from a road must carry a “right-of-way” notice. It is a criminal offense to omit the “right-of-way” notice in the following circumstances:

1. if you enter into a contract or agreement to print or make written political advertising meant to be seen from a road; or
2. if you instruct another person to place the written political advertising meant to be seen from a road.

II. What Should the “Right-Of-Way” Notice Say?

Section 259.001 of the Texas Election Code prescribes the exact language of the notice:

NOTICE: IT IS A VIOLATION OF STATE LAW (CHAPTERS 392 AND 393, TRANSPORTATION CODE) TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY.

III. Do Yard Signs Have to Have the “Right-Of-Way” Notice?

Yes. The “right-of-way” notice requirement applies to signs meant to be seen from any road. The notice requirement assures that a person responsible for placing signs is aware of the restriction on placing the sign in the right-of-way of a highway.

IV. What About Bumper Stickers?

Bumper stickers do not need the “right-of-way” notice. They do, however, need a political advertising disclosure statement.

V. Where May I Place My Signs and How Long May Signs Be Posted?

For information about exactly where you may or may not place signs, or for information regarding the length of time your signs may be posted, check with your city or county government or your homeowner’s association. The Texas Ethics Commission does not have

jurisdiction over matters involving the location of signs, and the length of time that they may be posted.

MISREPRESENTATION

I. Are There Restrictions on the Contents of Political Advertising?

Political advertising and campaign communications may not misrepresent a person's identity or official title, nor may they misrepresent the true source of the advertising or communication. The election law does not address other types of misrepresentation in political advertising or campaign communications.

Note that the misrepresentation rules apply to both political advertising and campaign communications. "Campaign communication" is a broader term than "political advertising."

A "campaign communication" means "a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure."

II. Misrepresentation of Office Title.

A candidate may not represent that he or she holds an office that he or she does not hold at the time of the representation. **If you are not the incumbent in the office you are seeking, you must make it clear that you are seeking election rather than reelection by using the word "for" to clarify that you don't hold that office.** The word "for" must be at least one-half the type size as the name of the office and should appear immediately before the name of the office. For example, a non-incumbent may use the following formats:

**Vote John Doe
for Attorney General**

**John Doe
For
Attorney General**

A non-incumbent may not be allowed to use the following verbiage:

**Elect John Doe
Attorney General**

**John Doe
Attorney General**

III. Misrepresentation of Identity or Source.

A person violates the law if, with intent to injure a candidate or influence the result of an election, the person misrepresents the source of political advertising or a campaign communication or if the person misrepresents his or her own identity or the identity of his or her agent in political advertising or in a campaign communication. (If someone else is doing something for you, that person is your agent.) For example, you may not take out an ad in favor of your opponent that purports to be sponsored by a notoriously unpopular group.

IV. Use of State Seal.

Only current officeholders may use the state seal in political advertising.

V. Criminal Offenses.

Be aware that many violations of the Election Code are criminal offenses. For example, unlawfully using public funds for political advertising can be a Class A misdemeanor. So can misrepresenting one's identity or office title in political advertising. For more details on these offenses and political advertising in general, see [Chapter 255 of the Election Code](#).

Rule No. 1

File a Campaign Treasurer Appointment

All candidates must file a campaign treasurer appointment with the proper filing authority before accepting a campaign contribution or making or authorizing a campaign expenditure, including an expenditure from personal funds.

All political committees must file a campaign treasurer appointment before accepting or spending over ~~\$940~~\$930, and additional requirements may also apply.

Rule No. 2

No Raffles

Texas law allows only certain charitable and nonprofit organizations to conduct raffles to support their charitable causes. An unlawful raffle may constitute illegal gambling, which may carry criminal penalties.

For more information see: texasattorneygeneral.gov/divisions/financial-litigation/charitable-trusts/charitable-raffles-and-casinopoker-nights on the Office of the Attorney General's website.

Rule No. 3

No Cash Contributions Over \$100

Texas law prohibits a candidate, officeholder, or specific-purpose committee from accepting political contributions in cash (excluding checks) that in the aggregate exceed \$100 from a single contributor in a reporting period.

Rule No. 4

Auction Activity is Reportable

Donations to a candidate or political committee at a fundraiser are campaign contributions.

An item donated to be auctioned at a fundraiser is an “in-kind” campaign contribution. The purchase of the item at the auction is also a contribution. Both the item and the purchase price must be reported as political contributions.

Rule No. 5

No Anonymous Contributions

Texas law requires filers to know the name of each contributor and the amount of each contribution, even for small contributions. Do not “pass the hat” or use a contribution jar. Depending on the filer and the amount of the contribution, additional information may be required.

Rule No. 6

No Contributions from Corporations or Labor Organizations

Texas law prohibits corporations and labor organizations from making political contributions to candidates, officeholders, and related specific-purpose committees. Contributions to GPACs are also restricted. Limited exceptions also exist.

The prohibition also applies to other organizations, such as partnerships and limited liability companies (LLC), if they are owned by a corporation or include an incorporated member or partner.

Rule No. 7

No Contributions from Foreign Nationals

The Federal Election Campaign Act (FECA) prohibits certain foreign nationals from contributing, donating, or spending funds in connection with any federal, state, or local election in the U.S., either directly or indirectly. It is also unlawful to help foreign nationals violate that ban or to solicit, receive, or accept contributions or donations from them.

Rule No. 8

No Misuse of Government Property to Campaign

Chapter 39 of the Penal Code prohibits a public servant from using government property, services, personnel, or any other thing of value belonging to the government to obtain a benefit or to harm or defraud another. The commission has held that the use of state computers to prepare campaign finance reports, or to use state resources to gather information for a campaign fundraiser, constitutes a misuse of government property.

The Commission does not have the authority to enforce the Penal Code.

A sworn complaint sets in motion a process that may include a preliminary review hearing and a formal hearing, and which permits resolution of the matter at several points in the process. The Commission may ultimately resolve a sworn complaint by dismissal, referral for criminal prosecution, or imposition of a civil penalty. A final decision of the Commission in a sworn complaint process may be appealed to a district court for a trial de novo. During most stages of the process, the Commissioners and Commission staff members are required to keep the complaint confidential.

Revised January 10, 2017

THE TEXAS ETHICS COMMISSION

On November 5, 1991, Texas voters approved an amendment that added Article III, Section 24a, to the Texas Constitution. The constitutional amendment created the Texas Ethics Commission. The amendment set out the method by which the eight members of the Commission are to be appointed, with four of the Commissioners appointed by the Governor, two appointed by the Lieutenant Governor, and two appointed by the Speaker of the Texas House of Representatives. No more than four members may be from the same political party.

CONSTITUTIONAL DUTIES

The Texas Constitution provides that the Ethics Commission may recommend the salary of members of the Legislature, the Lieutenant Governor, and the Speaker of the House of Representatives, subject to approval by the voters at the subsequent general election for state and county officers. Also, the Commission must set the *per diem* of members of the Legislature and of the Lieutenant Governor. The Legislature is to determine the other powers and duties of the Commission.

RULEMAKING

The Ethics Commission has rulemaking authority with respect to the laws it administers. Adoption of a rule requires an affirmative vote by six Commissioners.

LAWS ADMINISTERED BY THE TEXAS ETHICS COMMISSION

Statutory duties of the Ethics Commission are in Chapter 571 of the Government Code. All petition papers comprising an initiative or referendum petition shall be assembled and filed with the City Clerk as one instrument. Within twenty (20) days after a petition is filed, the City Clerk shall determine whether each paper of the petition has a proper statement of the circulator and whether the petition is signed by a sufficient number of qualified electors. The City Clerk shall declare any petition paper entirely invalid which does not have attached thereto an affidavit signed by the circulator thereof. If a petition paper is found to be signed by more persons than the number of signatures certified by the circulator, the last signatures in excess of the number certified shall be disregarded. The finding of the insufficiency of a petition shall not prejudice the filing of a new petition for the same purpose.

Sec. 6. Effect of Certification of Referendum Petition.

When a referendum petition, or amended petition as defined in Section 5 of this Charter, has been certified as sufficient by the City Clerk, the ordinance specified in the petition shall not go into effect, or further action thereunder shall be suspended if it shall have gone into effect, until and unless approved by the electors, as hereinafter provided.

Any number of ordinances may be voted on at the same election and may be submitted on the same ballot, but any paper ballot used for voting thereon shall be for that purpose only. If voting machines are used, the ballot title of any ordinance shall have below it the same two propositions, one above the other or one preceding the other in the order indicated, and the elector shall be given an opportunity to vote for either of the two propositions and thereby to vote for or against the ordinance.

Sec. 10. Results of Election.

If a majority of the electors voting on a proposed initiative ordinance shall vote in favor thereof, it shall thereupon be an ordinance of the City. A referred ordinance which is not approved by a majority of the electors voting thereon shall thereupon be deemed repealed. If conflicting ordinances are approved by the electors at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict.

Sec. 11. Repealing Ordinance; Publication.

No petition paper shall be accepted as part of a petition unless it bears the signature of the City Clerk as required in Section 13 herein.

Sec. 15. Recall Election.

The City Clerk shall at once examine the recall petition and if the City Clerk finds it sufficient and in compliance with the provisions of this Article of the Charter, the City Clerk shall within five (5) days submit it to the City Council with the City Clerk's certificate to that effect and notify the officer sought to be recalled of such action. If the officer whose removal is sought does not resign within five (5) days after such notice the City Council shall thereupon order and fix a date for holding a recall election, the date of which shall be as soon as possible after the date the petition was presented to the City Council and at the earliest date permitted by the state election code.

If a majority of the votes cast at such an election be for the recall of the officer named on the ballot, the officer shall, regardless of any technical defects in the recall petition, be deemed removed from office and the vacancy shall be filled by the City Council as in other vacancies.

Sec. 18. Limitations on Recalls.

powers granted by Title 28, Chapter 4, Article 1011A to 1011J, both inclusive, of the 1925 Revised Civil Statutes of Texas, together with existing amendments and all amendments as hereinafter may be made relating to zoning in cities, are hereby adopted and made a part of this Charter.

Sec. 6. Provisions Relating to Assignment, Execution and Garnishment.

The property, real and personal, belonging to the City shall not be liable to be sold or appropriated under any writ of execution or cost bill. The funds belonging to the City, in the hands of any person, firm or corporation, shall not be liable to garnishment, attachment, or sequestration; nor shall the City be liable to garnishment on account of any debt it may owe or funds or property it may have on hand or owing to any person. Neither the City nor any of its officers or agents shall be required to answer any such writ of garnishment on any account whatever. The City shall not be obligated to recognize any assignment of wages or funds by its employees, agents or contractors, except as required by state or federal law.

Sec. 7. City Not Required to Give Security or Execute Bond.

It shall not be necessary in any action, suit or proceeding in which the City of Bellaire is a party, for any bond, undertaking or security to be demanded or executed by or on behalf of said City in any of the State courts, but in all such actions, suits, appeals or proceedings, same shall be conducted in the same manner as if such bond, undertaking or security had been given as required by law, and said City shall be just as liable as if security of bond had been duly executed.

Sec. 8. Effect of This Charter on Existing Law.

All ordinances, resolutions, rules and regulations now in force under the City government of Bellaire and not in conflict with the provisions of this Charter, shall remain in force under this Charter until altered, amended or repealed by the Council after this Charter takes effect.

Sec. 9. Interim Municipal Government. [Deleted].

Sec. 10. Amending the Charter.

Amendments to this Charter may be framed and submitted to the electors of the City by a Charter commission in the manner provided by law for framing and submitting a new Charter. Amendments may also be proposed and submitted by ordinance, passed by a majority vote of the full membership of the Council, or by a petition signed by not less than twenty-five percentum (25%) of the number of those who voted at the last regular municipal election; provided, however that in the latter case the petition must bear the signatures of at least ten percentum (10%) of the qualified voters of the City. When a Charter amendment petition shall have been filed with the Council in conformity with the provisions of this Charter as to petitions for initiated ordinances, the Council shall forthwith provide by ordinance for submitting such proposed amendment to a vote of the electors. Any ordinance for submitting a Charter amendment to the electors shall provide that such amendment be submitted at the next regular municipal election. Not less than thirty (30) days prior to such election, the City clerk shall mail a copy of the proposed amendment or amendments to each qualified voter in said City as appears from the latest rolls of the tax collector. If a proposed amendment be approved by a majority of the electors voting thereon, it shall become a part of the Charter at the time fixed therein. Each amendment shall be confined to one subject; and when more than one amendment shall be submitted at the same time, they shall be so submitted as to enable the electors to vote on each amendment separately.

Sec. 11. Separability Clause.

If any section or part of section of this Charter shall be held invalid by a Court of competent jurisdiction, such holding shall not affect the remainder of this Charter nor the context in which such Section or part of Section so held invalid may appear, except to the extent that an entire Section or part of Section may be inseparably connected in meaning and effect with the Section or part of Section to which such holding shall directly apply.

Sec. 12. Submission of Charter to Electors.

The Charter Commission in preparing this Charter finds and decides that it is impracticable to segregate each subject so as to permit a vote of "Yes" or "No" on the same, for the reason that the Charter is so constructed that in order to enable it to work and function it is necessary that it should be adopted in its entirety. For these reasons the Charter Commission directs that the said Charter be voted upon as a whole, and that it shall be submitted to the qualified voters of the City of Bellaire at an election to be held for that purpose on the 2nd day of April, A.D. 1949. If a majority of the qualified electors voting in such election shall vote in favor of the adoption of this Charter, it shall then and there become effective as the Charter of the City of Bellaire, and after the returns have been canvassed, the same shall be declared adopted, and the City Clerk shall file an official copy of the Charter with the records of the City. The Clerk shall furnish the Mayor a copy of said Charter, which copy of the Charter so adopted, authenticated and certified by the Clerk's signature and the seal of the City, shall be forwarded by the Mayor to the Secretary of State of the State of Texas and shall show the approval of such Charter by majority vote of the qualified electors voting at such election.

In not less than thirty (30) days prior to such election, the City Council shall cause the City Secretary to mail a copy of this Charter to each qualified voter of the City of Bellaire as appears from the Tax Collector's roll for the year ending January 31, preceding said election.

The original Home Rule Charter for the City of Bellaire, Texas as adopted April 2, 1949, was signed by the following Bellaire Charter Commission members, and is on file in the office of the City Clerk.

Sec. 13. Rearrangement and Renumbering of Charter and Elimination.

The Council shall have the power, by ordinance, to make the following non-substantive revisions to the Charter, so long as such revisions do not affect the intent of the Charter: 1) renumbering and rearranging all articles, sections, and paragraphs of this Charter or any amendments; 2) to make any grammatical or typographical corrections to this Charter; and 3) to make the Charter gender neutral. Upon the passage of any such ordinance, a copy certified by the City Clerk shall be forwarded to the Clerk of the State for filing.

The purpose of these *Rules* is to establish an orderly and effective set of procedures for conducting the meetings of the City Council.

ARTICLE 1.

AUTHORITY

Section A. City Council Determines its Own Rules.

The Charter of the City of Bellaire, Texas, as amended November 3, 2020 ("*City Charter*"), Article II, The Council, Section 17, *Rules of Procedure*; grants to the City Council the right to determine its own rules of procedure. These *Rules* are adopted by authority of that provision.

Section B. Precedence of Authority.

The precedence of authority in all matters associated with the meetings and activities of the City Council shall be: 1) the Constitution and laws of the United States of America; 2) the Constitution and laws of the State of Texas; 3) the *City Charter*; 4) the *Code of Ordinances of the City of Bellaire, Texas* ("*City Code*"); 5) these *Rules*; and 6) *Robert's Rules of Order Newly Revised 11th Edition* ("*Robert's Rules*").

ARTICLE 2.

GENERAL RULES OF PROCEDURE AND POLICIES

Section A. Recording and Broadcasting of Meetings.

Meetings of the City Council will generally be digitally recorded, and broadcast and available for replay on the City public access television channel and the City website.

Section B. Minutes of Meetings.

Minutes of all meetings of the City Council shall be open to public inspection. Such minutes shall concisely state all matters presented to the City Council for a vote and a record of the action taken.

Section C. Quorum.

A quorum of the City Council is four (4) members, of whom the Mayor shall be counted as one. *City Charter, Article II, The Council, Section 15, Meetings of Council.* The affirmative vote of four (4) members of the City Council shall be required for any main motion to pass, except as may be specified for certain motions by applicable rule or law requiring a greater number.

Section D. Absence of Mayor.

The Mayor Pro Tempore shall act in the absence of the Mayor. *City Charter, Article II, The Council, Section 5, Mayor Pro Tempore.*

Section E. Absence of Both Mayor and Mayor Pro Tempore.

In the absence of both the Mayor and the Mayor Pro Tempore at a meeting of the City Council, the member who holds the lowest numbered City Council position (i.e., position number 1, position number 2, etc.) among the members present shall preside over the meeting in their absence.

Section F. Attendance of City Manager or Assistant City Manager.

The City Manager or Assistant City Manager, unless excused, shall attend all City Council meetings and, upon request, shall make recommendations and take part in discussion. He or she shall orally provide periodic status reports on City affairs to the City Council and the public at such meetings.

Section G. Attendance of City Attorney.

The City Attorney or his or her designee, unless excused, shall attend all City Council meetings and shall provide opinions on questions of law. He or she shall orally provide periodic status reports on non-privileged legal matters to the City Council and the public at such meetings. The City Attorney or his or her designee shall also serve as parliamentarian and advise the City Council on procedural matters when requested.

Section H. Attendance of City Clerk.

The City Clerk or his or her designee, unless excused, shall attend all City Council meetings and shall keep all official minutes, electronic files and video and audio recordings of City Council proceedings.

Section I. Attendance of City Employees and Consultants.

The City Council may request, through the City Manager, that any City employee or consultant attend City Council meetings to present information relating to business before the City Council.

Section J. Individuals Presenting to City Council.

In the event individuals shall come before the City Council to make a presentation, the Mayor shall introduce the person making the presentation or invite that person to introduce him or herself.

Section K. Rules Governing Personal/Audience Comments.

It is the desire of the City Council to hear from the residents of Bellaire and other interested persons, and to stimulate discussion of subjects that are properly a concern of the City Council. The following rules shall govern personal/audience comments at regular sessions (or, as the case may be, special sessions) of the City Council.

1. Mayor to State Rules.

Immediately preceding the opening of personal/audience comments, the Mayor shall summarize briefly the rules governing personal/audience comments.

2. Mayor Shall Recognize Individual Speakers.

All individuals desiring to address the City Council must submit to the City Clerk a request to speak on a sign-up sheet prior to the time for personal/audience comments. Each speaker must first be recognized by the Mayor and shall give his or her name. The Mayor shall recognize each individual, in turn, hearing from all who desire to comment.

3. Time Limit.

Each speaker shall have a time limit of up to five (5) minutes, with no extension, and with notice after four (4) minutes that one (1) minute is left. In the event of pressing business before the City Council or matters requiring its immediate attention or action, the City Council may, prior to the opening of audience comments, set a different maximum time limit for each speaker by a vote of four (4) members of the City Council.

4. Subjects Introduced by the Public During a Meeting of City Council.

The Texas Open Meetings Act, *Texas Government Code, Chapter 551*, prohibits the City Council from fully discussing, debating, or considering subjects for which public notice has not been given on the agenda. *See Article 5, Rules Governed by Texas Open Meetings Act, Section C, Non-Agendaed Subjects Introduced During a Meeting of City Council, of these Rules.*

5. Termination of Personal/Audience Comments.

Personal/audience comments may be concluded by the Mayor. This action may be appealed or overturned by a vote of four (4) members of the City Council. The City Council may terminate personal/audience comments for a particular City Council meeting by a vote

of four (4) members of the City Council. In all cases, the Mayor shall announce the conclusion of personal/audience comments.

Section L. Written Comments.

Written comments may be submitted to the City Clerk in connection with a meeting of the City Council, in lieu of oral personal/audience comments, by residents of Bellaire and other interested persons either not in attendance or who prefer not to speak at the meeting. Such written comments must be received prior to the start of the meeting to be included in the record of the meeting. At the conclusion of personal/audience comments, the Mayor shall identify for the record all written comments received, stating the name of the commenter and concisely summarizing the subject of the comment. The City Clerk shall distribute to all members of the City Council, as soon as reasonably practicable, copies of such written comments for their consideration.

Section M. Introduction of Agenda Items.

The Mayor shall read each agenda item and, as appropriate, briefly introduce it. In the event an item provides for consideration and action on a proposed ordinance, the Mayor shall read the caption of the ordinance or a concise but complete summary thereof as it appears on the agenda.

Section N. Deliberation.

Items on the agenda shall be formally considered by motion and vote. Following a motion duly made and seconded, debate and discussion shall begin.

Section O. Mayor or Clerk to State Question.

Before any vote is taken on any question before the City Council, the Mayor or City Clerk shall restate the motion.

Section P. Mayor or Clerk to Announce the Vote.

The Mayor or the City Clerk shall, at the conclusion of the vote on each question, announce the result.

Section Q. Recording of the Vote.

All votes on any motion shall be recorded and, if not unanimous, the name of each member of the City Council voting in the minority and/or abstaining shall be clearly stated in the record.

Section R. Abstention.

An abstention from voting shall not be considered as approving or disapproving the motion. The member abstaining may state for the record his or her reasons for abstaining, but shall not be required to do so.

Section S. Conflicts of Interest.

In the event a member of the City Council shall have a conflict of interest concerning any matter to be considered, he or she must disclose the nature and extent of his or her interest prior to the consideration of the matter and recuse him or herself from all proceedings concerning that matter. After disclosing the nature and extent of his or her interest, he or she shall step down from the dais while the matter is being considered and/or acted upon by the City Council. *See City Code, Chapter 2, Administration, Article VI, Code of Ethics.*

Furthermore, if the conflict of interest involves a substantial interest in a business entity or in real property, the affected member of City Council shall file with the City Clerk, prior to the consideration of the matter, an affidavit stating the nature and extent of his or her interest and shall abstain from further participation in the matter to the extent required by *Texas Local Government Code, Chapter 171, Regulation of Conflicts of Interest of Officers of Municipalities, Counties, and Certain Other Local Governments, Section 171.004.*

Section T. Preservation of Order.

The Mayor shall preserve order and decorum, prevent the impugning of members' motives, and confine members to debate of the questions under discussion. If necessary, the Mayor shall cause to be silenced or removed from the Council Chamber any person speaking out of order or disrupting the order of the meeting.

Section U. City Manager's Weekly Memorandum.

The City Manager shall issue to the City Council a weekly memorandum concerning affairs, problems and other matters that should properly be brought to the attention of the City Council. Such memorandum shall be made available to the City Council on or before the end of each work week.

Section V. City Attorney's Legal Memoranda.

The City Attorney shall regularly issue to the City Council memoranda concerning the status of current legal matters affecting the City and advising the City Council of his or her activities on behalf of the City since the last memorandum, on an as-needed basis but no less frequently than by the close of business each Friday immediately preceding a regular session of the City Council. Such memoranda shall be subject to and protected from disclosure by the attorney-client privilege, to the extent applicable.

Section W. Amendment of Rules.

Any provisions of these *Rules* not governed by federal or state law, the *City Charter*, or the *City Code* may be amended by a vote of five (5) members of the City Council.

ARTICLE 3.

MEETINGS OF THE CITY COUNCIL

Section A. Regular Sessions.

Regular sessions of the City Council shall be held on the first and third Mondays of each month, at 7:00 p.m. or at such other hour as may be stated in the notice. In the event the first or third Monday of a month is a legal holiday, then the regular session that would otherwise be held on that day shall instead be held on the next Monday thereafter.

In addition to the regular order of business (*see Article 4, Agenda Procedure, Section E, Order of Business, of these Rules*), regular sessions (or, as the case may be, special sessions) may consist of one or more meetings, including workshops, public hearings, town hall meetings, closed meetings and the annual state of the city.

Section B. Special Sessions.

Special sessions may be called upon request of either the Mayor, the City Manager, or a majority of the members of the City Council (*City Charter, Article II, The Council, Section 15, Meetings of Council*), at times other than those specified for regular sessions, for any business that could otherwise be conducted in a regular session.

Section C. Workshops.

Workshops are meetings called for the purpose of conducting a detailed and thorough exploration of matters that may properly come before the City Council.

1. Subject Matter.

Only a limited number of matters shall be considered by the City Council during a workshop, and sufficient time for consideration of such matters shall be provided.

2. Documents and Exhibits to be Presented.

All documents, exhibits, maps, plats, architectural drawings, specifications and other similar documents to be considered in a workshop shall be made available to the City Council at least 72 hours before the beginning of such workshop so that sufficient time may be allowed for each member of the City Council to study and be prepared to discuss such documents in the workshop.

3. Questions of a Technical Nature.

All questions of a technical nature, which require a detailed explanation for understanding, may be considered in a workshop. The City Council may request, through the City Manager, the appearance of any City employee or outside consultant as may be necessary to secure factual answers to such technical questions.

4. No Action.

No action may be taken in a workshop. An informal motion may be made to request additional information, to schedule additional workshop(s), or to place an item on a subsequent meeting agenda. Informal motions may be passed by a vote of four (4) members of the City Council.

5. Minutes of Workshops.

Because no action may be taken, minutes are not prepared for workshops. The minutes of the regular or special session within which a workshop is held shall provide a concise description of the subject matter and identify all participants in the workshop.

6. No Audience Comments or Questions.

Audience comments or questions will not be received at a workshop.

Section D. Public Hearings.

Public hearings are meetings legally required by Texas statutes and the *City Code* to record public comment on a matter being considered by the City Council. These same statutes and ordinances also govern how the public hearings are to be conducted.

1. Reading of the Notice of the Public Hearing.

After the Mayor has called the meeting to order and announced the presence of a quorum of the City Council, the City Clerk shall read the notice and call of the public hearing. This is the same notice that was published and/or mailed to all persons entitled to written notice.

2. Summary of Procedure.

The City Manager shall be recognized to present a brief summary of the procedure to be followed during the public hearing.

3. Presentation of Proposal.

The applicant or recommending body shall be recognized to explain the proposal that is the subject of the public hearing. The presentation will be limited to 15 minutes unless a different time limit is adopted by a majority vote of the City Council.

4. Public Comment.

The Mayor will recognize speakers who have completed a sign-up sheet prior to the commencement of the public hearing. Each speaker shall have a time limit of up to five (5) minutes, with no extension, and with notice after four (4) minutes that one (1) minute is left. Questions from the public shall be addressed to the Mayor, and the Mayor and members of the City Council may refer such questions to the applicant or recommending body, or to staff as appropriate.

5. Questions from Mayor and Members of City Council.

The Mayor and members of the City Council will have an opportunity to ask questions of the applicant or of staff concerning the proposal, but shall express no opinions at the public hearing.

6. Close of the Public Hearing.

At the conclusion of the public hearing, the Mayor shall announce the deadline for written public comments, as applicable, and close the public hearing.

7. Written Public Comments; Deadline.

For public hearings that are adjudicative in nature (for example, concerning applications governed by the zoning code), oral public comment on the proposal will not be received following the close of the public hearing. The public may submit written comments to the City Council prior to its final deliberation. All written comments on the application must be received in the City Clerk's office by noon on the Thursday preceding the meeting of final deliberation for inclusion in the public record of the proceedings. For public hearings that are strictly legislative in nature (for example, concerning the annual budget of the City), the foregoing limitations on public comment following the close of the public hearing shall not apply.

Section E. Town Hall Meetings.

Town hall meetings are called by the City Council to present information concerning matters of public interest and to receive public comment on such matters. They are similar to public hearings, but are not legally required by statute or ordinance, nor is their conduct governed thereby.

1. Introduction of the Subject.

After the Mayor has called the meeting to order and announced the presence of a quorum of the City Council, the Mayor shall briefly introduce the subject of the town hall meeting.

2. Summary of Procedure.

The City Manager shall be recognized to present a brief summary of the procedure to be followed during the town hall meeting.

3. Presentation.

The City Manager or other employee, or an outside consultant as appropriate, shall be recognized to present information to the public concerning the subject of the town hall meeting.

4. Public Comment.

The Mayor will recognize speakers who have completed a sign-up sheet prior to the commencement of the town hall meeting. Each speaker shall have a time limit of up to five (5) minutes, with no extension, and with notice after four (4) minutes that one (1) minute is left. Questions from the public shall be addressed to the Mayor, and the Mayor and members of the City Council may refer such questions to staff as appropriate.

5. Questions from Mayor and Members of City Council.

The Mayor and members of the City Council will have an opportunity to ask questions of staff concerning the subject of the town hall meeting, but shall express no opinions.

6. No Deliberation or Action.

The City Council shall not deliberate or take any action in a town hall meeting. At the conclusion of the meeting, the Mayor shall announce to the public the date of the meeting at which deliberation or action on the subject of the town hall meeting is anticipated, to the extent known.

Section F. Closed Meetings (Executive Sessions).

Closed meetings (commonly known as "executive sessions") are permitted only for the purposes enumerated in *Texas Government Code, Chapter 551, Open Meetings Act, Subchapter D, Exceptions to Requirement That Meetings be Open*. Disclosure of topics to be discussed shall be made to the public in accordance with the requirements of the *Open Meetings Act*.

Rules governing closed meetings are addressed in *Article 5, Rules Governed by Texas Open Meetings Act, of these Rules*.

Section G. Annual State of the City.

At the City Council's first regular session in February of each year, the Mayor shall present an annual State of the City address to the public, and the City boards and commissions shall present their annual reports to the City Council and the public. See *City*

Code, Chapter 2, Administration, Article VII, Boards and Commissions, Section 2-104, Annual or special reports to city council.

ARTICLE 4.

AGENDA PROCEDURE

Section A. Posting of the Agenda.

The Mayor and City Manager, or an appropriate designee, shall prepare an agenda and cause the same to be posted by the end of the day on the Thursday preceding the meeting, or as soon thereafter as reasonably practicable but not later than 72 hours in advance of the meeting. The agenda and accompanying meeting packet shall be distributed to members of the City Council and made available to the public as soon as reasonably practicable on the day of posting.

Section B. Agenda Requests.

Any member of the City Council or the City Manager may place an item on the agenda. Staff assistance, if required, should be requested through the City Manager.

No item shall be included on the agenda unless a request to include the same has been made, and all supporting materials provided, to the City Manager or City Clerk by 5:00 p.m. thirteen days prior to the date of the meeting. This provision shall not apply in the event of an emergency meeting of the City Council or the emergency addition of an item to the agenda, which are instead governed by *Texas Government Code, Chapter 551, Open Meetings Act, Section 551.045*.

Section C. Consent Agenda.

The consent agenda may consist of any and all business regularly coming before the City Council, excluding: i) ordinances finally adopting amendments to *Chapter 24, Planning and Zoning*, of the *City Code*; and ii) ordinances adopting, amending, or otherwise relating to the budget of the City.

All items set out in the consent agenda shall be deemed passed upon the passage of an affirmative motion, by a vote of at least four (4) members of the City Council without discussion or debate, that the consent agenda be adopted. Upon the passage of such motion, all items included in the consent agenda shall be deemed adopted as if voted upon separately and as if the caption and/or body of any ordinance therein set out shall have been read in full. The City Clerk is authorized to affix to all ordinances therein set out, consecutive numbers beginning with the first number available for new ordinances.

Upon request of any member of the City Council, items shall be removed from the consent agenda and considered separately.

Section D. City Manager Shall Provide Analysis.

The City Manager shall provide the City Council with an analysis of items requested by staff to be on the agenda, by the end of the day on the Thursday preceding the meeting, or as soon thereafter as reasonably practicable but not later than 72 hours in advance of the meeting. However, in the case of an emergency, this provision shall be suspended. Said analysis should include sufficient detail so that members of the City Council are able to make an informed decision on the matter based solely on the information provided in the analysis.

Section E. Order of Business.

The following sequence of items shall, in general, be the order of business for regular sessions (or, as the case may be, special sessions) of the City Council.

1. Call to Order.

The Mayor shall call the meeting to order.

2. Announcement of a Quorum.

The Mayor shall announce that a quorum of the City Council is present and shall state, for the record, the names of all members of the City Council that are absent.

ARTICLE 6.

REFERENCE: SELECTED RULES OF PARLIAMENTARY PROCEDURE

This article references some of the more commonly cited parliamentary rules, but is not intended to be an exhaustive listing, nor is it a substitute for *Robert's Rules*, which shall guide the conduct of business before the City Council except where inconsistent with federal or state law, the *City Charter*, the *City Code*, or as otherwise provided in these *Rules*.

Section A. Order of Precedence of Motions.

Robert's Rules shall prevail as to the order of precedence of motions and types of motions.

Section B. Right to the Floor.

Any member of the City Council desiring to speak shall be recognized by the Mayor and shall confine his or her remarks to the subject under consideration. No member shall speak more than once to a question until every member wishing to speak shall have spoken.

Section C. Motion to Postpone.

A motion to postpone consideration of a matter can be used by: 1) postponing the motion until a certain time; 2) postponing the motion and referring it to a committee for further investigation; or 3) postponing the motion indefinitely, which kills the motion. A motion to postpone is debatable and amendable. To postpone a motion, a motion must be made and can only be made at such time as another member of the City Council is not speaking. A simple majority vote is required for the motion to pass.

Section D. Motion to Amend a Pending Motion.

A member of the City Council who desires to modify the wording of a pending motion by adding and/or striking out words may move to amend the motion. This motion is debatable and such amendment can be passed by a vote of four (4) members of the City Council.

Section E. Substitute Motion.

A member of the City Council who desires to substitute a motion for the one being considered may make a substitute motion, which acts as an amendment to the pending

motion and is itself amendable. Once the substitute motion is adopted, the vote on the original motion is not necessary, the substitute motion being the motion then on the floor.

Section F. Motion to Close Debate or to Move the Previous Question.

A motion to close debate or to move the previous question is a motion to stop debate on the pending motion. This motion can be made only at such time as no one else is speaking and the Mayor recognizes the person making the motion, and can be considered only if both sides of the issue have been presented during the debate. If this motion is made and seconded, debate stops immediately and the vote is taken on whether to close debate on the original motion. To close debate, a two-thirds (2/3) majority vote is required.

Section G. Motion to Lay a Pending Motion on the Table.

A motion to lay a pending motion on the table is a motion to temporarily set aside the pending motion. Reasons for this may include to take up a more urgent item of business or to hear a speaker who cannot stay for the disposition of the pending motion. This motion can be made only at such time as no one else is speaking and is not debatable. To lay a pending motion on the table, a vote of four (4) members of the City Council is required.

Section H. Motion to Take a Question from the Table.

A motion previously laid on the table may be taken from the table by a majority vote as soon as the interrupting business is disposed of.

Section I. Motion to Adjourn.

A motion to adjourn may be made at any time upon being recognized by the Mayor so long as no one has been previously recognized and is speaking; such a motion requires a second and it requires a majority vote to pass.

Section J. Point of Order.

A member of the City Council may raise a point of order at any time whether or not another member of the City Council is speaking. A point of order is a statement to the Mayor that a particular motion before the City Council or other matter is out of order, or to make an inquiry of the Mayor as to parliamentary procedure. As soon as a point of order has been disposed of, the person interrupted may continue speaking.

The Mayor shall determine all points of order, subject to the right of any member of the City Council to appeal to the City Council or request a parliamentary opinion of the City Attorney. In the event of an appeal, the Mayor shall briefly state the reasons for the ruling; the decision of the Mayor may be overruled by a vote of four (4) members of the City Council.

Section K. Suspension of the Rules.

A member of the City Council may move to suspend the rules that interfere with a particular matter that is of apparent importance to the City Council. For a suspension of the rules to be accomplished, a vote of five (5) members is required. However, a motion to suspend the rules cannot interrupt an individual speaking.

Section L. Motion to Object to the Consideration of a Motion.

A member of the City Council may object to the consideration of a motion, and such objection may be made at any time prior to debate on the motion, even when another member of the City Council is speaking. It does not require a second. To stop the consideration of a motion, a two-thirds (2/3) vote of the members present is required, which in no event shall be fewer than four (4) members of the City Council.

Section M. Division of the Question.

All questions submitted for vote shall contain only one subject. If two (2) or more subjects are involved, any member of the City Council may require its division.

Section N. Request to Withdraw a Motion.

The member making the motion may request to withdraw the motion, and it is withdrawn unless an objection is raised. If a member of the City Council objects to the withdrawal of the motion, then the Mayor, upon motion, shall put the matter to an immediate vote and if four (4) members of the City Council vote to allow withdrawal of the motion, it is withdrawn.

Section O. Reconsideration of an Action of City Council.

Only a member of the City Council who voted with the majority (on the prevailing side) can make a motion to reconsider an action of the City Council. Any member can second it. Notwithstanding any conflict with *Robert's Rules* concerning the timing of such a motion, the motion to reconsider must be made no later than the next succeeding regular session, except that action relating to a contract may be reconsidered at any time before final execution thereof. No question shall be reconsidered, except by a vote of four (4) members of the City Council. The action must be stated as "reconsideration" on the agenda.

I. Form of Government

Cities may have one of five forms of government (i.e., Home Rule, Special Law, Type A, Type B, or Type C), the form of which is usually based on size (i.e., population). For example, cities with 5,000 or more citizens may, by a majority vote of qualified voters at an election held for that purpose, adopt a charter and become a "home rule" form of government. The City of Bellaire held an election, adopted a Home Rule Charter, and became a Home Rule City on April 2, 1949.

The above-referenced Home Rule Charter, known as the *Charter of the City of Bellaire, Texas* ("*Charter*"), was last amended by Ordinance No. 20-047 on November 16, 2020. In addition to the Home Rule form of government, the Charter provides for a Council-Manager form whereby a City Manager, appointed by the City Council of the City of Bellaire, Texas (City Council), . . . *shall execute the laws and administer the government of the City (Charter, Article I, Incorporation; Form of Government, Corporate and General Powers, Section 2, Form of Government).*

The Charter also provides that the City Council . . . *shall enact legislation, adopt budgets, determine policies, and appoint the City Manager . . . (Charter, Article I, Incorporation; Form of Government, Corporate and General Powers, Section 2, Form of Government).*

II. City Council Meetings

In accordance with the Charter and the *Rules of Procedure of the City Council of the City of Bellaire, Texas*, as of March 20, 2023 ("*Rules of Procedure*"), **regular sessions** of the City Council shall be held on the first and third Mondays of each month, at 7:00 p.m. or at such other hour as may be stated in the notice of the meeting. In the event the first or third Monday of a month is a legal holiday, then the regular session that would otherwise be held on that day shall instead be held on the next Monday thereafter.

Special sessions may be called upon request of either the Mayor, the City Manager, or a majority of the members of the City Council, at times other than those specified for regular sessions, for any business that could otherwise be conducted in a regular session.

Workshops are meetings called for the purpose of conducting a detailed and thorough exploration of matters that may properly come before the City Council.

Public hearings are meetings legally required by Texas statutes and the *Code of Ordinances of the City of Bellaire, Texas*, to record public comment on a matter being considered by the City Council. These same statutes and ordinances also govern how the public hearings are to be conducted.

Town hall meetings are called by the City Council to present information concerning matters of public interest and to receive public comment on such matters. They are similar to public hearings, but are not legally required by statute or ordinance, nor is their conduct governed thereby.

Closed meetings (commonly known as “executive sessions”) are permitted only for the purposes enumerated in the *Texas Government Code, Chapter 551, Open Meetings Act, Subchapter D, Exceptions to Requirement That Meetings be Open*. Disclosure of topics to be discussed shall be made to the public in accordance with the requirements of the *Open Meetings Act*.

An **emergency session** may be called in the case of an emergency or urgent public necessity two hours before the session is convened. All other sessions require a 72-hour notice.

Notice of meetings is given in the form of an **agenda** listing the order and type of business to be conducted by the City Council and posted on the City's official bulletin board located on the south side of the building near the front entrance to City Hall, 7008 South Rice Avenue, Bellaire, Texas 77401-4411. The agenda is also posted on the City's website (www.bellairetx.gov).

The Rules of Procedure referenced above were adopted for the purpose of establishing an orderly and effective method for conducting the official business of the City during meetings.

Each member of City Council shall receive a stipend for services of two hundred dollars (\$200.00) per month. The Mayor shall receive a stipend for services of four hundred dollars (\$400.00) per month (*Charter, Article II, The Council, Section 3, Stipend of members of the City Council*).

III. City Council Action

Formal, official action expressed in writing on a subject matter is taken by the City Council in the form of an "ordinance" or a "resolution." An "ordinance" is a formal, authoritative action *usually* required to regulate persons or property and *required* to pass a regulation in which penalties, fines, or forfeitures may be assessed as a result of a violation of said ordinance. In addition, every act of the City Council providing for the expenditure of funds or for the contracting of indebtedness shall be by ordinance. A "resolution" may be used to express an opinion, to govern a procedure, and to direct the performance of any ministerial functions the City Council may have.

The affirmative vote of four members of the City Council shall be necessary to adopt any ordinance or resolution. The City's ordinances that contain a penalty clause have been codified into a manual known as the *Code of Ordinances of the City of Bellaire, Texas* ("Code"). The City's codifier, Municode, updates an online version of the Code. The online version may be viewed through the City's website (www.bellairetx.gov).

IV. City Departments

The City Council appointed Sharon Citino to serve as City Manager by Ordinance No. 22-043, adopted on July 11, 2022, and effective as of August 15, 2023.

Ms. Citino manages 188 full-time equivalent positions in the following departments:

1. City Manager's Office (consists of the centralized administrative functions of the City Manager's Office, including the City Clerk, Community Relations, Human Resources, and Information Technology);
2. Development Services;
3. Finance and Municipal Court;
4. Fire;
5. Library;
6. Parks, Recreation, and Facilities;
7. Police; and
8. Public Works.

The City Manager, City Clerk, City Attorney, Presiding Judge, Associate Judge, Assistant City Attorney/Prosecutor, and Deputy Assistant City Attorneys/Deputy Prosecutors are appointed by and report directly to the City Council.

V. Boards and Commissions

The City Council has established, by ordinance, various boards and commissions. Applications for appointment and reappointment to serve on one of the boards or commissions are generally accepted from February until May of each year. Applicants are then interviewed during the month of June and appointed during the month of June or July.

A brief description of the creation, authority, purpose, and terms of the various boards and commissions are set forth below. Boards and commissions are listed in order of their creation date.

Board of Adjustment

The Board of Adjustment ("Board") was **created** by Ordinance No. 115 on **May 7, 1939**, pursuant to the *Texas Local Government Code, Title 7, Regulation of Land Use, Structures, Businesses, and Related Activities, Subtitle A, Municipal Regulatory Authority, Chapter 211, Municipal Zoning Authority, Section 211.008, Board of Adjustment*. Beginning January 1, 2006, the the 79th Texas State Legislature mandated that elected and appointed public officials receive training in Texas open government laws. The Attorney General of Texas was charged with the task of developing the necessary formal training to ensure that such officials have a good command of Texas open records and open meetings laws.

The law requires at least two hours of open government training, consisting of a one-hour educational course on the *Texas Open Meetings Act* (*Texas Government Code, Chapter 551*) and a one-hour educational course on the *Texas Public Information Act* (*Texas Government Code, Chapter 552*). Basic topics covered by the open meetings training include the legal requirements for open meetings, the applicability of the *Texas Open Meetings Act* to governmental bodies, and the procedures and requirements regarding quorums, notice, and record-keeping. Basic topics covered by the public information training include the legal requirements for open records and public information, the applicability of the *Texas Public Information Act* to governmental bodies, the procedures and requirements regarding open records requests, the role of the Attorney General of Texas under the *Texas Public Information Act*, and the penalties and other consequences for failure to comply with said act.

In order to meet the state law requirements, **the training should be taken within 90 days after the date you are sworn into office.**

The referenced training is free of charge and may be taken online using the following link: <https://www.texasattorneygeneral.gov/open-government/governmental-bodies/pia-and-oma-training-resources>.

After accessing the Attorney General of Texas' website using the referenced link, you would need to select the following: Public Information Act Training Video & Completion Certificate." The same process would need to be followed for the second video, which is entitled "Open Meetings Act Training Video & Completion Certificate." Copies of both certificates need to be submitted to the City Clerk's Office for the City's records.
