I believe in my prior life I was a jungle tiger and would love nothing more than to lose this bell and resume the hunt.

## Abbie & Maggie

**Breed:** Goldendoodles

We're sisters from another litter  
and it is said we love to fetch.  
However, we are not willing to  
return the tennis balls. We work  
nights, patrolling the backyard  
for opossums. It doesn't pay  
much, but it's honest work.
